

Lending Responsibly

ANNUAL REPORT 2023-2024

Lending Responsibly

It is believed that only a true leader takes responsibility of all his stakeholders. At Arohan Financial Services Limited, as part of the Aavishkaar Group, it is our belief that as we navigate the intricate landscape of microfinance in India, it's imperative to anchor our efforts in principles of responsibility and sustainability to successfully move forward in the journey of industry leadership.

Microfinance in India has emerged as a powerful tool for financial inclusion, empowering millions with access to credit and fostering economic growth. However, with great power comes great responsibility, especially in a sector that directly impacts the lives of vulnerable communities. At the heart of Arohan's responsible lending practices lies the principle of Client Protection. For Arohan, responsible lending entails transparency and fairness not only for its customers, but also for its employees, its partners and lenders, and most importantly the industry and the environment as a whole.

As Arohan charts the course for the new future of microfinance in India, join us in our affirmation to our commitment to ethical conduct, social impact, and financial sustainability – a **commitment to Lending Responsibly.**

Commitment to Value Creation

At Arohan, sustainable value creation does not merely transcend to profitability; it encompasses a holistic commitment to stakeholders and the environment. At the heart of this commitment lies its four pillars of customers, employees, shareholders, and the environment.

Customers

Arohan recognises, anticipates and meets the evolving needs of its customers, in a constant quest to provide innovative solutions and best-in-class service experiences. By cultivating lasting relationships built on trust and integrity, Arohan aims to enhance customer satisfaction and loyalty, driving mutual growth and prosperity.

To this effect, in FY 2024, the MFR Certification Committee has assigned the Company the prestigious GOLD Standard in Client Protection Principle under the Cerise+SPTF Methodology. The GOLD level is the highest level of achievement and signifies that the certified institution meets the most rigorous standards of Client Protection found in the Universal Standards for Social and Environmental Performance Management. The Company has successfully met 99.1% of the indicators and has bagged the prestigious Gold Standard in CPP certification in its inaugural attempt.

Employees

Employees are the key stakeholders of the Company. Arohan's people practices strives to foster a culture of inclusivity, respect, and professional development, where every individual can thrive and contribute their best. Through investment in training, career advancement opportunities, and a supportive work environment, Arohan empowers its employees to realize their full potential, driving collective success and fulfilment.

As a result of its focused people orientation, in FY 2024, Arohan has successfully built a High-Trust, High-Performance Culture - and has been Great Place To Work® Certified™, for the 4th time, with a remarkable score of 92 in the Trust Index© Employee Survey of the Great Place to Work Institute that was conducted in the month of January 2024. Further, the Company has also been recognised among India's Best Workplaces™ in BFSI 2024: Top 25, in an assessment undertaken by the Great Place To Work® Institute.

Shareholders

Arohan is committed to shareholder value creation and delivering sustainable returns over the long term. By maintaining transparency, accountability, and prudent risk management practices, the Company generates value and continuously improves bottom line, while upholding the highest standards of corporate governance.

In a milestone achievement, in FY 2024, Arohan's credit rating has been upgraded from 'A- (positive outlook)' to 'A (Stable Outlook)' by rating agencies ICRA and CARE. Credit Ratings are forward-looking opinions on the relative credit risk associated with the rated debt instrument as represented by an appropriate symbol on the relevant rating scale. "A" rating outlook gives additional information to lenders, investors or other users about the expected direction of rating movement and the "Stable" outlook indicates a low likelihood of rating change in the near to medium term. This reinforces Arohan's stance amongst the elite league of microfinance institutions in the country, and will enable the Company to serve its customers better.

Environment

As a responsible corporate citizen, Arohan acknowledges the inter-connectedness between business activities and environmental sustainability. The Company is committed to empowering the communities it serves and the geographies its present in, while minimizing its carbon footprints. Through responsible sourcing, energy efficiency measures, and eco-friendly practices, Arohan strives to promote environmental stewardship.

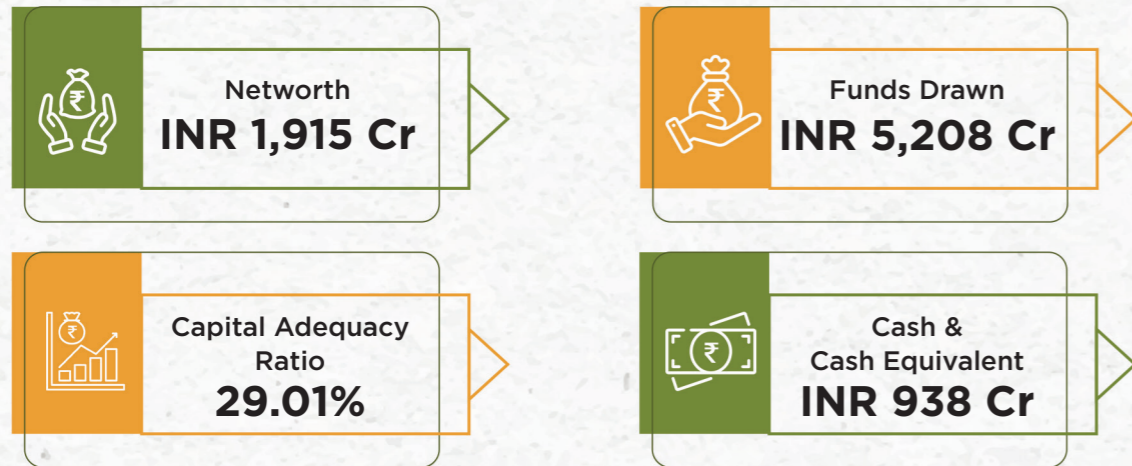

To this effect, in FY 2024, the Company earned the prestigious "Social Impact Certificate", a recognition for its impactful endeavors at the Impact Summit, 2024 organised by d.light in Nairobi, Kenya. This accolade underscores the Company's commitment to fostering social change by providing affordable and sustainable impact products to rural communities across India with unreliable energy access. This certification validates Arohan's ongoing efforts to make a positive difference in the lives of those we serve.

Dinesh Kumar Mittal
Chairman
Board of Directors

Dear Shareholders,

I am pleased to present to you the Annual Report of Arohan Financial Services Limited, marking yet another remarkable chapter in our journey together.

The financial year 2024 has been nothing short of exceptional for the Indian financial landscape against the backdrop of a dynamic global economic canvas. The OECD's latest Economic Outlook paints a picture of steady global GDP growth, projected at 3.1% for 2024, with a modest uptick to 3.2% anticipated in 2025. Despite significant central bank interest rate adjustments aimed at stabilizing prices, the global economy has shown surprising resilience, a testament to its robustness.

In the midst of this global scenario, India shines brightly as a beacon of growth. According to Moody's, India is poised to lead among the major G20 economies, with a GDP growth rate accelerated to approximately 8% in FY 2024 from 7% in the previous fiscal year. Notably, the third quarter of FY 2024 saw an impressive growth rate of 8.4%, surpassing market expectations, fuelled by robust public investment, resilient private consumption, and a thriving services sector.

The Indian government, in tandem with the Reserve Bank of India, continues to create avenues for millions through

financial inclusion initiatives. This conducive economic environment, coupled with revised regulatory frameworks, has propelled the microfinance sector forward, witnessing a decent 20% growth in loan portfolios, reaching INR 4.3 tn across 75 mn plus borrowers by the close of FY24. Notably, a study by NCAER underscores the MFI sector's substantial contribution, constituting 2.7% of India's GDP as of December 2023.

The Government of India introduced the concept of "Amrit Kaal" or "The Era of Elixir", outlining a transformative vision for a "New India" by 2047. This vision encompasses holistic economic growth, enhanced living standards, infrastructural advancements, technological innovation, and a renewed global stature for India. Microfinance emerges as a pivotal instrument in this journey, particularly in bolstering small industries and fostering employment opportunities.

The pursuit of high-income status by 2047 necessitates inclusive growth, benefiting all strata of society. This entails not only economic reforms but also the creation of quality employment opportunities, with a special emphasis on bridging gender gaps in workforce participation.

The microfinance sector in India has undergone a

remarkable metamorphosis over the years, emerging as a linchpin for economic empowerment. By extending accessible and affordable financial services to the underserved, including women, microfinance institutions, including ours, have catalyzed economic development, enabling entrepreneurship, fulfilling household needs, and uplifting living standards.

At Arohan, our dedication to empowering the underprivileged remains resolute. Upholding our unwavering commitment to corporate governance, we have bolstered our team with seasoned professionals, led by an agile and experienced management team, elevating our operational prowess and ensuring superior customer service delivery. Throughout the year, our leadership has demonstrated exceptional foresight, steering the Company towards robust growth and reinstating pre-COVID normalcy and a Net NPA Zero status. Grounded in our core values, we have nurtured an environment conducive to the prosperity of small businesses and individuals, harnessing the potential of micro-credit and related financial services.

I am excited to announce our strategic expansion into the vibrant southern Indian market, marked by the inauguration of a new zonal office in Bengaluru. Additionally, we have ventured into promising territories such as Gujarat, Uttarakhand, and Haryana, further strengthening our presence while deepening our roots in existing geographies.

In the fiscal year, our focus on product and geographic diversification has yielded remarkable results. We recorded a portfolio outstanding exceeding INR 7000 Cr, empowering a myriad of aspirations - from fuelling entrepreneurial ventures to facilitating educational pursuits, from realizing dreams of homeownership to ensuring access to essential healthcare services. Our unwavering commitment to operational excellence has propelled us forward, driving significant advancements in digitization with focus on IT-driven operational and lending platform, risk management practices, and strong corporate governance at the Company & Board levels. This transformative initiatives have not only enhanced efficiency but also fortified the security of our services, ensuring a seamless experience for our valued customers.

Among our focus areas, highest priority remains to achieve highest standards of customer service and to be a Digital-first financial inclusion entity. I am happy to inform you that we have travelled a long distance in both areas and want to be a leader in these areas in India. Our standing on this is evidenced by our Gold Standard CPP certification, the various awards we have won for the IT platform we have created & an industry-first, ArohanPrivilege product for seasoned MFI borrowers to be treated with utmost respect.

In closing, I extend heartfelt gratitude to all our stakeholders - customers, employees, and shareholders - for their unwavering support and dedication. It is their collective commitment that propels us forward on our mission to uplift the underprivileged and extend financial empowerment.

As we chart our course into the next financial year, I am confident in our ability to achieve our objectives and continue making a positive impact on society.

Warm Regards,

Dinesh Kumar Mittal
Chairman
Board of Directors

Founder & Group Chairperson's Address

Vineet Chandra Rai
Founder and Chairman
Aavishkaar Group

Dear Shareholders,

Welcome to the Annual Report FY 2023-24 for Arohan Financial Services Limited, a Non-Banking Finance Company-Micro Finance Institution, an Aavishkaar Group Company.

In 2001, we believed that Entrepreneurship has the potential to contribute toward solving complex social problem of the world. Today everything we do centres around the entrepreneur. We build entrepreneurial ecosystem through Intelicap, provide high growth capital through Aavishkaar capital, collateral free loan to MSME through Ashv Finance and Microfinance loans to millions of clients from Arohan Financial Services.

Each year when we reminisce the year gone by, we try to summarize our understanding from the point of view of our Clients, our regulator, our employees and our shareholders. Along with the reflections from these critical stakeholders, we diligently look at four critical metric, our values, our culture, our financials and our impact.

As I look forward to the year gone by, our clients have been resilient. They fought through the upheaval of the

pandemic and they are now dealing with the impact of El-Nino. The impact of climate change and related disruption has significantly increased the challenges in front of them in managing their cash flows and livelihood. Despite all the above, the clients have remained steadfast in making on time payment for the EMI and continue to be the most resilient stakeholder of the microfinance story.

Reserve Bank of India our regulator has provided a light touch and nurturing regulatory ecosystem to microfinance institutions to thrive and deal with the challenges of the COVID pandemic. Our sector Self-Regulatory Organization - Microfinance Industry Network (MFIN) with the recognition and support of the RBI has been the anchor around which the credibility of Microfinance sector has been built and we are grateful to the leadership of MFIN for their contribution in helping the sector build such a credible track record. Arohan represents the ambition of its close to 10,000 strong workforce and it is them who continue to push the company forward. Our Chief Financial Officer - Milind Nare, Chief Business Officer - Sumit Mukherjee, Chief Compliance Officer - Anirudh Thakur, Chief Information Officer - Arvind Murarka

and Chief Risk Officer - Ranjan Das are the leadership bull wark that has supported our Managing Director Manoj Nambiar to build Arohan into a world class institution.

Our shareholders who have stuck with us through ups and downs and supported us while dealing with large and small disruptions. Their support and encouragement have allowed Arohan to scale new heights and deal with the toughest of times.

Last but certainly not the least – millions of our microfinance borrowers who have given us the privilege of serving them with our products and services amongst so many other options available to them

As promoter we aspired to build an institution on four pillars of transparency, governance, ethics and impact while delivering commercial returns and our commitment is best represented in the financial results presented in the annual report.

Before I end, I wanted to thank our Chairman and Independent Directors who have selflessly contributed in helping us build a credible ethical and transparent institution.

Warm Regards,

Vineet Chandra Rai
Founder and Chairman
Aavishkaar Group

Managing Director's Address

**Manoj Kumar
Narayan Nambiar**
Managing Director

Greetings,

I am delighted to once again connect with all of you through our Annual Report for a landmark business and financial year gone by – FY 2024.

The year 2023/24 has been a great one for us, as we ended the year with the highest ever disbursements and portfolio size, the highest ever profit in our 17-year history, a fully capacitated and diverse senior management team, the Company's expansion into South India and many more. As of March 2024, we are over INR 7112 Cr in portfolio size across over 2.4 mn borrowers, covering 19 states with 975 branches, being managed through 10 zones/47 regions and an employee base of over 9300.

The Indian microfinance sector grew by over 24% to serve over 78 mn BoP segment borrowers with a credit portfolio outstanding of over INR 4.3 Lakh Cr as of March 2024 across 29 states & 7 UTs. With the progressive policies of our regulator, the Reserve Bank of India on credit harmonisation and pricing deregulation, the sector is poised to grow its outreach to the millions of potential borrowers yet to access formal credit in the most populous country on the planet. The key issues facing the sector as identified by the first formal Self-Regulatory Organisation (SRO) in the financial services sector, Microfinance Industry Network (MFIN) are – higher delinquencies, high frontline

employee attrition, lower centre attendance, higher operating costs and higher cost of funds, all of which, unfortunately, leads to higher end-borrower pricing.

In this above background, I am delighted to inform you that Arohan has moved back to being a unique Net NPA Zero status company with effect from September 2023, and retained that position as of March 2024. We continue to track better than the overall sector and our peer group, on delinquencies with our conservative, prudent credit policies and a robust underwriting process. Like Net NPA Zero, we also plan to launch and institutionalise a new indicator – EGI (Ever Greening Index). Needless to add, Arohan will score a zero on this index as we do not lend to any delinquent borrower ever!

2023/24 has been an eventful year with many significant highlights for Arohan. The Company closed the INR 730 Cr capital equity raise with Nuveen, FMO, IFU & Piramal Alternatives as our new investors, as well as managed an efficient debt raise during the year on both cost & quantity. We received a credit rating upgrade to A (Stable Outlook) from 2 rating agencies and successfully conducted an ARC deal to clear the pandemic and Assam residue. The much awaited start of the Cat 3 relief was initiated in September 2024 with row 1 payment made under the Assam

Hon'ble Chief Minister of Assam, Dr. Himanta Biswa Sarma, handing over the Cat 3, Row 1 relief cheque

Microfinance Incentive & Relief Scheme, 2021. Our focus on customer service excellence & client protection principles was recognised with a Gold standard CPP certification by MFR, a top-notch MFI 1 grading & COCA C1 rating from CareEdge Advisory and we becoming a formal Corporate Agency for selling insurance products licensed by IRDA. Arohan's fully capacitated senior management team has successfully led our expansion programme with our entry into the Southern India markets with a zonal office and branches in Karnataka, setting up of a dedicated Micro Enterprise Loan team to leverage credit opportunities around our branches, an MFI Alliances business growing to over INR 440 Cr in portfolio outstanding and our unique seasoned MFI borrower ArohanPrivilege offering, maturing with close to INR 144 Cr portfolio with over 30,000 borrowers. We also relaunched "Sahbhaagi", our unique center reward and loyalty programme for customers to enhance attendance.

Ours is an employee intensive business as they make all the difference in our interaction with our borrowers. We therefore exercise an unfaltering focus on providing our employees with an environment of growth, positivity and trust. In that context, we recorded the highest ever employee satisfaction score of 92 in the Great Place to Work® Trust Index© Employee Survey, ranking 35th in the Top 100 companies' list in India, among the Top 25 in the BFSI sector and the coveted Best in the Microfinance Industry in India. We launched an energising employee anthem – "Arohan Mera Garv Mera Sammaan" and also launched "Knowledge Tank Arohan" – a blog series by the senior management group of the Company. We launched a proprietary application, "Swagatam", facilitating seamless mass recruitment, optimizing time and resources while delivering insights through

Receiving the recognition of Rank 35 among India's Top 100 Best Companies to Work For

Our Staff Loan process has been automated and made completely paperless this fiscal with tighter underwriting and credit bureau reporting. Additionally, we also launched our first ever "High Potential" employee programme across the Company. Our unique working Saturday morning field connect programme, "Pragati" continues to ensure growth and learning for our last mile feet-on-street while we also draw sharp focus on capacity building of all employees through Learning & Development, resulting in significant PIP pull backs.

In our constant quest to improve and optimize operational efficiencies, we launched "Disha" a digital voice activated assistant in our Business Intelligence dashboard - Vishleshan, along with the launch of a digital Document Access module allowing users to get access to relevant information with ease. We launched "Arohi", our first AI bot employee deployed in our Debt Receivable vertical effectively following up with our customers. We have also successfully leveraged Lok Adalats for our recovery efforts with good results. We have further enhanced PQR & I-PQR quality & control discipline with proactive credit policies & nonstarter/early delinquency tracking. We have further detailed out our Enterprise Risk Management (ERM) initiative with our own system "Sandesh". Our active Vigilance team ensures investigation and action on fraudsters and helps her adhere to our operational processes, policies and guidelines.

Most of the above were recognised by the various awards/recognition we won – AMFI WB for best IT platform; 3 prestigious "Award of Merits" at SKOCH'23, Asset Triple A IT/Cash Management Awards; ISO 9001 recertification of our Internal Audit unit; ISO 27001 recertification of the Data Security network, amongst many others.

Our board saw a few changes – Aditya Mohan passing on the baton to Rupa Vora as the FMO director; David Paradiso handing over to Karina Isabel as the MAJ Invest representative and Matangi Gowrishankar, our Human Resources specialist moving on after almost 9 years where she helped reorient our Human Resources Department in a new perspective. We welcomed Arun Diaz, who has a deep financial services Operations & IT experience and Ulhas Deshpande as the new Human Resources specialist on the board. In April 2024, Sumantra Banerjee also finished his 10 years with Arohan and stepped down from the board. Our heartfelt gratitude to all of them for having been with us for years adding value to the management thought process as we grew the business in scale & size.

Our endeavour to strengthen the executive committee saw the addition of Sumit Mukherjee as our Chief Business Officer, Sharoni Pal as the new SVP & Head Central Operations and Kanchan Banerjee as our new SVP & Head Human Resources/ Administration/ Training & Development & Corporate Social Responsibility. This makes our team one of the best in the MFI sector in India with over 350 years of cumulative & varied work experience.

I am delighted to be back on the governing board of MFIN, our microfinance Self-Regulatory Organisation, as its Vice Chair in July 2023, at a critical time as we take stock on the implementation of the new RBI guidelines on credit harmonisation & pricing deregulation and also transform MFIN into a holistic MFI body across banks and non-banks. A meeting of the Top 20 MFI CEOs resolved to “getting back to the basics” – addressing the key issues of centre attendance, employee attrition,

pricing, adherence to a minimum Code of Conduct like not lending to delinquent borrowers, credit & employee bureau submission and usage, basic credit norms on indebtedness & number of lenders, etc.

With such an eventful last year, our key priorities for the FY 2025 are even more critical – ensuring a good balance on quality & quantity aspects of our business; significantly growing our presence in the South, scale up the ArohanPrivilege and Micro Enterprise Loan businesses; focus on Diversity & Inclusion across levels; significantly enhancing productivity levels across field and non-field employees; manage the ambitious expansion plan well; enhance retention of both employees & borrowers; enhance our IT platform and launch the critical e-KYC facility; relaunch “Nirnay” our unique updated Credit Scoring model in the microfinance space and close the next equity fund raise between a PE or an IPO option.

I wish to thank the government for their focus on Financial Inclusion, our regulator the Reserve Bank of India, for their progressive policies, our Self-Regulatory Organisation, MFIN for the critical sector building work, our promoter group, Aavishkaar for the belief in this business, our investors for their continued support and understanding, our esteemed board for their involvement & valuable contributions, our employees for the hard work and dedication and last but certainly not the least – our millions of borrowers for giving us the opportunity to serve them. I am privileged & honoured to receive your vote of confidence to be the Managing Director of this wonderful business and look forward to the next year with great expectations.

Warm Regards,
Manoj Kumar Narayan Nambiar

What Drives Us?

Our Mission, Vision and Values

The heartbeat of an organisation resonates from the collective mindset and actions of its people, adapting to the ever-evolving ecosystem. At Arohan, our culture is steeped in the essence of our core values, fueling responsible lending and fostering growth. Guided by these principles, our leaders and managers chart the course towards fulfilling our Mission and Vision with unwavering commitment.

MISSION

To empower the under-served households by offering a range of financial services, in a manner sustainable for all stakeholders.

VISION

To impact over 28 million lives by 2028.
To be among the Top 3 MFI players, serving nearly 6 million households and being a preferred place to work for our employees.

CORE VALUES (ETHICS)

Employee Engagement: Arohan treats its employees as a major stakeholder and hence its processes and systems are designed to ensure employee satisfaction, development and high morale.

Transparency: Arohan's products and processes are transparent to its clients such that the information communicated to them is clear, sufficient and timely in a manner and language clients can understand so that clients can make informed decisions. It is also transparent in its communication to, and transactions with all other stakeholders, and employees.

Honesty and Integrity: Led by exemplary governance, Arohan maintains high integrity in its delivery, products and processes. Arohan has zero tolerance for unethical practices. It strives to behave with honesty and integrity in all its internal and external communication, and dealings with all stakeholders.

Innovation: Arohan strives to maintain a creative culture in the organisation, where employees are encouraged to learn and innovate in their day to day work, while adhering to Arohan's standards of business and conduct. Also, product, process and business model innovation are integral to Arohan.

Customer Centricity: Since customers are considered important stakeholders, Arohan's products and processes are designed keeping customer needs and realities in mind. Arohan strives to serve customer needs in an effective and efficient manner and behave in a dignified and respectful manner with its customers at all times.

Shareholder Value Focus: Arohan recognises its shareholders to be an important stakeholder whose interests it strives to protect, and to whom it seeks to deliver value by focusing on sustainability, profitability and growth of the business.

Business Verticals

In the face of rapid economic changes, Arohan is cognizant of the opportunities and is seizing them to overhaul its processes and operations, on the cornerstones of sustainable lending model and business diversification. With a clear roadmap outlined by its four business verticals, the Company is advancing towards its Vision for 2028. This vision entails forging innovative business channels and models designed to spearhead its ambitious plan aimed at transforming the lives of 28 million individuals by 2028.

Organic Business Vertical

Arohan's core business revolves around providing microcredit services to individuals representing the bottom half of the socio-economic pyramid, employing a joint liability group model. We extend a spectrum of financial and ancillary services tailored to their needs, with loan amounts ranging from INR 25,000 to INR 1,00,000, calibrated to foster their socio-economic advancement.

Inorganic Business Vertical

Arohan has been a forerunner in the industry to have a focused Inorganic business model, optimising its non-qualifying space. From offering Term Loan Services of up to INR 25 Cr to partnering for a Sourcing & Collection relationship with smaller microfinance entities, or through Direct Assignment & Securitizations, and even engaging in microfinance through loans specific to the business enterprise segment operating out of specified markets, this vertical allows the Company sustainable market advantage.

Digital Lending

Arohan offers an innovative Digital Loan Sourcing channel, ArohanPrivilege, a pioneering initiative in the industry, designed specifically for our gold-standard microfinance customers. This platform empowers individuals to seamlessly apply for and receive loan disbursements from the convenience of their homes, with funds deposited into their accounts within minutes of approval. Beyond enhancing service excellence for deserving customers, this advancement enables Arohan's Customer Service Representatives to redirect their focus towards sourcing 'New to Credit' and 'New to Arohan' customers, thereby optimizing their bandwidth.

Micro Enterprise Loan

MSMEs serve as the cornerstone of the Indian economy, representing a staggering 63 million micro-segment enterprises. Acknowledging the immense market potential within this sector, Arohan has established a dedicated department: the Micro Enterprise Loan Programme. This innovative initiative aims to address the vital working capital needs of these enterprises by providing loans ranging from INR 50,000 to 5 lakhs, tailored to suit each customer's specific business requirements.

Our Product Offerings

Arohan empowers its expanding clientele with a diverse array of financial solutions tailored to meet their evolving needs. From income-generating loans to versatile household product financing options, the Company's credit solutions cater to various facets of our customers' lives. Complementing these offerings are our non-credit products, which encompass comprehensive Life and Non-Life insurance covers provided through strategic partnerships with leading Indian insurers. Moreover, we facilitate access to an assortment of lifestyle enhancement products, including but not limited to mobile phones, refrigerators, pressure cookers, televisions, mixer grinders, induction cooktops, energy-efficient bulbs, microwave ovens and air coolers.

In alignment with our commitment to fostering financial inclusion, Arohan extends its support to the microfinance ecosystem through term loans to small Micro-Finance Institutions, enabling further outreach to underserved communities. Additionally, the Company empower micro-enterprises with flexible working capital solutions, ranging from INR 50,000 to INR 5,00,000 to fuel their growth and success. At Arohan, we strive to be a catalyst for positive change by providing holistic financial services that empower individuals and enterprises alike.

Teachers Insurance and Annuity Association of America (TIAA)

TIAA was chartered in 1918 as a stock life insurance company, domiciled in New York State, to provide employees of nonprofit education and research institutions with the means to enhance their future financial security. The Carnegie Corporation had provided TIAA's initial USD 1 mn capital, and as sole owner of TIAA, it held all the stock: fivehundred shares. For TIAA's first twenty years, the Carnegie Corporation paid the organization's business expenses. However, in 1937, The Carnegie Corporation formed a new nonprofit company to hold the shares of stock in TIAA to enable the organization to be governed on its own. Named Trustees of T.I.A.A. Stock, it was incorporated by a Special Act of the New York State legislature. The Carnegie Corporation then turned over ownership of TIAA to the new company. In 1989, Trustees of T.I.A.A. Stock was renamed TIAA Board of Overseers and again renamed in 2021 to be called the TIAA Board of Governors. TIAA Board of Governors normally consists of seven members, each of whom serves a seven-year term. The members do not

directly supervise TIAA management, but they elect the members of the TIAA Board of Trustees, which does exercise such supervision. They also approve amendments to TIAA's Charter and Bylaws. TIAA Board of Governors meets at least twice a year. TIAA is regulated principally by the New York Department of Financial Services.

Entrepreneurial Development Bank

Nederlandse Financierings-Maatschappij Voor Ontwikkelingslanden N.V. (FMO)

FMO is the Dutch entrepreneurial development bank. As a leading impact investor, FMO supports sustainable private sector growth in developing countries and emerging markets by investing in ambitious projects and entrepreneurs. FMO believes that a strong private sector leads to economic and social development and has a 50+ year proven track-record in empowering entrepreneurs to make local economies more inclusive, productive, resilient and sustainable. FMO focuses on three sectors that have high development impact: Agribusiness, Food & Water, Energy, and Financial Institutions. With a total committed portfolio of over EUR 13 bn spanning over 85 countries, FMO is one of the larger bilateral private sector development banks globally.

The Investment Fund for Developing Countries (IFU)

IFU is a Danish impact investor contributing to green, just and inclusive societies as well as supporting the Sustainable Development Goals. IFU provides risk capital to companies operating in developing countries across Africa, Asia, Latin America and parts of Europe. Investments are made on commercial terms in the form of equity, loans and guarantees. IFU has co-invested in over 1,300 companies in more than 100 developing countries and emerging markets. IFU is fund manager for a number of funds and facilities, including the Danish SDG Investment Fund, a public-private partnership with Danish pension funds. Capital under management is EUR 2.1 bn.

Lending to Millions Effecting Financial Inclusion, Responsibly

Leading financial institutions and the industry, over the years, have played a pivotal role in the success of microfinance and financial inclusion initiatives by adhering to principles of responsible lending. With the collaborative efforts of the industry stakeholders, governmental support, proactive measures by regulatory bodies and the Reserve Bank of India, Arohan continues to ensure that loans are extended to borrowers in a manner that is ethical, sustainable and conducive to their financial well-being - an approach that fosters trust and promotes financial stability.

The microfinance industry has exhibited remarkable resilience and growth despite the challenges posed by the COVID-19 pandemic, with a notable rebound in the past two fiscal years, the YoY growth (Mar'24 vis a vis Mar'23) is close to 25%. This resurgence, buoyed by an improving macroeconomic environment, has propelled Non-Banking Financial Companies focused on microfinance (NBFC-MFIs) to the forefront of the sector, surpassing banks in total outstanding microfinance loans, now constituting approximately 40%. The removal of lending rate caps by the Reserve Bank of India has facilitated risk-based pricing, leading to enhanced Net Interest Margins (NIMs) and increased Returns on Total Assets (RoTA).

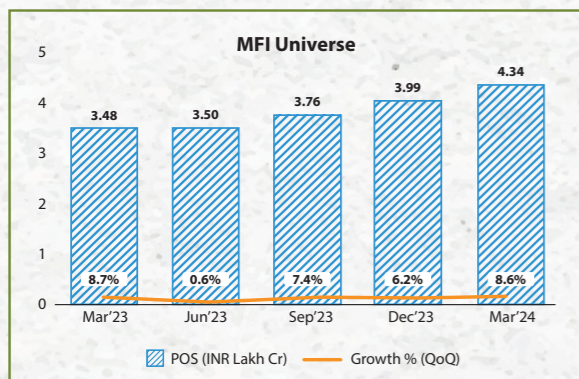

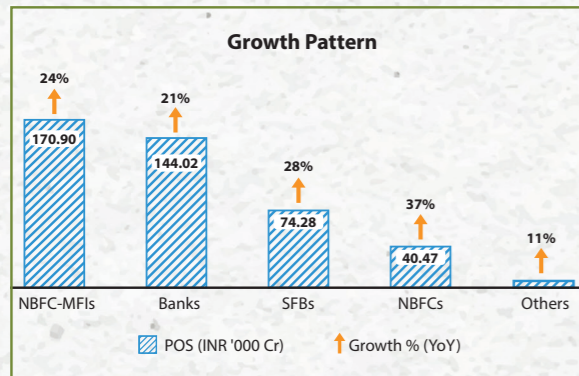

Despite a decline from their peak in FY 2021, credit costs remain elevated, partly due to restructured loans slipping into Non-Performing Assets (NPA). However, controlled credit costs and ongoing improvements in NIMs are expected to drive RoTA in near future.

While asset quality shows sign of improvement, challenges persist, particularly regarding capital structure and overleveraging risks stemming from increasing customer indebtedness and shifts in lending models. Moreover, the industry's susceptibility to event-based risks, such as political and geographical uncertainties, necessitates vigilant monitoring, along with continued support from impact funds and private equity investors.

INDUSTRY OVERVIEW:

As on March 31 2024, the overall size of the industry in terms of total loan portfolio is INR 6,88,937 Cr. The microfinance universe (MFI universe) has a total loan portfolio of INR 4,33,697 Cr and the total number of active loan accounts were 14.9 Cr with 7.8 Cr unique borrowers. 87 NBFC-MFIs emerged as the largest providers of micro-credit with a loan amount outstanding of INR 1,70,903 Cr, accounting for over 39% to the total MFI universe portfolio. 14 Banks hold the second largest share of portfolio in micro-credit with total loan outstanding of INR 1,44,022 Cr, which is over 33% of total MFI universe. 10 SFBs have a total loan amount outstanding of INR 74,278 Cr with a total share of over 17%. NBFCs account for another ~9% and Other MFIs account for ~1% of the MFI universe.

KEY INDUSTRY HIGHLIGHTS OF FY 2024

The Assam Microfinance Incentive and Relief Scheme (AMFIRS) 2021:

In June 2021, the Government of Assam unveiled a ground-breaking initiative known as the Assam Microfinance Incentive and Relief Scheme (AMFIRS). The scheme aims to fortify the sustainable provision of microfinance services, fostering economic resilience among low-income and impoverished households in the state. In the fiscal year 2024, the successful rollout of Category 3, row 1 under AMFIRS marked a significant milestone in the scheme's implementation.

OVERVIEW OF FINANCIAL YEAR 2024 FOR AROHAN

FY 2024 stands out as a year of remarkable accomplishments for Arohan, marked by a series of significant milestones that underscore its growth and resilience. Among these achievements, the successful closure of a substantial INR 266 Cr equity capital raise, with esteemed investors such as FMO and IFU, stands as a testament to the confidence placed in Arohan's vision and potential. Furthermore, Arohan's credit rating upgrade to A (Stable Outlook) reflects its sound financial performance and prudent management practices. Notably, the organisation's attainment of the highest-ever score of 92 in the Great Place to Work® Trust Index© Employee Survey underscores its commitment to fostering a positive and empowering work culture. With this the Company has achieved its position amongst the Top 25 BFSI, India 2024 and has bagged the recognition of the coveted Best in the Microfinance Industry.

In addition, Arohan's achievement of the Gold standard CPP certification by MFR and securing formal Corporate Agency status for insurance products licensed by IRDA demonstrate its adherence to best practices and commitment to customer-centricity. Moreover, the seamless transition managed by a fully capacitated senior management team speaks volumes about Arohan's leadership stability and strategic foresight. Notably, Arohan's proactive engagement in Category 3 relief under AMFIRS'21 in Assam showcased its responsiveness to socio-economic challenges. Financial prudence was upheld through initiatives such as ARC deal, ensuring stability and resilience amidst evolving market dynamics. Collectively, these milestones not only signify Arohan's growth trajectory but also reaffirm its position as a leading player in the microfinance sector, poised for continued success and impact. Efforts were also directed towards enhancing quality & control disciplines, proactive credit policies, and efficient debt raising. A notable achievement was the reinstatement as a unique "Net NPA Zero" lending company.

In FY 2024, Arohan demonstrated robust organic expansion efforts, notably launching its presence in Southern India, establishing a zonal office and branches in Karnataka and forming a dedicated Micro Enterprise Loan team. These strategic moves bolstered Arohan's presence and capacity to serve diverse communities effectively.

Additionally, the MFI Alliances business experienced substantial growth, surpassing an impressive INR 440 Cr, while the ArohanPrivilege programme flourished, managing a portfolio close to INR 144 Cr across 30,000 borrowers. These achievements reflect Arohan's commitment to innovation and customer-centric solutions.

Operational improvements were evident through various initiatives, including the launch of the uplifting employee anthem "Arohan mera Garv mera Sammaan," top-tier MFI

grading, and COCA C1 rating. Moreover, the launch of KnowledgeTank Arohan, a thought leadership blog series, reinforced Arohan's commitment to sharing insights and expertise within the industry. Additionally, "Arohi," the first AI bot employee deployed in Recovery efforts, contributed to operational efficiency. Successes in legal and compliance fronts included the success of Lok Adalat efforts and the establishment of an active Vigilance team ensuring investigation & action on fraudsters. The detailed rollout of the ERM initiative with the in-house system "Sandesh" further bolstered the Company's risk management practices.

Arohan's remarkable achievements in FY 2024 garnered widespread recognition and acclaim, exemplified by a string of prestigious awards and accolades. Notably, the AMFI WB award for best IT platform, along with three esteemed SKOCK Order of Merit Awards, 2023 for Innovation in Lending (ArohanPrivilege), Solution in Lending (Nirnay) and Solution in Financial Inclusion Programme (Apna Arohan Customer App), underscored Arohan's excellence and innovation in financial technology and service delivery. Furthermore, Arohan's receipt of the Asset Triple A, 2023 for the "Best Payment and Collections Solution, India" in association with IDFC First Bank for their digital payments solution reaffirmed its leadership in leveraging technology to optimize operational efficiency and enhance customer experience. The ISO 9001 re-certification of the Internal Audit unit demonstrated Arohan's unwavering commitment to quality management practices and continuous improvement.

In addition to these accolades, Arohan's reinstatement on the governing board of Micro Finance Industry Network (MFIN), our Self Regulatory Organisation, as the Vice Chair reaffirmed its dedication to shaping industry standards and best practices. These recognitions not only validate Arohan's outstanding performance but also serve as a testament to its relentless pursuit of excellence in responsible lending and impact in the microfinance sector.

WAY FORWARD FOR FY 2024

Arohan is unwavering in its commitment to empower individuals at the grassroots of the socio-economic spectrum by fostering financial inclusion. Through the provision of accessible credit and essential services, Arohan tirelessly strives to bridge the gap and uplift communities. Grounded in its dedication to delivering value to all stakeholders, Arohan is poised for an expansive journey, both within its current territories and into uncharted territories, leveraging organic growth, strategic partnerships, and digital advancements.

Backed by a solid financial bedrock and a resilient operational structure, Arohan is positioned for substantial growth in the forthcoming year. With aspirations to reach beyond 3 mn customers and extend its reach to underserved regions, Arohan is laser-focused on refining its product suite, fine-tuning pricing strategies, and spearheading digital financial inclusion initiatives. The company sets its sights on exceeding INR 10,000 Cr in Assets Under Management, aligning every endeavor with its overarching strategic vision of impacting 28 million lives by the year 2028.

As Arohan sets sail into the future, its foremost objectives revolve around streamlining processes, enriching its product spectrum, and broadening its outreach endeavors - all integral components of Arohan's holistic strategy to actualize its goals and foster meaningful progress for the communities it serves.

Progressing with Purpose, Improving Customer Experience with Meaningful Services

Arohan, guided by its purpose of financial inclusion, is focused on assessing the needs of its customers and developing products and services best-suited for their growth and meaningful progress. Driven by its Organic and Inorganic business lines, as well as innovative differentiator services ensuring easy accessibility and enhanced customer life cycle, financial services at Arohan is poised to lead positive socio-economic outcomes.

In FY 2024, Arohan achieved significant milestones, driving its diversified growth strategy through key innovations. These developments position the Company to align with its Vision Statement and uphold its commitment to financial inclusion. Arohan closed March 31, 2024, with an outstanding portfolio of INR 7,112 Cr serving 2.5 mn borrowers across 975 branches in 19 states, supported by 9,333 employees.

Amidst a rapidly evolving global landscape, Arohan has embraced learning and adaptation, leveraging opportunities for scalability. In FY 2024, the Company prioritized growth through expansion, process innovation, and improved customer experience, while remaining steadfast in its mission to enhance the customer journey and overall quality of life.

INNOVATIVE PRODUCT LINES, DRIVING SUSTAINABLE GROWTH

Over the years, Arohan has undergone a remarkable evolution, refining its product spectrum through strategic

digitalization initiatives, a steadfast commitment to enriching customer experiences, and extending the longevity of customer relationships.

Flagship loan products

Saral Suite of Products: At the heart of Arohan's offerings lies the Saral suite of products, notably its flagship solution, 'Saral'. Tailored specifically for women in low-income communities engaged in trade and services, Saral stands as a cornerstone in Arohan's portfolio. Leveraging the Joint Liability Group (JLG) model, Arohan extends loans primarily to groups comprising three to five women, empowering them economically.

In addition, recognising the diverse needs of its clientele, Arohan has also introduced 'Saral Repeat', catering to repeat customers with commendable repayment histories and elevated credit requirements. This initiative not only bolsters customer retention but also fosters financial empowerment by extending high-ticket loans of up to INR 1,00,000.

The Saral product line, inclusive of Saral New-to-Credit, Saral Use-to-Credit, and Saral Repeat, offers loan amounts ranging from INR 25,000 to INR 1,00,000, underpinning Arohan's commitment to inclusive financial solutions. With loan terms typically spanning 24 to 30 months, Arohan ensures flexibility and sustainability in its offerings, aligning with the evolving needs of its customers. Over the years, the Company has transformed its existing product range by strengthening the existing product dynamics, with the help of digitalisation, focused on customer experience, thereby increasing the tenure of the customer lifecycle with Arohan.

Micro-Enterprise Loan: MSMEs serve as the cornerstone of the Indian economy, representing a staggering 63 million micro-segment enterprises.

Acknowledging the immense market potential within this sector, Arohan, in FY 2023, had established a dedicated department: the Micro Enterprise Loan programme. This innovative initiative aims to address the vital working capital needs of micro enterprises by providing loans ranging from INR 50,000 to 5 lakhs, tailored to suit each customer's specific business requirements. Arohan stands out as the first NBFC-MFI to establish a dedicated credit team, aimed at providing an objective and robust underwriting process by the centralized Credit Department of the Company. Here, the process particularly focuses on underwriting for Higher Ticket Size Loan through video-based Personal Discussions. Presently, the service operates from 22 branches across various regions, with plans for further expansion in the near future.

Secondary Loan Products

Over the years, Arohan's Secondary Loan Product vertical has emerged as a robust platform for establishing a deep connection with customers and their families. Central to this endeavor is the strategic implementation of Cross Sell initiatives, which not only expands customers' access to a wide array of financial inclusion products but also strengthens Arohan's credit relationships and engagement with its clientele.

In FY 2024, the vertical witnessed substantial growth, marked by an expanded network of partnerships tailored to meet the diverse needs of customers. This expansion encompasses both financial products such as life and non-life insurance, as well as non-financial products, reflecting Arohan's commitment to holistic financial inclusion.

Cross Sell Business Model: Arohan's Cross Sell business model operates on the principle of enhancing customer touchpoints while concurrently elevating their standard of living. By diversifying operational risks and creating new revenue streams, Cross Sell initiatives

contribute significantly to the company's sustainability and growth. Facilitated by the innovative "ApnaBazaar" platform, Arohan seamlessly integrates Cross Sell into its customer interactions. Leveraging scheduled meetings with Customer

Service Representatives, innovative products to new and existing customers, adding value to their lives, and empowering them with the power of choice. Over time, Arohan has successfully fostered multiple linkages and engagements with customers and their families, catering to their evolving needs for both financial inclusion and non-financial products. This holistic approach underscores Arohan's dedication to empowering communities and fostering long-lasting relationships beyond mere financial transactions.

1. Financial Products

Arohan's approach to financial products epitomizes efficiency and customer-centricity. The onboarding process for insurance policies operates seamlessly in a fully paperless manner, complemented by cashless premium collection facilitated through deductions from the primary loan disbursement. Each customer enrolled in a policy receives a Certificate of Insurance (CoI) promptly, delivered via SMS with a compressed URL for easy access.

In the unfortunate event of a claim, Arohan stands by its customers' families, providing unwavering support. While the associated Insurance Company manages the claim process, Arohan ensures a smooth transition by facilitating the necessary information transfer to expedite claim closure. Leveraging an IT-based portal for raising Life Insurance claims not only streamlines the process but also minimizes the risk of information loss, thereby reducing Turnaround Time (TAT) for claim processing.

Through these streamlined procedures and proactive assistance, Arohan reaffirms its commitment to safeguarding the financial well-being of its customers and their families, ensuring a hassle-free experience even during challenging times.

Arohan's suite of financial Cross Sell products include:

Financial Safety Net Products: In order to ensure a financial safety net for its customers, Arohan offers life, general and health insurance products that are issued and underwritten by certain Insurance Companies with whom the Company has entered into tie-ups.

Group Term Life Insurance: With insurance coverage equal to the loan amount of the customer, in the unfortunate event of the death of the policyholder, this insurance allows the nominee to receive a sum insured under the policy minus the amount outstanding under the loan agreement at the time of death of insured. This ensures that the nominee is not burdened with the fulfilment of the outstanding loan amount. To safeguard the customer's family in such an unfortunate event, it is a useful product for Arohan's customers.

Health Insurance: Under Health Insurance options, Arohan's customers are offered Hospicash and Mediclaim Insurance.

Customers opting for **Hospicash** product are entitled to receive a hospital cash benefit, in the form of cash compensation against wage loss for each continuous and completed period of 24 hours of hospitalisation at any registered hospital due to sickness, for a maximum of 30 days per annum in a non-ICU bed (or for a maximum of 20 days per annum in an ICU bed). In the event of accidental death, the nominee receives an additional amount of INR 1,00,000 / INR 2,00,000. Customers opting for **Mediclaim** Insurance product are on-boarded to a family floater policy for hospitalization related costs, with a coverage of upto INR 50,000. Additionally, there is a daily Hospicash benefit of INR 500 and Personal Accident cover for Borrower & Co-Borrower of INR 1,00,000 each.

General Insurance: Under General Insurance options, Arohan provides the Dwelling Insurance Cover for Saral customers and Shopkeeper Insurance for MEL customers

Dwelling Insurance provides protection to 'Kuccha' and 'Pucca' houses against several types of natural calamities and damages. The coverage is valid for two years up to a sum assured of INR 25,000.

Shopkeeper Insurance provides insurance cover for physical loss or damage to, or destruction of, insured property (stock and structure) located in shopkeeper's premises. Depending on the product variant, cover for stock is upto INR 150,000 and for structure, it is upto INR 125,000. There is a burglary cover as well, of upto INR 2,75,000 and accidental death cover for Shopkeeper of INR 2,00,000.

2. Non-Financial Products

Arohan goes beyond financial solutions, offering customers access to a diverse array of utility products from reputable brands, available through

both cash transactions and flexible financing options. These products are carefully selected to enrich the lives and livelihoods of customers and their families, enhancing their overall quality of life.

Among the range of non-financial offerings are home and kitchen appliances, cutting-edge electronics, reliable consumer durables, and even bicycles, catering to various needs and preferences. Each product is chosen with the customer's well-being in mind, ensuring it adds tangible value to their daily lives.

Moreover, Arohan has established multiple models for sourcing and delivering these non-financial products, aligned to individual partnerships with third-party vendors. This adaptable approach ensures efficient procurement and seamless delivery, enhancing the overall customer experience and reinforcing Arohan's commitment to holistic empowerment. The models are listed below:

- **Stockist Model:** Through this model, an agent of the Business Partner ("Stockist") takes the responsibility of handing over the product to Arohan's customers at the point of demand generation.
- **Last-Mile Delivery Model:** Through this model, large consumer durables, and small home and kitchen appliance orders are delivered directly to the customer's doorstep at no extra charge.
- **Mela Model:** Through this model, small home and kitchen appliance orders are delivered in bulk to an assigned spot, like a fair gathering, near relevant branches associated with the customers on an assigned date and time.

Strategic outlook

Over recent years, Arohan has significantly enhanced the functionality of its ApnaBazaar platform, introducing a host of new features aimed at streamlining processes and enhancing user experience. These advancements include automated retrieval of customers' KYC documents and seamless eSignature integration, simplifying the order placement process and expediting loan application approvals. Furthermore, the platform now boasts auto-authentication methods such as OTP-based delivery confirmation for non-financial products, ensuring swift and secure transactions. Arohan has further optimized the platform by implementing end-to-end system-based policy validations, fostering alignment between policies and processes across primary and secondary loan products. This harmonization enhances operational efficiency and ensures a seamless experience for both customers and internal stakeholders.

With a keen focus on meeting the evolving needs of its customers, Arohan introduced several new products and services in FY 2024. These include pioneering initiatives such as the Arohan Suraksha Kawach Mediclaim Insurance, tailored specifically for microfinance customers. Additionally, products like Hospicash cater to the unique needs of Micro Enterprise Loan and Privilege segment customers, while the inclusion of 5G smartphones in the product lineup further diversifies Arohan's offerings.

Expanding its reach, Arohan has extended its eBazaar product line to new regions like Nagpur, enhancing accessibility and choice for customers. Through continuous improvements in customer experience and service delivery processes, Arohan remains steadfast in its commitment to boosting customer satisfaction and retention rates, ensuring a lasting and mutually beneficial relationship with its clientele.

Looking ahead, Arohan is poised to elevate its Cross Sell business, aiming to onboard a broader customer base while diversifying its product and service offerings to enhance customer satisfaction and operational efficiency. A pivotal step in this direction is the acquisition of its Corporate Agent license from IRDAI, empowering Arohan to extend a wider array of insurance products to customers while streamlining associated transactions with both customers and insurance partners.

In line with its evolving insurance marketing strategy, Arohan is exploring innovative approaches such as offering insurance products as post-disbursement cashless offerings. This strategic shift not only enhances customer lifetime value but also aligns with Arohan's commitment to delivering a seamless and value-driven experience throughout the customer journey.

Furthermore, Arohan is actively researching methods to facilitate cashless payments for policy renewals and implementing a Claim Portal for Non-Life Insurance, thereby enriching the overall customer experience. This customer-centric approach underscores Arohan's dedication to continuously improving customer experience at every touchpoint.

Lastly, in its commitment to sustainability, Arohan is exploring the solarization of branches as part of its efforts to minimize the organisation's carbon footprint. By embracing renewable energy solutions, Arohan reaffirms its commitment to environmental responsibility while contributing to a cleaner and greener future for all.

DIFFERENTIATOR MODELS, FOR ENHANCED CUSTOMER EXPERIENCE

ArohanPrivilege Digital lending

Arohan remains steadfast in its commitment to innovation and excellence, continually striving to enhance its reach and serve customers more effectively. A significant milestone in this pursuit was the introduction of ArohanPrivilege, a ground breaking Digital Lending offering for microfinance customers, marking a historic first in the industry during FY 2023.

At the core of ArohanPrivilege lies a bold vision: Any Customer from Any Geography is able to avail of Arohan's Microfinance Loan and Repay it Digitally On Time. By the end of FY 2024, ArohanPrivilege had successfully extended its services to over 30,000 active customers, managing an outstanding portfolio worth INR 144 Cr.

ArohanPrivilege Digital Lending stands as a testament to Arohan's commitment to innovation and its ambitious Vision 2028 of impacting 28 million lives. Tailored as an alternative channel, this service caters specifically to customers with a proven track record of timely repayments, empowering them with swift and convenient access to financial assistance.

The advantages for ArohanPrivilege customers are manifold:

- Quick disbursement of funds within minutes of a successful loan application.
- A seamless user experience facilitated by intuitive interfaces.
- Convenience of applying from the comfort of one's home, eliminating the need for group formations or centre meetings.
- Elimination of wage loss associated with visiting branch offices or centres.
- Flexibility to select loan amounts and tenures that suit individual needs.
- Choice of repayment schedules tailored to customer preferences.

Debt Receivable Department

In FY 2024, Arohan continued its strategic approach to managing overdue accounts through its Debt Receivable Department, enhancing existing practices and pioneering new methodologies for more efficient and effective handling of NPA accounts.

With a structured approach led by 3 Divisional Receivable Managers (DRMs), supported by over 70

Cluster Receivable Managers (CRMs), and bolstered by a Central Strategy Team, along with a dedicated force of over 900 Receivable Executives (REs) on the frontline, Arohan achieved significant success in debt recovery. Notably, in FY 2024, Arohan successfully recovered a total of INR 140 Cr, with an impressive 60% of this amount, totalling INR 84 Cr, retrieved from previously written-off accounts.

This achievement represents a remarkable 25% increase in recovery compared to the previous fiscal year, underscoring Arohan's commitment to continuously improving its debt recovery processes and delivering tangible results.

To achieve such numbers, Arohan put into practice the following broad strategies and initiatives to connect with customers and ensure recoveries:

Field Strategy

- **Customer Household Visit and Promise to Pay (PTP):** Arohan's cadre of Receivable Executives is focused on establishing connect with the identified pool of customers, educating them on the importance of good credit discipline and collecting repayment, or ensuring payment commitments through Promise to Pay (PTP) dates.
- **Recovery Scorecards:** Consistent customer calls and visits are prioritized with the aid of customer-level Recovery Scorecards which have been developed on the basis of collection trails, payment history, delinquency, and the on-us & off-us performances of our customers.

Legal Strategy

Soft Reminder Letters are handed over to certain customers as a soft warning to them to repay to avoid any legal action in the future. In case of no response from the customers, Legal Notices through Advocates are also sent. Another dispute redressal mechanism

that the Company proactively used in FY 2024 to ensure recoveries through settlements are the Local and National Lok Adalat drives. Through these legal interventions, the Company has recovered INR 20 Cr+ in FY 2024 which is 8 times more than the previous fiscal.

Other Key Recovery Initiatives:

Sandhi Settlement Scheme: To maximize recoveries from written-off accounts, Arohan launched the Sandhi Scheme in February 2021, offering such customers a one-time settlement (OTS) opportunity on the basis of a pre-defined settlement matrix.

Recovery through Sandhi stood at INR 35 Cr as on March 31, 2024 compared to INR 6 Cr as on March 31, 2023, and INR 1.30 Cr as on March 31, 2022.

Approximately 22,000+ loans were settled through this scheme in FY 2024 alone, compared to 1500+ in FY 2023 and 495 in FY 2022.

Conversational Voice Bot: In FY 2024, Arohan introduced generative AI-driven conversational voice bots, targeted at a select group of customers. These innovative voice calls by "Arohi", the Company's first Bot Employee, serve to gauge customers' intentions regarding repayment or settlement of their overdue accounts. By following up on recorded Promise-To-Pay (PTP) dates, Arohan has ensured more targeted recovery efforts in a shorter timeframe. This proactive approach has yielded significant results, with approximately INR 5 Cr recovered through this initiative. Notably, 75% of this recovery has been attributed to customers who were either not paying or have made only negligible payments previously. This underscores the effectiveness of leveraging advanced technology to engage with customers and drive positive outcomes in debt recovery efforts.

Dista, AI-based Field-Force Management Software: Arohan replaced the earlier 'SpotWays' app with 'Dista' app to help ease the daily operations of its Recovery Executives, maintain trails and reach the difficult customers conveniently. Thus, aiding recovery efforts in a big way by expanding coverage of the identified customer pool. The app captures disposition codes that were appropriately acted upon. In addition, the effective monitoring features of the app, used by the supervisors have helped improve overall efficiency significantly.

Use of Collection Agency: In FY 2024, Arohan collaborated with three Collection Agencies to take care of a certain portion of the portfolio, allowing the internal team to focus more effectively on less delinquent and contactable customer pool. The contribution from three such collection agencies has been approximately INR 16 Lakh in FY 2024.

MFI ALLIANCES BUSINESS & OPERATIONS

Arohan stands out among NBFC-MFIs for its unique approach in extending loans to smaller MFIs for the development of microfinance portfolios, ranging from INR 1 Cr to INR 25 Cr in term loans. Additionally, it pioneers exclusive Sourcing & Collection ("S&C") arrangements with other microfinance institutions, facilitating portfolio growth. In this arrangement, Arohan partners set up dedicated branches to extend microfinance loans and manage repayments. The loans are written on Arohan's books, while the partners are granted a share in interest collections—a mutually beneficial setup fostering growth without capital outlay.

Through this vertical, Arohan collaborates with MFI partners across its operational areas, extending credit to customers in remote areas and supporting grassroots institutions with financial, technological, and operational expertise. Arohan's leadership in this space not only ensures continued access to credit for

underserved communities but also empowers local institutions through tailored consultations and training initiatives, fostering a sustainable ecosystem.

Arohan adopts an innovative Inorganic business model, leveraging non-qualifying space from its Term Loan product while enriching its qualifying book through Sourcing & Collection relationships. Direct Assignment agreements further enhance geographical diversification and bolster Arohan's quality loan book. In FY 2024, Arohan has expanded its footprint through three direct assignment deals with microfinance partners, enhancing liquidity for sellers and extending its reach into new markets. This strategic approach underscores Arohan's commitment to fostering financial inclusion while maintaining a robust growth trajectory.

COMMITMENT TO CUSTOMER CENTRICITY

At Arohan, prioritizing the evolving needs and behaviors of our customers is ingrained in our ethos. The Company continuously analyses customer trends and adapts processes and services accordingly, reflecting our unwavering commitment to Customer Centricity. Safeguarding and advocating for the interests of our customers is not just a priority but a cornerstone of our strategy for sustainable growth.

Arohan's dedication to customer-centric practices has been validated through its achievement of the Gold Standard of Client Protection Principle (CPP) certification. Arohan has excelled by meeting an impressive 99.1% of the indicators set forth by CERISE & SPTF. As per the awarding committee, "the GOLD level is the highest level of achievement and signifies that the certified institution meets the most rigorous standards of client protection found in the Universal Standards for Social Performance Management."

Empowering Customers through Actionable Insights

Arohan leverages cloud technology to extract invaluable insights into customer satisfaction through its Customer Insights function. Serving as a centralized hub for addressing all customer queries and concerns, this function plays a pivotal role in ensuring swift and effective resolution.

Powered by a cloud-based Customer Relationship Management (CRM) system, Arohan efficiently routes and resolves queries within defined timelines, bolstering customer satisfaction. As the custodian of Arohan's Customer Grievance Redressal mechanism, the function operates in strict adherence to guidelines set forth by the Micro Finance Industry Network (MFIN), the Self-Regulator Organisation, and the Reserve Bank of India.

With a relentless focus on enhancing Customer

Experience (CX), the Customer Insights function remains dedicated to fostering meaningful interactions and addressing customer needs promptly and effectively.

Streamlined Grievance Redressal Mechanism

Arohan has enhanced its Customer Grievance Redressal Mechanism by implementing a Directly Responsible Individual (DRI) assigned to each grievance received. This strategic initiative has significantly reduced the average Turn Around Time from 15 working days in FY 2023 to just 6 working days in FY 2024, ensuring prompt resolution of customer concerns.

Moreover, Arohan has introduced Escalation levels 1 and 2 to further expedite the resolution process. In cases where a complaint is not resolved by the designated DRI within the stipulated timeframe, it is automatically escalated for priority resolution, ensuring that no customer grievance goes unresolved. This proactive approach underscores Arohan's commitment to delivering exceptional service and addressing customer concerns with urgency and efficiency.

The key principles of Arohan's Grievance Redressal Mechanism are:

- Customers shall be treated fairly at all times.
- Complaints raised by customers are dealt with courtesy and without undue delay.
- To enlist various types of convenient modes through which customers can register complaints.
- To define escalation levels in case a customer's complaint is not addressed at all or was not addressed satisfactorily.
- Customers are fully informed of avenues to

escalate their complaints/grievances within the organisation and their rights to alternative remedies if they are not fully satisfied with the response of the Company to their complaints.

- All complaints are to be dealt with efficiently and fairly as otherwise, they can damage the reputation and business of the Company.
- Arohan's employees would work in good faith and without prejudice in the best interest of the customers.

Inbound Process: The backbone of Arohan's Customer Grievance Redressal Mechanism, the Inbound Process, serves as a robust platform for addressing customer concerns with utmost priority and efficiency. Arohan goes the extra mile by offering multilingual Customer Care Service, ensuring seamless communication for all customers.

When a complaint or query is received, it is initially handled by either the Customer Service Representative or the Branch Head. Should the issue remain unresolved, customers have the option to escalate it to Arohan's Customer Care Helpdesk via the toll-free number 1800 103 2375. Here, a structured escalation matrix is promptly activated, leading the grievance through various levels until it reaches the Grievance Redressal Officer.

An integrated workflow-based routing system ensures that each case is efficiently managed, with prompt follow-up actions taken to achieve resolution. This proactive approach underscores Arohan's unwavering commitment to addressing customer concerns comprehensively and in a timely manner, reinforcing trust and satisfaction among its valued clientele.

Outbound Process: Utilizing its Outbound Process, Arohan's Customer Insights vertical actively engages with customers to gain a deep understanding of their needs, all while upholding the highest standards of customer centricity and integrity.

Surveys are conducted with meticulous attention to detail, covering various aspects including loan sourcing, customer satisfaction, overdue accounts, dropout rates, and cross-selling opportunities.

Additionally, targeted samples are utilized for need-based surveys, allowing for a deeper understanding of customer insights and preferences.

Moreover, Arohan extends a warm welcome to newly onboarded customers post disbursement, seeking feedback and sharing critical information to ensure a smooth customer journey. In cases where customers have missed their repayment dates, the department steps in to assist them in generating a 'Promise to Pay' (P2P) date. This proactive approach allows the field team to visit customers for EMI collection on the promised date, thereby enhancing collection efficiencies.

These initiatives collectively contribute to Arohan's commitment to providing exceptional customer experiences while also bolstering the Company's operational effectiveness in FY 2024.

Integrated WhatsApp Chatbot Service: Arohan continues to elevate its customer support capabilities by integrating WhatsApp Business Account into its suite of inbound processes. This strategic move is aimed at enriching Customer Experience (CX) through streamlined communication channels.

The integrated WhatsApp Chatbot service enables efficient handling of multiple customer queries simultaneously, significantly improving response times and overall customer satisfaction.

Furthermore, leveraging the platform for sending reminders, alerts, notifications, and updates empowers Arohan to proactively engage with customers, keeping them informed and enhancing their overall experience.

RATINGS & GRADINGS

The following rating and grading upgrades reinstate Arohan's stance taking its business approach of a sustainable and scalable operational model from strength to strength.

- **CARE MFI 1 Grading:** Arohan retains the highest-rated MFI 1 grading from CARE Ratings for the seventh consecutive year in its assessment held in FY 2024. The grading is assigned on an 8-point scale with MFI 1 being the highest, enabling

Arohan to retain its position among the choicest MFIs in India.

- **Code of Conduct Assessment (COCA):** Arohan retains the highest-rated C1 grading for the sixth consecutive year. The top-notch grading has been awarded to Arohan by CARE Advisory Research and Training Limited (CareEdge Advisory). The score of 95% have been earned on indicators concerning Transparency, Client Protection, Governance, Recruitment, Client Education, Feedback & Grievance Redressal, and Data Sharing.
- **Social Rating:** Arohan has been awarded an Alpha Grading and Rating Outlook as Positive in its Social Rating under the CERISE SPI4 tool methodology by MCRIL, based on an assessment conducted in the month of June 2022. The grading is assigned on an 8-point scale with a score of 89%. Valid for two years, the grading reflects Arohan's "Strong social commitment, very good systems, evidence for good adherence to social mission and values" as per the report. This is the first time that Arohan has conducted its Social Rating through the CERISE SPI4 tool (International Standard), which is a social performance audit tool to help financial service providers achieve their social mission.

Enhancing Efficiency, Benefiting customers through rate optimisation

Arohan's robust liquidity and capitalization fortify the Company, instilling confidence among its shareholders. This solid financial position enables Arohan to secure borrowing at favorable rates, subsequently extending these benefits to its customers. By prioritizing the needs of our customers, who form the bedrock of the socio-economic pyramid, Arohan remains steadfast in its commitment to fostering financial inclusion and empowerment.

FY 2024 has been a significant year for Arohan with Total Asset and Gross Loan Portfolio at INR 8,115 Cr and INR 7,112 Cr respectively. Arohan closed FY 2024 with the following key financial results:

- Total Revenue stands at INR 1,635 Cr.
- Pre-Provisions Profit before Taxes stands at INR 591 Cr, reflecting strong business model fundamentals.
- Improved earnings along with an increase in Equity Capital base have resulted in healthy CRAR at 29.01%.
- The Company's Net Worth stood at INR 1,915 Cr.

While Arohan's branch network grew from 829 in FY 2023 to 975 in FY 2024, its employee strength grew by 16%, from 8,030 in FY 2023 to 9,333 (excluding apprentice) in FY 2024. The Company ensured a comfortable fund position throughout the year to support its business. As on March 2024, the borrowing outstanding was close to INR 6,015 Cr.

An analysis of the Company's financial performance for FY 2024, as compared to the previous year, is given below:

INCOME STATEMENT ANALYSIS

Revenue

Break-up of Revenue for FY 2024

Revenue has grown by 50% from FY 2023 to FY 2024 which was mainly due to the growth in average AUM during the current financial year over the previous financial year.

Expenditure

Interest expenses have increased by 26% y-o-y in line with an increase in borrowings. With the employee count increasing from 8,030 in FY 2023 to 9,333 in FY 2024, employee costs also increased from INR 246 Cr in FY 2023 to INR 325 Cr in FY 2024 showing a 32% increase over the previous year. The administrative costs have increased by 37% from the previous year due to increase in business volume.

Ratios	FY 2023-24	FY 2022-23	Variance
Yield	23.87%	20.38%	17.12%
Finance cost	11.70%	11.62%	0.69%
Qualifying assets	78.95%	78.76%	0.24%
Opex	7.44%	7.25%	2.62%
CRAR	29.01%	28.74%	0.94%
Leverage	3.14	3.39	-7.37%

BALANCE SHEET ANALYSIS

Loan Portfolio

Arohan recorded a 33% growth in the Gross Loan Portfolio from the previous year and crossed the 7000 mark at INR 7,112 Cr.

Net Worth

Outstanding borrowing and Net worth have been increased by 33% & 44% in FY 2023-24 over FY 2022-23 due to growth in business and increased capital base respectively.

FUNDING FOR BUSINESS GROWTH

FY 2024 witnessed significant changes in the growth of the microfinance industry supported by increased confidence of lenders and investors in the sector and a stable outlook view from the rating agencies. The debt funding in FY 2024 is 29.1%, higher than FY 2023 (source: Micrometer, Issue 49); similarly, strong performance and stable outlook of the sector has helped the industry to borrow at relatively lower rate (weighted average cost of fund decreased to 11.1% for borrowing outstanding as of March 31, 2024 as compared to 11.8% as of March 31, 2023 (source: Micrometer, Issue 49).

Managing Liquidity

The key underlying principle for Arohan's fund raise activity is to leverage the Company's financial and operational position to maintain sufficient funds and to lower the cost of borrowings. The Company started FY 2024 by raising equity in CCPS of INR 66 Cr from FMO in April 2023 and of INR 200 Cr from IFU in May 2023. The equity infusion along with better portfolio quality aided in upgrading the credit rating of the Company from both the rating agencies i.e. ICRA & CARE in FY 2024. Leveraging the above conditions of change in rating outlook, business performance and portfolio quality, the Company improved debt to equity ratio from 3.39 in FY 2023 to 3.14 in FY 2024; while overall raising a fund of INR 5,207.69 Cr from the market in FY 2024.

The above factors aided the Company to continue diversifying its lender base in FY 2024 and to borrow from various lenders including PSU, Private Banks, NBFCs, Foreign Financial Institutions, etc. increasing the total number of lenders to 49 as compared to 38 in FY 2023. Overall, the Company borrowed INR 5,208 Cr from the market in FY 2024. Some prominent lender relationships are State Bank of India, SIDBI, IDFC First Bank, Standard Chartered Bank etc. During the current financial year, Arohan successfully re-established new lender relationships with leading banks including DBS Bank, DCB Bank, Yes Bank, Vivriti Finance, HDFC, Axis Bank, ICICI Bank etc.

Additionally, the Company also raised funds through structured debts to maintain our cost of borrowing without compromising on liquidity. The Company executed partial recourse transactions (PTC), as well as non-recourse transactions (Direct Assignment) of a total INR 1118.12 Cr in FY 2024 as compared with INR 1531 CR in FY 2023. Arohan raised INR 208 Cr of Non-Convertible Debenture (NCD) from FMO.

The Company has reported a healthy Capital Adequacy Ratio of 29.01% as on March 2024. Arohan's Cash and Cash Equivalent and other

Bank Balances as of March 31, 2024 was INR 1,267.61 Cr, excluding undrawn sanctions of INR 1,038 Cr. Further, the Liquidity Coverage Ratio (LCR) as of FY 2024 end was reported at 843%.

The graph below depicts our borrowing mix as of March 31, 2024

CREDIT RATING

Arohan has attained a dual credit rating, showcasing its remarkable strides in enhancing portfolio quality, expanding its business footprint with new branches, and diversifying its portfolio. As a testament to its robust performance, both CARE and ICRA have elevated the company's rating to 'A' with a Stable outlook in the fourth quarter of FY 2024. This marks a significant achievement, with two upgrades accomplished in the financial year – first, an outlook enhancement and second, a rating upgrade.

Furthermore, Arohan has secured the prestigious MFI-1 grading from CARE Advisory Limited, the highest accolade in its category. This distinguished rating underscores Arohan's unwavering commitment to transparency, financial prudence, operational sustainability, and the adoption of scalable processes. It reaffirms Arohan's position as a leader in the industry, poised for continued growth and success.

Way forward for FY 2025

To facilitate robust growth and expand our business horizon, the Company plans to raise approximately INR 8000 Cr in debt capital through various instruments such as Term Loans, External Commercial Borrowings (ECB), Direct Assignment, and Securitization. This infusion of capital will provide the necessary financial impetus for our anticipated growth in FY 2025.

In tandem with our growth projections, the Company aims to bolster our rating outlook and optimize borrowing costs. By maintaining a proactive approach to financial management, the Company seeks to further solidify our financial standing and enhance investor confidence.

Moreover, it is the Company's strategic focus to diversifying investment avenues. To this effect, the Company aims to continue to exploring opportunities across different fixed-income securities and money market instruments, aligning our investment strategy with our overarching goal of maximizing returns while mitigating risks.

Pioneering Lending Solutions, Enhancing customer experience and lifecycle

Arohan leverages cutting-edge, data-driven technology and agile methodologies to swiftly address customer credit requirements, often providing solutions within minutes. This approach empowers the Company to seamlessly scale and sustain its operations through predictive systems and AI-driven automation. Arohan's continuous investment in technology ensures that our customers receive the highest level of efficiency and service excellence.

Arohan distinguishes itself in the financial inclusion landscape through its steadfast commitment to technology-driven solutions, boasting a cutting-edge infrastructure that sets industry benchmarks. This strategic investment has consistently positioned the Company as a leader in growth, operational efficiency, and innovation. Arohan's pioneering use of technology has garnered widespread acclaim, culminating in prestigious accolades. Notably, in FY 2024, the Company was awarded the Order of Merit from SKOCH in Innovation in Lending for *ArohanPrivilege Digital Lending*, Solution in Lending for *Nirnay*, and Solution in Financial Inclusion Programme for *Apna Arohan Customer App*.

EMBRACING A COMMITMENT TO DATA EXCELLENCE

Arohan leverages cutting-edge technology as an essential tool for upholding premier standards of customer service and operational efficiency, while safeguarding and optimizing data for enhanced processes. Throughout FY 2024, our primary focus has been on driving continual enhancements within

our systems and streamlining business processes through automation, aimed at boosting efficiency and optimizing operational costs. Arohan proudly holds the prestigious certification from the esteemed British Standards Institution (BSI) for our Information Security and Management Systems.

This certification serves as a testament to our adherence to the international standards outlined by ISO/IEC 27001:2013, ensuring the meticulous management of information security and systems across various domains including Human Resources, Administration, Finance, Risk, Credit, Internal Audit, Information Technology, Central Hub, Central Operations, as well as Legal and Compliance. It underscores our unwavering commitment to maintaining the highest levels of information security and management excellence.

Digitalised operational workflows

Streamlining operational excellence is at the core of Arohan's mission to serve approximately 2.5 mn customers' credit needs. Our robust IT infrastructure currently captures an extensive array of data points—over 300 per customer—and facilitates a staggering volume of transactions, averaging over 3,00,000 daily, through our reliable Loan Management System.

To empower data-driven decision-making, Arohan has strategically developed a comprehensive Data Warehouse tailored for business intelligence and analytics. This initiative has yielded dynamic dashboards and insightful reports accessible to both field personnel and management, bolstering operational efficiency and fostering informed strategies.

At the core of our mobile-first approach is the provision of mobile or tablet devices to all field employees, ensuring seamless virtual connectivity with customers regardless of external circumstances. Moreover, Arohan has embraced a Bring Your Own Device (BYOD) policy, granting employees the flexibility to leverage their personal mobile devices for work purposes.

Arohan's prudent investments in information technology have culminated in an array of automated and digitalised platforms and tools, amplifying the efficacy of our operational processes. Leveraging cloud technologies extensively enables us to maintain robust customer engagement and drive employee productivity. **Among the cornerstone tools and platforms deployed by Arohan, both presently and in our future trajectory, are:**

- **Profile:** A Core Banking System from FIS to manage the overall lending business and strengthen the company's back-end systems. Being the first NBFC-MFI to be on a Core Banking System, as dynamic as Profile, enables Arohan to undertake and manage volume like no other in the industry.
- **MeraArohan:** A proprietary all-in-one suite of mobile applications, in line with the vision of 'Digital Arohan,' which enables all core business functions and other non-core activities to be digitally executed. MeraArohan covers all facets of Loan Origination, Repayment and Recoveries, Cross Sell marketplace, Internal Audit system, Field Monitoring application, Document Management System, and many more module spanning every aspect of operations and business support.

- **ApnaArohan:** Arohan further enhanced the capabilities of its customer-facing mobile app, ApnaArohan. The App facilitates for a select group of customer the facility of getting a loan within 10 minutes after a successful loan application through ArohanPrivilege, an industry-first digital loan sourcing platform. Apart from digital lending capabilities, the app is equipped with regional language facilities for millions of customers across geographies and allows the customer to view information on their loan ledger, and check eligibility for more loans, products, insurance details, etc. The app also provides them with access to the various Cross Sell products, offers an additional platform for grievance redressal, and connect with our field officers using voice or text-based features. The app is available for all the states where we have our own brick & mortar branches.
- **Prismatic:** Arohan uses CRIF High Mark's "Prismatic" data analytics for its area selection process when expanding into new geographies.
- **Diligent:** A comprehensive corporate governance software that manages all board-related activities in a paperless, transparent, and timely manner. This has led to reduced usage of and dependence on physical documents, ultimately increasing security and reducing turn-around time as well as costs.
- **Nirnay:** A credit scoring model, in partnership with CRIF's digital decisioning platform, "StrategyOne," which is customizable and supports streamlining of lending processes and controlling credit risk. With the help of selected technology vendors, the Company has built a technology platform that helps it maintain consistent levels of customer service, enhance operational efficiencies and create sustainable advantages for the organisation.

Seamless Digitalisation of Customer Lifecycle Management

Arohan's steadfast embrace of digital service delivery mechanisms not only positions the Company as future-proof but also enhances operational efficiency, enabling more robust data analytics that drive targeted customer profiling and personalized product offerings with risk-based pricing, ultimately leading to heightened customer satisfaction. The integration of technology into the Company's loan lifecycle spans from branch area selection to loan origination, data validation,

quality assurance, and repayment monitoring.

- To expand into new territories, Arohan utilizes analytics from CRIF High Mark to assess various business factors such as portfolio quality and market competition.
- The loan origination process is facilitated through 'meraArohan,' which enables real-time credit bureau checks for customer indebtedness, provides automatic guidance on maximum loan amounts, and allows for the upload of customer KYC documents. 'meraArohan' also conducts Group Recognition Tests, a crucial step before onboarding.
- All sourced files and digital documents undergo rigorous quality checks at the Central Hub.
- After successful quality check at the Central Hub, a penny-drop test verifies the active status of the customer's bank account for authentication purposes.
- Customers initiate KYC authentication through the e-signature facility, an integration that streamlines the onboarding process. The e-signed loan documents, along with geo-tagging of customer locations and liveliness image checks, ensure a legally compliant audit trail, saving time and optimizing cost and efficiency.
- Field employees of Arohan conduct Loan Utilization Checks through the 'meraArohan' platform post cashless loan disbursement.
- The entire loan cycle is managed using 'Profile,' Arohan's Core Banking System from FIS, a global Fortune 500 company.
- Real-time repayment and customer attendance monitoring at centre meetings are facilitated through the 'meraArohan' app.
- Digital repayments are enabled through partnerships with various banks and fintech institutions. Arohan has also collaborated with Airtel Payments Bank Limited and Spice Money Limited, allowing customers to repay loans in cash at nearby merchant outlets. Various digital payment modes, including QR codes on loan cards, AEPS, Credit/Debit Cards, digital wallets, UPI, BBPS, and cash drop points, offer customers convenient and secure repayment options without relying on physical currency.

Another significant stride towards digitalization is the adoption of a cloud-based Customer Relationship Management (CRM) system. This transition ensures the seamless operation of Arohan's

Customer Insights Department during lockdowns, effectively addressing customer queries within specified timelines. The system also automates query routing to employees proficient in the customer's language, enhancing the overall customer experience.

Promoting Ethical and Sustainable Technology Practices

At Arohan, we advocate for the safe, respectful, and ethical engagement with technology. Moreover, we take responsibility for environmentally-friendly recycling and disposal of our end-of-life digital products. Committed to environmentally sound practices, we ensure proper disposal of retired IT assets in accordance with the guidelines set forth by the Pollution Control Board for e-waste management.

Looking ahead, Arohan is set to make substantial investments in Artificial Intelligence tools as part of our ongoing efforts to enhance digital capabilities. This initiative aims to elevate customer experiences and further optimize operational efficiency through technology. Arohan has consistently led the charge in digital transformation within the microfinance industry. With our mobile-first approach, cloud-based CRM system, cashless transactions, data warehouse, e-signature facility, customer facial recognition, and commitment to environmentally responsible practices, we've not only improved customer experiences but also streamlined operations. This positions our organisation as a trailblazer in shaping the future landscape of a digital-first financial inclusion leader.

Safekeeping the Trust, Ensuring Quality and Process Adherence for Operational Excellence

Arohan's steadfast dedication to prioritizing quality over quantity lies at the heart of its operational ethos. Embodied in its distinguished quality trinity of Credit Underwriting, Risk Management, and Internal Audit, these pillars serve as the Company's guardians of excellence. They not only navigate the challenges presented by an ever-evolving macro and micro-industry environment but also ensure that Arohan achieves unparalleled operational prowess

Arohan's sincere commitment to maintaining quality of the built-up business portfolios developed through its diversified products and delivery models rendered satisfactory financial markers in FY 2024. The three-pronged approach to ensuring Quality through Credit-Underwriting, Risk Management, and Internal Audit allows a safe and robust playground for the business to grow in a steady and stable manner.

CREDIT UNDERWRITING

Arohan's Independent Credit function stands as a bulwark, fortifying underwriting processes with an unwavering commitment to quality, right down to the last mile. Tasked with managing the credit quality of a diversified business model encompassing both Organic and Inorganic verticals, the Credit function of the Company ensures robust risk management and sustainable growth.

Organic Credit

The Organic Credit function at Arohan operates with the objective to reduce probability of default by developing suitable Credit Underwriting Policies,

Processes and Strategic Interventions, categorised under Credit Policy Formulation and Credit Administration.

1. Credit Policy Formulation:

Credit Policies are the core guiding principles that balances the aspirational goal of business growth and the risk appetite of the Company. The Credit Policies are applicable in three layers – I) Customer Level, II) Market or Branch Level, and III) Product Level.

I. Customer Level: At the Customer Level, Arohan meticulously evaluates a borrower's repayment capacity by scrutinizing household income, expenses, existing loan obligations, credit history, and past repayment behaviour. Loan decisions adhere primarily to RBI guidelines, supplemented by internal benchmarks subject to periodic review.

II. Market or Branch Level: At the Market or Branch Level, strategic expansion decisions into new territories or consolidation efforts in existing ones are informed by comprehensive secondary data analysis, including industry-specific insights down to pin code levels. Concurrently, Arohan

monitors operational performance indicators such as Early PAR, 12-month PAR, and overall PAR at branch levels to pinpoint geographic challenges like the presence of ring leaders, high migration localities, high default concentration, and vulnerability to natural calamities.

III. Product Level: Operating at the Product Level, Arohan tailors distinct financial products to cater to diverse client profiles based on income levels, occupation types, and credit histories. For instance, Saral Loans target low-income female borrowers, Micro Enterprise Loans support small entrepreneurs regardless of gender, and Privilege Loans cater to seasoned customers with robust credit histories. Each product is accompanied by specific eligibility criteria and credit policies, ensuring a nuanced approach to risk assessment and portfolio diversification aligned with the Company's strategic objectives.

The Credit Committee of Arohan is the ultimate custodian of the credit policies which are formulated through multiple levels of deliberations and participations of the key stakeholders.

2. Credit Administration:

Application of the Credit Policies are done in two ways – I) Technology supported Rule Engine and II) Physical Processes at the field level.

I. Technology-Enabled Rule Engine: Each product is governed by a distinct set of credit policies meticulously designed to evaluate loan applications. These product-specific policies, including key parameters and benchmarks, are seamlessly integrated into our Loan Origination System (LOS), accessible via handheld devices used by field officers. Real-time decision-making capabilities provided by the rule engine empower field officers to conduct personalized discussions with applicants, leveraging insights gleaned from the LOS.

II. Field-Level Physical Processes: Given the inherent challenges in verifying income or savings proofs among microfinance borrowers, Arohan employs rigorous physical verification methods. This includes on-site visits to residences or workplaces, as well as mandatory Personal Discussions. These processes are essential for gathering critical information concerning cash flow, occupational stability, and the applicant's social standing.

Expansion and Portfolio Concentration Risk Mitigation: Arohan's expansion initiatives adhere to a meticulously crafted Standard Operating Procedure (SOP) known as "Vistaar." These initiatives are the outcome of thorough deliberation among

stakeholders, ensuring a structured approach to geographical expansion. Moreover, Portfolio Concentration is subject to monthly review, with actions taken in accordance with board-approved limits to mitigate concentration risks.

Inorganic Credit

The Inorganic Credit function at Arohan follows a well-defined credit appraisal process aligned with the Inorganic Credit Policy, sanctioned by the Credit Committee. These policies delineate appraisal standards, encompassing both quantitative and qualitative parameters, and provide guidelines for various financial products such as Term Loans, Direct Assignments, and Sourcing & Collection. Working in concert with underwriting, field, and relationship teams, the Inorganic Credit Team executes these policies under the oversight of the Credit Committee.

The borrower risk is evaluated by considering the following:

- The risks and prospects associated with the industry
- The financial position of the borrower by analysing the quality of its financial statements, its past financial performance, its financial flexibility in terms of ability to raise capital, and its cash flow adequacy
- Geo-concentration of the borrower
- PAR movements & quality evaluation using key delinquency metrics
- Collection efficiency movement & validation with bank statement
- The borrower's relative market position and operating efficiency
- The quality of management by analysing their track record, payment record, and financial conservatism.

Additionally, for Direct Assignments (portfolio purchases), the Inorganic team adheres to RBI-approved policies. The team also monitors the portfolio quality of Micro Enterprise Loans and MFI Alliances. Regular updates are provided to the management and the Board regarding all pertinent developments.

RISK MANAGEMENT

The Risk Management function at Arohan continues to play an enhanced role in risk mitigation across all functions in the Company, in the light of the changing business and economic environment, as well as expectations from Stakeholders and Regulators. The Business & Risk strategies that were deployed appropriately, enabled Arohan to remain well-prepared for facing and mitigating challenges throughout the financial year of FY 2024.

The Risk Management function of the Company is led by the Chief Risk Officer (CRO) and has independent reporting to the Risk Management Committee of the Board of Directors, headed by an eminent Independent Director, with regular administrative guidance from the Managing Director of the Company.

On the backdrop of the implementation of Risk-based pricing in FY 2023, Arohan has cleaned up the past's stressed assets and returned to "Net NPA Zero" status of Pre-COVID times. Careful strategic planning and execution over the past few years is reflected in the overall performance of the Company and is also a testimony of the Risk resilience built into the organisation.

The MFI sector has largely recovered from the impact of COVID-19. However, aggressive growth in certain quarters in the microfinance sector has had an impact on the Industry portfolio quality trends, especially for a few large lenders. The sector on the overall, remains stable & resilient with occasional nudge from the Reserve Bank of India for interest rate moderation in certain quarters in the current free risk pricing regime.

Capital raise(s) from marquee investors, Credit Risk pricing and strategic planning deployed for spreading out the financial impact of the pandemic across the three financial years, within the regulatory and statutory domains, have ensured that Arohan emerged in much better health in FY 2024.

Risk Analytics & Practices

In FY 2024, Arohan worked on further strengthening its Incisive Risk Analytics, enhancing capabilities using various statistical tools, large data processing software, and visual analytic tools such as Python, R, and Tableau. This reinforces the position of Arohan's risk management unit to provide sector-leading, critical, rationale-driven business intelligence inputs to the management and the stakeholders. Such inputs and insights enhance the Company's strategic planning capabilities and provide key actionable for the Management. Arohan has acquired the license of a machine learning based modelling platform, Design Studio, which will leapfrog Arohan's existing in-house capabilities & deep domain knowledge of statistical modelling, predictive & forecasting expertise.

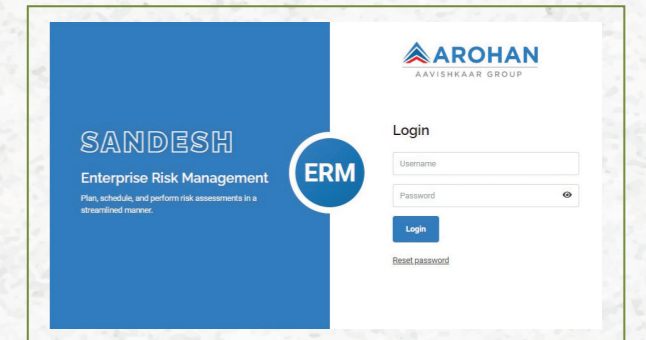

Credit Risk Management: Arohan's 'NIRNAY 1.0', the MFI sector's first credit acquisition scorecard which was deployed in April 2022 has been taken up for renewal & refresh with "NIRNAY 2.0". NIRNAY 1.0 along with Arohan's expertise in forecasting science ensured that Arohan was able to fully satisfy various auditor's & most importantly the Reserve Bank of India's risk pricing audits & scrutiny throughout the year with zero comments or observations.

Building on these strengths, NIRNAY 2.0 is being built using Design Studio which will ensure that Arohan continues to optimise Risk-based pricing strategies & provision planning of the future.

Operational Risk Management: Arohan's proprietary Branch Risk (BRisk) assessment algorithm refreshed during the year, continued to proactively provide visibility of operational risks to the business team for effectively assessing operational risk all the way to the frontlines' operating unit, the branches. The BRisk Grading of the entire Company at all levels up from the Branches provided the Business team, the Management and the Board of Directors with an impartial assessment of the operational health of Arohan's active branches while indicating potential emerging risks. It is encouraging to observe that the overall BRisk grade of the Company has demonstrated positive trends throughout FY 2024.

Operational Risk Management is expected to come under enhanced focus in the Reserve Bank of India's Operational Risk regulations & guidelines in FY 2025 in the backdrop of various discussions and workshops through the year.

Enterprise Risk Management:

Arohan has been proactively working on the microfinance sector-specific ERM structure for a while now. That foresight started bearing fruits in FY 2024, with the Reserve Bank of India actively encouraging systemically important NBFCs, during their regular audits and in their specifically curated CRO Workshop, for the deployment of Enterprise Risk Management (ERM) systems. ERM is a globally well-established framework for effectively optimising Risk vis-à-vis Return, and providing accurate and insightful visibility on all risks inherent during the functioning of an organisation. As a mandate for the Risk unit, Arohan initiated the implementation of the Enterprise Risk Management (ERM) project using the COSO framework. Christened SANDESH, the project has made significant progress with the platform that was completely developed in-house. The platform is already operational with the respective Risk Owners approving the risk registers along with their controls and thresholds. Arohan is again the first in the sector for the development of ERM in true letter and spirit.

Business Continuity Policy (BCP)

Arohan's deployment and practice of Business Continuity Plan (BCP) was led and anchored by the Risk unit, which was also audited by the Reserve Bank of India and was found to be satisfactory. The implementation of the Business Continuity Policy and Plan of the Company has led to a well-established BCP process backed by well-trained BCP committees and stakeholders. The Company continues to be 'Business as Usual' with the least disruptions during events of calamities and other disruptions during the year. The Risk unit will continue to strengthen and anchor this important regulatory requirement for the Company.

Appointment & Reporting of CISO

The Reserve Bank of India through its circular titled Master Direction on Information Technology Governance, Risk, Controls and Assurance Practices has directed for detailed compliance across Information technology practise & control and cyber security preparedness, cyber crisis management & mitigation plans. One of the key directive in the said circular is the definition & scope of the role of a Chief Information Security Officer (CISO). The circular has also mandated that the CISO will have direct reporting lines to the Chief Risk Officer. In compliance to the said circular, a General Manager cadre officer has been appointed as a CISO in Arohan with effect from April 1, 2024 to bring in the desired focus & actionable regarding information technology and cyber security risk management.

INTERNAL AUDIT MANAGEMENT

Arohan boasts a robust Internal Audit function, offering independent assurance and guidance on internal control and risk management processes. This function plays a crucial role in helping Arohan achieve its objectives by employing a methodical and disciplined approach to evaluate and enhance the effectiveness of internal control and governance processes. Functioning autonomously, the Internal Audit department at Arohan operates under the oversight of the Audit Committee of the Board. This committee thoroughly reviews the department's structure, annual audit plan, and staffing, ensuring a rigorous and impartial review process.

Arohan's Internal Audit acts as a trusted advisory body, delivering top-tier counsel and precise insights to management regarding the efficiency of internal control, process adherence, risk management, and governance across the organisation.

Aligned with the Reserve Bank of India's guidelines, Internal Audit at Arohan adopts a Risk-Based Supervision (RBS) approach. It diligently adheres to the provisions outlined in RBI circulars, such as the

one dated February 3, 2021, focusing on "Risk-Based Internal Audit (RBIA)" for non-deposit taking NBFCs with an asset size of INR 5000 Cr and above. Moreover, it complies with relevant guidelines under the Companies Act, 2013, as well as internal audit standards set forth by the Institute of Chartered Accountants of India (ICAI), ensuring governance processes are credible, resilient, and transparent.

In its pursuit of excellence, Internal Audit at Arohan actively recruits professionals with specialized domain expertise. Currently, the team comprises three Chartered Accountants (CISA), one Certified Internal Auditor (CIA), and six MBAs at both Head Office and field levels, enriching the team's professional acumen.

The team is dedicated to fostering diversity and inclusion within its members. Presently there are seven women members, with plans to further increase female representation going forward. This move is particularly notable in an industry where women leaders are rare, and it signifies a positive shift towards gender balance, with women taking prominent roles, even in field audits.

Quality Certification

In FY 2020, the Internal Audit function of Arohan achieved accreditation with the ISO 9001:2015 certification from the British Standards Institution (BSI).

This certification attests to Arohan's adherence to the requisite standards and requirements for conducting Internal Audit. It serves as a testament to the organisation's dedication to excellence in quality management functions and underscores its determination to elevate these standards further to enhance business precision. Moreover, BSI reaffirmed this certification in February 2023, extending it for an additional three years following comprehensive surveillance.

Infrastructure

In the microfinance industry, Internal Audit is a specialized function demanding a blend of field expertise and auditing proficiency. Arohan's Internal Audit team is meticulously structured to integrate the essence of both aspects, selecting field auditors from seasoned personnel alongside professionally qualified auditors. Moreover, Arohan consistently invests

in enhancing the skill sets and knowledge of its employees, including Audit team members, through regular training and development initiatives.

The Internal Audit team at Arohan comprises ~170 skilled auditors, strategically located across its operational areas, meticulously chosen through a rigorous selection process.

During FY 2024, the department successfully conducted audits of over 950+ active branches on a quarterly basis, encompassing microfinance, Micro Enterprise Loan vertical, ArohanPrivilege Digital Lending vertical and Sourcing & Collection operations. Notably, the audit coverage rate for microfinance and Sourcing & Collection branches remained at 100% throughout all quarters of FY 2024.

The function is facilitated by a real-time Audit Management System (AMS), bolstered by technological support from the in-house IT Department. This web-based system ensures seamless audit operations and systematically captures audit findings in a structured and scheduled manner. The platform enables real-time tracking of audit progress, facilitating swift escalation of significant issues and monitoring closures with optimized efficiency, all within predefined timelines. Furthermore, in 2023, an end-to-end fraud management system (FMS) was introduced for reporting, tracking and document repository of all fraud cases with better visibility, traction and coordination by all stakeholders.

The Data Analytics team within the Internal Audit function consistently endeavors to provide management with insightful leads, alongside various audit inputs for field audit verification, thereby enhancing the overall effectiveness of Arohan's Internal Audit processes.

Methodology and Reporting

The Internal Audit function at Arohan conducts audit of all operative branches once in every quarter. The audit is focused on a three-pronged approach namely:

- **Field Processes:** The Field Process includes audit of the logs and practices of business operations including Verification, Collection and Disbursements to name a few.
- **Back-End Activity:** The Back-End Activity approach is designed to screen for deviation in any documentation and administration related activities that drive business continuity.
- **Customer Contact:** Through the Customer Contact process, the vertical cross-checks all systems and processes that results in customer interaction and business or behavioural transactions.

The above heads, along with its various subheads, are assigned appropriate weightage within a dynamic range, to reflect the final audit score. Each branch, having undergone audit every quarter, is assigned an audit grading based on the observations and scores. The resultant grade acts as a significant parameter in defining the organisation's quality parameter and contributes to a significant share of the performance appraisal process of all concerned parties. Branches are covered under regular audit and snap audit alternatively on a half yearly basis. Snap audit covers the highly important aspects of the full audit process, and is undertaken by a senior audit resource to ensure in-depth exploration and analysis of high risk areas, with a much shorter Turn Around Time. Support functions, including Compliance, Human Resources, Administration, Information Technology, Central Operations, Finance and Accounts are also audited at least twice a year. High emphasis is further enforced on monitoring the adherence to compliance and regulatory requirements as prescribed for NBFC-MFI under different statutes. Formal reporting is done to the Audit Committee once in every quarter.

Vigilance function

Arohan launched its own Vigilance Department in FY 2021, led by a seasoned ex-serviceman possessing extensive experience and training in the relevant domain. The Company aims to gradually augment the team over time. This department is tasked with conducting thorough investigations into significant fraud cases and maintaining effective communication with local Government Agencies to solicit assistance whenever necessary.

Building a culture of Respect, Elevating our Employee Value Proposition, and Embracing ESG-Driven Value Creation

At Arohan, we recognise that our greatest asset lies in our people. With a robust human capital framework, we are empowered to pursue our ambitious goals with confidence. Central to our ethos is the continuous enhancement of our workforce's intellectual prowess through upskilling initiatives, ensuring they remain at the forefront of industry trends and best practices. Moreover, our people are deeply committed to making a positive impact beyond the confines of the organisation. Through our Environmental, Social, and Governance (ESG) initiatives, Arohan actively contributes to the betterment of the communities in which it operates.

PEOPLE FOCUS

In FY 2024, Arohan embarked on a strategic expansion journey, venturing into new territories such as Karnataka, Gujarat, Haryana, and Uttarakhand. This expansion initiative propelled our branch network to a commendable 975 branches spread across 19 states, amplifying our reach and accessibility.

On the human resources front, Arohan made significant strides in enhancing its workforce, with a remarkable 16.22% surge in staffing by the end of the fiscal year. This concerted effort culminated in a total headcount of 9,333 employees, a testament to our commitment to fostering a dynamic and thriving organisational culture.

With an unwavering focus on customer-centricity, Arohan now serves a diverse customer base of nearly 2.5 million individuals across India, catering to their financial needs and aspirations with diligence and care.

Central to our success has been our steadfast dedication to employee engagement and motivation. Through a multitude of Employee Value Proposition programmes, we strive to create an environment of trust, pride, and fulfillment among our workforce. By nurturing a culture that encourages collaboration, innovation, and personal growth, Arohan continues to attract, develop, and retain top talent in the industry, ensuring our continued success and growth trajectory.

Great Place To Work® Certified™

Arohan achieved a ground-breaking score of 92 in the Trust Index® Employee Survey of the Great Place to Work Institute. This remarkable achievement marks the fourth instance of Arohan establishing a High-Trust, High-Performance Culture, a testament to our unwavering dedication to nurturing an environment where every individual thrives.

This accolade has led to Arohan being recognised as India's Best Workplace in BFSI 2024: Top 25. With 4,338 employees participating in the survey conducted in January 2024, the exceptional employee perceptions revealed underscore our distinctive culture and values. This outstanding recognition reaffirms our belief in the profound correlation between exceptional people and an exceptional workplace. Rooted in our Core Values (ETHICS), we remain steadfast in our commitment to prioritizing employee satisfaction and well-being, recognising that our success is intricately linked to the happiness and fulfillment of our team members.

HR Policy and Processes

In fiscal year 2024, Arohan made significant strides in fortifying its operational infrastructure by bolstering processes and policies, and by standardizing all procedures pertaining to its workforce in line with industry-leading practices and stringent information protection standards. Under this overarching initiative, a wide array of policies spanning Recruitment & Selection, Onboarding, Exit Protocols, Internal Job Postings, Leave Management, Working Hours, Attendance Tracking, Staff Loans & Salary Advances, and more underwent a comprehensive revamp, each accompanied by meticulously crafted process manuals.

One noteworthy addition to Arohan's policy landscape was the introduction of the Arohan Compensation & Benefit Policy, a milestone marking the Company's commitment to employee well-being and satisfaction. To ensure seamless dissemination and comprehension across all internal stakeholders, the updated policies and refined processes were effectively communicated through multiple channels, including email newsletters, SMS alerts, the Adrenalin HR Management System, and the meraArohan employee app.

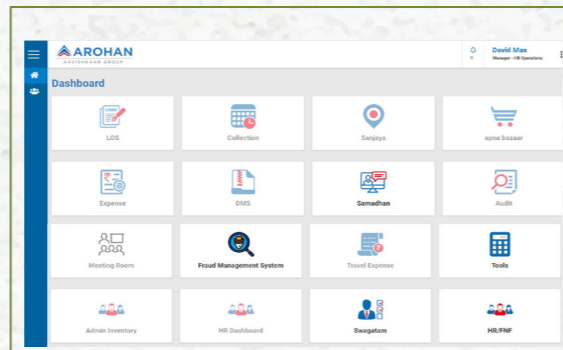

This concerted effort has not only instilled a culture of equity and transparency within Arohan but has also furnished the organisation with a unified

operational framework, thereby fostering greater efficiency and consistency across its operations.

Automation of HR Processes

Streamlining HR processes through automation has become a cornerstone of modern workforce management. Arohan too, leverages technology to achieve greater efficiency, accuracy, and scalability in handling various HR functions such as recruitment, onboarding, payroll, performance management, and more.

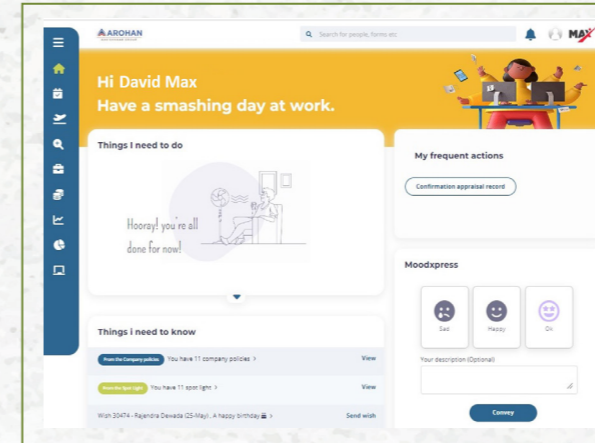

- **Swagatam:** In FY 2024, Arohan introduced its proprietary application, Swagatam, revolutionizing the recruitment-to-onboarding journey for field employees.

This cutting-edge tool not only digitalises the entire process but also elevates efficiency and enhances candidate experience. Swagatam facilitates seamless mass recruitment, optimizing time and resources while delivering strategic insights through robust reporting functionalities. This innovative platform enables the publication of job listings across diverse channels, meticulously tracks and screens candidates, maintains a comprehensive document trail, and generates detailed employee profiles. Its sophisticated screening mechanism ensures the selection of top-tier talent, while integrated psychometric assessments evaluate candidates across key variables such as achievement motivation, adaptability, and integrity, thereby offering valuable insights into potential job performance.

- **Staff Loan through meraArohan:** In FY 2024, Arohan integrated its staff loan application procedure with meraArohan employee app. With this transition, employees across the Company can now apply and get disbursement of Staff Loan digitally, with just a click, subject to qualifying the eligibility criteria. The automation of the staff loan process ensures enhanced user experience and delight. With a focus on transparency, employees can view his / her loan status at any point in time during the process of the application, along with their repayment schedule. As a result, the loan

processing time has now been reduced from 12 working days to only a maximum of 4 working days, while also minimizing manual intervention.

- **HRMS Platform:** Arohan's introduction of Adrenalin Max 2.0 marks a significant leap forward in optimizing the employee experience through streamlined HR processes. This upgraded version offers enhanced features aimed at simplifying navigation, providing quick access to essential employment documents, and boosting operational efficiency with improved data visualization and faster functionality. Adrenalin Max 2.0 encompasses a comprehensive suite of tools including Travel & Reimbursement Management, an Online Performance Management System, Real-time Attendance Tracking, and Interactive Dashboards and Analytics. Each of these components is meticulously designed to empower employees and HR professionals alike, fostering a culture of efficiency and engagement. With a clear focus on employee satisfaction, this innovative platform represents Arohan's commitment to elevating the workplace experience.
- **Employee Movement:** Arohan has completed the end-to-end automation of all categories of employee movements across locations and departments. This also includes necessary communication flows with notification alerts to all concerned stakeholders.
- **Employee Dashboard:** Arohan's one-stop employee dashboard allows its employees to get access to information pertaining to their employment lifecycle at a touch of a button. This module in Arohan's proprietary meraArohan portal enables all the employees to access their service related information, such as attendance, leave, performance evaluations, and promotion records, on a real-time basis and through a single sign-in.
- **Employee Communication module:** Arohan also has integrated an Employee Communication Module in the meraArohan App to make

employees aware of policies, processes, benefits, and new initiatives taken by the Company toward employee welfare. The module is also backed by an assessment, which is circulated in regional languages, to capture the awareness levels of the field employees pertaining to such employee value propositions while ensuring the effectiveness of the communication.

- **Samadhaan:** Arohan's employee grievance redressal platform, Samadhaan, is fully automated. Through this platform, employees can register their complaints or issues related to salary, leave, employment-related documents, movements, etc. On raising a complaint or query, a ticket is generated, initiating the resolution process, which is ensured to close within the defined TAT through a defined matrix.

HR PRACTICES

Hiring

Hiring at Arohan operates under a firm commitment to equal opportunity, where all job applications are thoroughly considered regardless of age, gender, marital status, disability, nationality, or religion. Candidates are evaluated solely on their merit, drawing from a pool of referrals, direct applicants, and internal talent.

- **External Hiring:** Arohan is actively dedicated to fostering gender diversity within its field workforce, undertaking a diversity charter with clear annual targets for gender representation over the next three years. Specific roles across departments are earmarked for female candidates, reflecting the Company's commitment to equality. Arohan also supports employees seeking to re-enter the workforce after a sabbatical, offering tailored programmes to facilitate their career resurgence. By tapping into industry-specific talent pools, Arohan ensures high-quality hires, valuing the diverse perspectives and expertise each candidate brings. Additionally, the Company operates an Employee Referral scheme, incentivizing staff to recommend suitable candidates for open positions.
- **Internal Hiring:** Arohan prioritizes internal talent development, providing equal cross-functional growth opportunities through Internal Job Postings (IJP). These postings are open to eligible candidates across departments, promoting job rotation, skill enhancement, and career progression. With a well-defined IJP policy, Arohan optimally utilizes its internal talent pool, facilitating employee growth and advancement within the organisation.

Employee onboarding

Arohan believes that Employee onboarding is more than just a paperwork process; it's the crucial first step in setting the tone for an employee's journey within the Company. At Arohan, a well-designed onboarding experience significantly helps impact an employee's engagement, productivity, and retention.

- **Aashirwaad:** The Aashirwaad programme stands as a cornerstone of Arohan's field onboarding process. Of the total field force of the Company, more than 65% are between the age group of 21–27 years. Hence, it is construed that, more often than not, the job offered to them is their first job. Aashirwaad extends a warm invitation to the families of probationary field officers, integrating them into the onboarding experience. This not only fosters an emotional connection with the Company but also enhances engagement and retention by ensuring a supportive network from the outset.
- **Employee Selection Process:** At Arohan, the employee selection process is meticulously crafted to ensure the right fit for every role. Anchored by our proprietary Competency Framework, we employ a diverse array of evaluation methods tailored to each candidate's level and position. For mid-level and senior roles, a panel of department heads conducts interviews, leveraging psychometric tools for comprehensive behavioral assessment. Junior candidates undergo online aptitude tests, while Customer Service Representative selections now incorporate psychometric evaluations focusing on Achievement, Motivation & Adaptability. In a first for Arohan, field employee selections include a mandatory one-day field visit and report submission, offering candidates a first-hand glimpse into our operations. Simultaneously, candidates are encouraged to evaluate both the sector and the Company, ensuring alignment with our mission and values before onboarding commences. This holistic approach not only facilitates informed decision-making but also aids in managing drop-out rates effectively.

Performance Driven Culture

At Arohan, promotion isn't just about tenure—it's about merit and performance. We foster a culture where employees advance based on their demonstrated skills and contributions. Through a rigorous evaluation process, individuals are assessed for their readiness for the next level, considering factors like performance and maturity.

Moreover, the Company actively encourage employees to pursue higher positions through its Internal Job Postings. These opportunities not only recognise and reward talent but also serve as a

source of motivation and encouragement, empowering individuals to take charge of their career growth within the organisation.

ADDRESSING THE UNIQUE NEEDS OF EMPLOYEES

Employee Benefits

- **Compensation:** Arohan has adopted a three-pronged approach for its compensation structure to cater to the unique needs of the different groups of employees:
 - For entry-level employees, the approach focuses on ensuring more 'cash in hand' to meet their day-to-day expenditures, encouraging performance-linked incentive schemes
 - For middle management level employees, the focus is on balancing the aspects of long-term Retirement benefits and cash-in-hand to meet their immediate requirements
 - For senior leaders, the focus is on value creation through Employee Stock Option Plans and other tax-saving benefit schemes and variable pay, where the pay-out is dependent on the Company's profit.
- **National Pension System:** Arohan, in association with HDFC Pension, has introduced the National Pension System (NPS), a voluntary tax-saving retirement scheme tailored for middle and senior management. NPS allows employees to have flexible control over their contribution amounts, ensuring a customizable savings plan for their retirement years. Contributions to the NPS are eligible for significant tax benefits, enhancing its appeal as a prudent financial planning tool.
- **Car Lease Benefit:** Arohan has introduced a Car Lease Benefit for employees, offering a significant tax-saving opportunity. Employees at the Deputy Manager level and above are eligible to avail this benefit, allowing them to lease a car and save on taxes. Additionally, those at the AGM level and above have the flexibility to choose between the Car Lease Benefit or Conveyance Reimbursements, further optimizing their tax savings and enhancing their overall compensation package.

Employee Advances, Loans, and Grants: To mitigate the needs of certain short-term financial support, Arohan offers its employees advances, loans, and grants. Advances are given to address the immediate financial needs of the employees, which can be paid back within a stipulated timeline. Loans are of two categories – Personal and Educational, which relatively is a large amount

provided to employees and for a longer duration.

Grant is a special category of Education loan, which takes care of financing any professional course or certification programme relevant to the job the person is undertaking.

- **Work from Home:** With Arohan being home to a diverse workforce and the new hybrid work culture that employees prefer in today's scenario, the Company offers Work From Home (WFH) facility to those employees who have the necessary infrastructure and whose jobs allows them to operate from home, while ensuring that employees perform to the organisation's work expectations from the role.
- **Child Care Leave:** Being a mother can sometimes require a woman employee to take a few days off from their work in order to care for her child's needs. As working from home is not an option for female employees in the field, Arohan has introduced a Child Care Leave only for women employees in the field. A Child Care Leave (CCL) is granted for the specific purpose of taking care of a minor child for rearing or looking after its needs, including examination, sickness, etc.
- **Flexi Working Hours:** Non-field employees at Arohan are provided the privilege of flexi-timing with the employee clocking in the desired number of productive hours (i.e., 8 hours of working and 1 hour of lunch break).

Employee Health and Safety

- **Arohan Avalamban Yojana:** Arohan is committed to the well-being and safety of not just its employees but also their families. 'Arohan Avalamban Yojana,' a death in harness scheme, was launched with the objective of providing support to the families of the employees who lost their lives while in service at Arohan or have suffered permanent disabilities resulting in loss of ability to work.
- **Safety at Workplace:** Arohan adopted a gender-neutral POSH Policy and instituted the POSH Committee in the year 2016. Every new joiner at Arohan, irrespective of their bands, designations, and locations, undergoes mandatory POSH training as a part of their induction schedule. Regular Refresher Training is also conducted for all stakeholders at least once a year. Central and Regional Internal Committees are created, along with the mandatory presence of an External Member, across locations.
- **Field Employees' Road Safety:** Arohan's field

employees travel to customers on their two-wheelers. In order to ensure that employees understand the value of their lives and adhere to road safety norms, Arohan promotes Road Safety Guidelines among its employees through a campaign, #YourLifeisPrecious. Road Safety Guidelines, published in vernacular languages, as well as an interview feature on the monthly internal newsletter, Srishti, of field employees on road safety practices, is carried out as a part of this campaign.

- **Safety at Branch:** With the increasing number of women employees joining the Company, Arohan has ensured to take special care in selecting the right kind of premises for the safety of women, with CCTV cameras installed in every all-women or mixed-employee branch.

DRIVING GENDER DIVERSITY

Arohan extends financial services to nearly 2.5 mn women engaged in diverse income-generating activities, thereby empowering them to support their families through additional streams of income. This extensive clientele is served by a workforce of over 9,333 employees. Recognising that the majority of our customers are female, we prioritize having a predominantly female field staff to enhance understanding of our customers' cash flow requirements and facilitate stronger customer connections and networking opportunities.

Aligned with Aavishkaar Group's vision of achieving a natural gender diversity ratio of 50% within the Group by 2030, Arohan is steadfastly committed to fostering greater gender diversity within the organisation. We have developed a clear roadmap aimed at achieving a specified diversity ratio over the next five years. Our Diversity Council actively spearheads initiatives to introduce women-friendly policies and processes, with the overarching goal of attracting and retaining a growing number of female talents.

Our efforts have yielded tangible results, evident in the improvement of Arohan's Gender Diversity ratio from 4.9% in April 2019 to 13.71% in FY 2024. This progress is attributable to the implementation of various initiatives and policy revisions, not only at the corporate and regional levels but also at the grassroots level. Notably, Arohan has strategically established branches in several states staffed entirely by women, effectively creating women-only branches where every aspect of business operations is driven by female employees.

Some of the key interventions are listed below:

- **Diverse Hiring Practices:** Arohan acknowledges the historical gender disparities that women have faced in various professional fields and have

implemented some flexibility in the organisation hiring practices with the intent to support female candidates so that they can manage their professional life along with their other life household commitments. Arohan recruitment policy offers age relaxation and considers the career gaps to provide equal opportunities to women to pursue and outshine in their career. This approach fosters a diverse and inclusive work culture.

The Company gives utmost priority in Hiring women in leadership role as they serve as positive role models and contribute to a more inclusive workplace culture. Arohan has implemented a mandatory requirement to include a female employee on interview panels, especially when interviewing female candidates. This practice ensures a comprehensive evaluation of fitment, taking into consideration various factors, including the work environment and other relevant aspects.

At Arohan, our steadfast commitment to diversity is evident in our strategic approach to hiring key talent for pivotal roles throughout the organisation. Positions including Head – Human Resources, Administration, Training & Development & Corporate Social Responsibility, Zonal Business Head, Head of Central Operations, Head of Arohan Privilege, Head of Cross Sell, Head of Corporate HR, Head of Corporate Communications, Head of IT Application, and numerous other critical roles are deliberately entrusted to women leaders who bring a wealth of diverse perspectives and skills. By fostering a team of leaders with varied experiences and insights, we enrich the decision-making processes within the organisation. These diverse perspectives contribute significantly to our Management Committees, offering unique cross-functional insights that drive innovation, enhance problem-solving capabilities, and ultimately contribute to Arohan's overall success.

- **All Women Branches:** Arohan has pioneered a distinctive model of empowerment by establishing branches in various states that feature an all-women workforce. These All Women Branches embody the spirit of diversity and inclusivity, where the entire business flourishes under their expertise, creativity, and resilience. To uphold a standardized and supportive approach for these All Women Branches, Arohan has implemented an All Women Branch Policy. This policy serves as a comprehensive guide, offering clear directives for our Field Team. It ensures the provision of female-friendly infrastructure that is safe, secure and also creates an environment where female employees can deliver exceptional client service with confidence.

- **Travel for Women:** To ensure the complete safety of women during their travel, all female employees at Arohan are eligible to claim a minimum of one notch-up travel reimbursement. Also, all women employees, who may need to work late in the office, have been made eligible for cab services arranged by the Company, to drop them off at their home locations.

Women-centric Grievance Redressal Platforms

Arohan has created unique Grievance Redressal Platforms, especially for its women employees across the field. These platforms are specially designed to handle high-priority grievances with the utmost confidentiality.

- **Saheli:** This is a unique helpline number to address the queries and grievances of women employees who seek any sort of HR-related guidance and assistance.
- **Prevention of Sexual Harassment (POSH) at the Workplace:** Arohan has adopted a gender-neutral POSH Policy. The POSH helpline and structure at Arohan is one of the key grievance redressal mechanisms that seek to protect employees from sexual harassment at their place of work.
- **Arohan Code of Conduct (ACOC):** The Arohan Code of Conduct and discipline rules have been formulated to maintain the standard of business conduct and to prevent any wrongdoing by employees while promoting good work ethics, culture, and discipline.

TRAINING & DEVELOPMENT

Arohan believes that Employee development is the cornerstone of organisational growth and success. By investing in the continuous learning and growth of employees, companies foster a culture of innovation, adaptability, and excellence. Arohan maintains a steadfast commitment to upskilling and nurturing its employees, cultivating a reservoir of high-potential individuals poised to lead the organisation into its Vision 2028. Recognising the evolving dynamics of the industry landscape, Arohan has proactively overhauled its approach to talent development.

In the face of a rapidly changing VUCA (volatility, uncertainty, complexity, and ambiguity) world, Arohan firmly believes that continuous learning, unlearning, and relearning are indispensable for sustained success. The exigencies of the industry necessitate that employees remain agile and adaptable to stay

ahead of the curve. Anchored on this principle, Arohan has implemented robust training frameworks aimed at reskilling and upskilling employees across all domains.

Employee Capability Development

- **“Pragati – Unnati ki Oor”:** This is an innovative initiative dedicated to capability development of our last mile employees. Every working Saturday morning, for one hour, this programme reaches out to field officers at the branches, ensuring engagement down to the last mile. “Pragati” extends its benefits to both field and enabling functions, allowing all employees to connect and actively participate in these enriching sessions.

Led by process owners, these fortnightly morning trainings are facilitated by the Training & Development team and executed by line managers. Each session focuses on relevant topics tailored to the current business environment, aiming to enhance business performance and productivity metrics. By focusing on areas crucial to business and productivity metrics, Arohan aims to drive continuous improvement and empower our workforce for sustained success.

- **Hi-Pot Identification, Development & Benefits:** Arohan is deeply committed to cultivating a thriving learning culture throughout the organisation, dedicated to empowering every employee to realize their fullest potential, elevate job satisfaction, and advance their career progression. Our overarching aim is to establish a workplace where continuous learning and development are ingrained in our ethos.

Recognising the invaluable contributions of high-potential (HiPot) employees, who consistently demonstrate top-tier performance, Arohan prioritizes their support and retention. To fuel their growth journey, the HR & Training Team has curated the HiPot Development Programme. This initiative is custom-tailored to cater to the developmental needs of employees ranging from Assistant Managers to Senior Vice Presidents, who have exhibited commendable performance and completed at least one Performance Management System (PMS) Cycle.

Central to the programme is experiential learning, facilitated through cross-functional projects and super-skip level assignments within Arohan and across our group entities. In partnership with one of India's most esteemed organisations, the HiPot programme is meticulously crafted to engineer rapid career advancement for identified high-

potential individuals. This holistic approach underscores the Company's commitment to nurturing and empowering our high-potential talent pool, ensuring they remain motivated and poised to assume leadership roles in the future.

- **Margdarshak:** In FY 2024, Arohan implemented a targeted behavioral intervention programme for our Branch Heads, emphasizing the critical role they play in the lives of our Customer Service Representatives (CSRs). Through this initiative, they delve into the significance of empathy, people development, and relationship management. We firmly believe that fostering a familial atmosphere with our CSRs is paramount for organisational growth.

Induction Programmes

Arohan places strong emphasis on comprehensive induction programmes tailored to both field and non-field functions, delivered in various regional languages. These programmes aim to enhance the functional and behavioral competencies of employees across all levels. In the fiscal year 2024, over 850 induction programmes were conducted, achieving an impressive effectiveness score of approximately 91%.

Knowledge Management

Arohan has implemented a robust approach to knowledge management, aimed at efficiently capturing, organising, and sharing knowledge among employees. As part of this initiative, Arohan has introduced a range of programmes, including:

- **Saksham:** An online, system-proctored certification programme for the critical roles spanning the field and enabling functions to upgrade their knowledge of the policies, processes, and industry in line with the shifting landscape.
- **E-Learning:** In a groundbreaking step within the microfinance sector, Arohan has introduced bite-sized self-learning modules on critically relevant topics for all field employees of the Company. These modules are accessible in multiple regional languages, allowing employees to learn at their own pace. This innovative approach enables the Company to rapidly disseminate information with nearly 100% coverage.
- **Refresher Training Programme:** These are specialized business training conducted for the field team on a monthly basis, ensuring last-mile connectivity aligned with the business goals.
- **Thank God It's Friday!** A development initiative for the Trainer cadre of the Company. This Friday

platform encourages learnings about new state-of-the-art training initiatives that help develop the capabilities of the trainers. Going forward, this platform will be extended for other key enabling functions as well.

- **Weekly Communication Hour:** A dedicated hour every week where the field managers communicate with their teams on updates pertaining to processes and policies, along with key strategies in line with business goals. Special training for Area Managers, Branch Heads, and Associate Branch Heads is also conducted through these forums in a 'Train the Trainer' format, where the participants are later expected to impart the training to their respective teams.

Some other key training interventions are listed below:

- **Corporate Training:** Arohan conducts the 'Corporate Training' programme regularly throughout the year to enhance the skill and behavioural competencies of employees in support functions. These sessions cover various support functions across the 9 Zonal Offices and the Head Office.
- **Leadership Development Programme:** Targeted at nurturing the capabilities of the next 100 top-performing employees, the Leadership Development Programme spans across different verticals, encompassing both field and non-field roles. Participants undergo a rigorous assessment centre by a leading third-party provider, followed by a 7-month programme comprising classroom sessions, mentoring, simulations, and self-paced learning. Individual Development Plans are collaboratively crafted by participants, supervisors, and coaches to guide them towards their goals.
- **Automation of Training:** Arohan adapts its learning strategy to cater to the needs of millennials by introducing a socialized 'Learning Management System.' Courses are tailored to enhance the functional competencies of over 8600 field team members through weekly interventions and monthly assessments.
- **Customer Service Programme:** A targeted training initiative designed for the Arohan Customer Service Team to help them excel in customer management, conflict resolution, and other service-related topics. Specific mentoring sessions are provided to employees exhibiting a low customer-centric approach.
- **Upskilling Intervention:** Arohan implements

a unique Customer Service Representatives upskilling programme to bolster their capabilities in handling challenging customer interactions, utilizing a 'role-play'-based approach. Tailored scripts are developed for different scenarios, and employees undergo role-play training sessions to hone their skills.

Statutory Interventions

Arohan Code of Conduct: At Arohan, our Core Values, encapsulated in the acronym ETHICS, serve as guiding principles for workplace behavior. Ensuring alignment with these values is paramount for all employees. New hires undergo thorough orientation on our Code of Conduct, emphasizing the significance of integrating these values into our actions and interactions.

Anti-Money Laundering: In compliance with the Prevention of Money Laundering Act, 2022, our employees receive an annual refresher on Anti-Money Laundering practices and their critical importance.

Client Protection Principle and Poverty Probability Index: At Arohan, we prioritize client protection principles and utilize the Poverty Probability Index (PPI) to ensure responsible lending practices. Our employees receive comprehensive training on these principles during their onboarding as part of the Induction process. Additionally, we conduct monthly refreshers to reinforce the importance of adhering to client protection principles and accurately assessing loan amounts for our customers.

Assessment Centre

Arohan employs a well-defined and structured succession planning mechanism, placing a strong emphasis on cultivating an internal talent pipeline for future roles. Employees are provided equal opportunities to demonstrate their readiness for advancement through an Assessment Centre, facilitated by a reputable third-party service provider. Following this assessment, selected employees deliver presentations on assigned topics. Subsequently, their performance, behaviour, and knowledge scores are evaluated in a panel interview, wherein their competencies are further assessed by a cross-functional senior management panel.

ESG-DRIVEN VALUE FOCUS

Arohan is attuned to the actions of its customers and their potential impact on the Environment and Society (E&S), whether positive or negative. Recognising the importance of managing these E&S risks, the Company has implemented comprehensive measures and initiatives in line with its vision of

becoming a preferred financial inclusion entity.

In FY 2023, Arohan introduced a robust E&S Policy, affirming its commitment to integrating E&S considerations into its operations. This policy adheres to international industry practices, national environment, and social laws and regulations. In FY 2024, significant progress has been made in the realm of ESG (Environmental, Social, and Governance), with Arohan integrating ESG principles into its core business practices. Initiatives include the incorporation of an ESG exclusion list in loan applications, conducting ESG Gap Assessments, and identifying material topics to mitigate ESG risks. The Company has also undertaken efforts to raise awareness of ESG among its employees, with a commitment to extending this awareness to all employees across locations.

Through robust Governance and Corporate Social Responsibility activities, Arohan has embarked on initiatives addressing social development aligned with government priorities. These efforts focus on supporting and empowering women in communities with limited access to quality healthcare, education, water, and sanitation. Arohan's dedicated initiatives have positively impacted over 8 Lakh lives to date.

Environmental Initiatives

- **Eco sustainability (Safe Drinking Water & Sanitation):** Arohan embraces a triple-bottom-line approach, emphasizing People, Planet, and Profit, as the foundation of its sustainability efforts within the communities it serves. The Company's integrated water and sanitation programme addresses gaps in implementation and strategic management in the Water, Sanitation, and Hygiene sectors, ensuring investment effectiveness, linking revenue returns to social benefits, and fostering collaborative partnerships.
- **Water Conservation:** Arohan endeavors to enhance agricultural productivity for its customers while championing the conservation of natural resources. The Company invests in water conservation projects to bolster agricultural production in rain-fed and semi-arid regions. These interventions focus on improving soil and vegetation management in these areas.
- **Disaster Relief:** Given the prevalence of natural calamities like floods and cyclones in the regions where Arohan operates, disaster relief is a key focus area of its Corporate Social Responsibility commitment. Arohan provides aid and support to affected communities through supply distribution, volunteer engagement, and resource mobilization efforts. These initiatives underscore the Company's

dedication to community safety and well-being. Arohan implements preventive and preparedness measures in alignment with its Business Continuity Policy. Collaborating with local communities, the Company develops emergency response plans to mitigate the impact of disasters. In addition to immediate relief efforts, Arohan supports long-term recovery and rebuilding initiatives through various community development projects.

Demonstrating its commitment to the welfare of beneficiaries, especially during crises, Arohan and its employees have provided disaster relief materials to over 49,000 individuals affected by floods and cyclones.

Social Initiatives

Arohan is on a continuous quest to identify opportunities of impact, address social issues, and promote positive change in the lives of the customers it serves and communities it caters to. In FY 2024, as a part of its social responsibility commitments, Arohan undertook the following initiatives:

1. Education and Child Development

- **Digital Literacy Programme:** Arohan has tied up with IGT Plus Consultants, a Kolkata based Education Organisation which works for low cost schools. IGT has developed an educational

app for class VI – IX students of Bengali Medium schools. The app is in the regional language focusing on different chapters of Bengali Medium school curriculum. The app called E-Capsule has been

installed in mobile phones of parents, free of cost, from where the students can login to the app and access the chapters, this is the pilot project which has been implemented with 100 students this year.

- **STEM Mini Science Centres:**

Arohan with its implementing partner Samabhavana has established STEM (Science, technology, engineering, and mathematics) Mini Science centres in schools of West Bengal and Rajasthan catering to around 3200 students. Each science lab has 80 plug & play models which helps students to learn using modern scientific methods. Also, in order to cater to the needs of specially-abled students, Arohan has installed additional STEM models at the Calcutta Deaf and Dumb School.

Health & Wellbeing

- **Hearing Screening & Intervention for Early Identification of hearing loss:**

Arohan has partnered with VAANI Deaf Children's Foundation for screening and early detection of hearing impairment. Through this programme, Arohan has benefitted 1600 newborns in Serampore area of Hooghly District in West Bengal, with early detection of hearing loss. Through this programme, the parents of the newborns have also been provided with proper counselling with respect to their child's hearing impairment. Recognising such efforts, the Government of West Bengal (Department of Health & Family Welfare) has awarded a Letter of Appreciation to the programme on its successful completion of one year and creating meaningful impact.

3. Capacity Building & Livelihood Promotion

Financial literacy holds immense potential for empowering rural women, enabling them to effectively manage their finances, save for the future, and make informed decisions regarding investments and financial products. Key areas of focus in financial literacy programmes for rural women typically include fundamental

concepts such as saving, budgeting, and income management.

As part of its CSR initiatives this year, Arohan has launched a Financial Literacy Programme in Bihar and Jharkhand through its implementation partner. This programme aims to benefit a total of 1600 rural women, focusing on enhancing their financial acumen through self-realization and motivation to save.

- **Organic Vegetable Cultivation:**

In FY 2024, Arohan, under the Aavishkaar Foundation, initiated an Organic Vegetable (Potato) Cultivation Training Programmes at Mayurakshi, West Bengal along with implementing partner Gram Jagat. The project is designed to use the environment safely, preserve ecological balance, and reduce dependency on expensive technologies. As a part of this project, Arohan trained a total of 251 beneficiaries and potato seeds were distributed among 220 farmers.

- **Duck Cultivation Programme:**

In FY 2024, Arohan, under the Aavishkaar Foundation, conducted a Duckling Cultivation Training and Distribution Programme in West Bengal with its implementing partner. The project has been designed to provide an additional source of income for the households of the members of the communities that Company caters to operationally, wherein the members were imparted training on duckling cultivation. As a part of this project, Arohan distributed five ducklings each to a total of 200 beneficiaries.

- **Paddy Seed Cultivation:**

Arohan, under the Aavishkaar Foundation, also initiated a Livelihood Promotion Project, at Mayurakshi West Bengal along with implementing partner Gram Jagat in FY 2024. Targeted beneficiaries were trained for paddy farming, and paddy seeds were distributed to further encourage them to earn their livelihoods. As a part of this project, Arohan distributed paddy seeds to 258 beneficiaries.

4. Employee Volunteering

Arohan fosters a culture of purpose and fulfillment among its employees by encouraging them to actively engage in community service. Through project-based volunteerism, employees contribute their time and skills to meaningful causes. The benefits of volunteering for employees are manifold, encompassing opportunities to learn new skills, enhance career prospects, experience personal growth and fulfillment, and improve physical and mental well-being. Additionally, volunteering enables employees to connect with and better understand their communities, while fostering teamwork and camaraderie.

At Arohan, employees have participated in a diverse range of volunteering activities aligned with causes such as education promotion, disaster relief efforts, clothing drives, and mental health well-being, allowing them to make a positive impact on society.

CAUTIONARY STATEMENT

This document contains statements about expected future events, and financial and operating results of Arohan Financial Services Limited ("Arohan"/"Company"), which are forward-looking. By their nature, forward-looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is a significant risk that the assumptions, predictions and other forward-looking statements will not prove to be accurate. Readers are cautioned not to place undue reliance on forward-looking statements as a number of factors could cause assumptions, actual future results, and events to differ materially from those expressed in the forward-looking statements. Accordingly, this document is subject to the disclaimer and qualified in its entirety by the assumptions, qualifications and risk factors referred to in the management's discussion and analysis of Arohan's Annual Report, FY 2024. The Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise. Further, Arohan cannot guarantee that these forward-looking statements will be realized, although the Company believes that it has been prudent in its assumptions.

DIRECTOR'S REPORT

Dear Members,

Your Board of Directors (the "Board") takes pleasure in presenting the Annual Report of **AROHAN FINANCIAL SERVICES LIMITED** (the "Company") together with the Audited Financial Statements for the Financial Year ended March 31, 2024. In compliance with the applicable provisions of the Companies Act, 2013 and the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) ("Act") and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), this report covers the financial results and other developments during the financial year ended March 31, 2024.

- a) In the preparation of the annual accounts for the year ended March 31, 2024, the applicable accounting standards read with requirements set out under Schedule III of the Act, have been followed and there are no material departures from the same;
- b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as on March 31, 2024 and of the Profit and loss of the Company for the year ended on that date;
- c) The Directors have taken proper and sufficient care towards the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) The Directors have prepared the annual accounts on a 'going concern' basis;
- e) The Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- f) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

COMPANY'S POLICY RELATING TO DIRECTORS APPOINTMENT, PAYMENT OF REMUNERATION AND DISCHARGE OF THEIR DUTIES

The current policy is to have an appropriate mix of executive and independent directors to maintain the independence of the Board, and separate its functions of governance and

management. As on March 31, 2024, the Board consists of 15 members, which includes one Executive Director, five Independent Directors, and nine Non-Executive Nominee Directors. The Chairman of the Board is an Independent Director, in terms of the relevant provisions of the Companies Act, 2013. The Board periodically evaluates the need for change in its composition and size.

The Nomination and Remuneration Committee has formulated the criteria for determining qualifications, positive attributes and independence of a director and recommends to the Board, a policy relating to the remuneration for the directors, key managerial personnel and other employees. The recommendation of the committee is forwarded to the Board for its approval.

The Nomination and Remuneration Committee decided the remuneration of executive Directors and key managerial personnel on the basis of following criteria;

- (a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
- (b) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) Remuneration to executive directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

The details of the meetings of the Board of Directors of the Company held during the year are mentioned in the Corporate Governance Report which is provided separately in this Annual Report.

AUDITORS

- (i) **Statutory Auditors** – M/s. Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
AROHAN FINANCIAL SERVICES LIMITED

PTI Building, 4th Floor,
DP-9, Sector-5, Salt Lake, Parganas North, Kolkata -700091

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **AROHAN FINANCIAL SERVICES LIMITED (CIN: U74140WB1991PLC053189)** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the **Arohan Financial Services Limited** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2024 ('Audit Period')** has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **Arohan Financial Services Limited** for the Financial Year ended on **31st March, 2024** according to the applicable provisions of:

1. The Companies Act, 2013 (the Act) and the Rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws Framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of

Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;
 - (d) The Securities and Exchange Board of India (Share based Employee Benefits and Sweat Equity) Regulations, 2021;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
 - (h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018;
 - (i) The Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements), Regulations 2015, and amendments from time to time;
 - (j) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with regards to Meeting of Board of Directors (**SS-1**) and General Meeting (**SS-2**) issued by The Institute of Company Secretaries of India (ICSI).
- (ii) Listing Agreements entered into by the Company with BSE Limited read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has inter-alia complied with the laws, regulations, guidelines, circulars, notifications etc., applicable specifically to the Company which includes:

- The Reserve Bank of India Act, 1934.
- **Master Direction** – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023.

We further report that:

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act and all other relevant regulations.
- b) Adequate notice is given to all Directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent as per the provisions of the Act and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) Majority decision of the Board and Committee Meetings are carried through, while the dissenting members' views are captured and recorded as part of the minutes, if any.

On the basis of information provided to us, we further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

On the basis of information provided to us, we further report the Company has during the audit period ending on March 31, 2024:

- The Company has allotted 77,89,648 Cumulsorily Convertible Preference Shares at an issue price of INR

85/- (Indian Rupees Eighty Five only) per CCPS (including a premium of INR 75/-) to Nederlandse Financierings-Maatschappij Voor Ontwikkelingslanden N.V. ("FMO") on April 27, 2023 and 2,35,29,411 Cumulsorily Convertible Preference Shares at an issue price of INR 85/- (Indian Rupees Eighty Five only) per CCPS (including a premium of INR 75/-) to Danish Sustainable Development Goals Investment Fund K/S, represented by Investment Fund for Developing Countries on May 24, 2023.

- The Company has altered the Articles of Association during the period under review pursuant to SEBI (Issue and Listing of Non-Convertible Securities) (Amendment) Regulations, 2023 and change in the amended and restated shareholding agreement in respect of issuance of Cumulative Compulsory Convertible Preference Shares ("CCPS") to Danish Sustainable Development Goals Investment Fund K/S, represented by Investment Fund for Developing Countries ("IFU") and Nederlandse Financierings-Maatschappij Voor Ontwikkelingslanden N.V. ("FMO").
- The Company has allotted 7,00,000 Equity Shares of Rs.10/- each to Arohan ESOP Trust on August 30, 2023.
- The Company has issued, offered and allotted 20,800 Nos. of Senior, Secured, Unlisted, Redeemable, Transferable, Non-Convertible Debentures amounting to Rs. 2,08,00,00,000/- to Nederlandse Financierings - Maatschappij Voor Ontwikkelingslanden N.V. (FMO) on December 19, 2023.

ANNEXURE - A

To,
The Members,
AROHAN FINANCIAL SERVICES LIMITED
PTI Building, 4th Floor, DP-9, Sector-5, Salt Lake, Parganas North
Kolkata -700091

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our Audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the Auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliance may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

Management's Responsibility

1. Maintenance of secretarial record is the responsibility of the management of the Company.

Auditor's Responsibility

2. Our responsibility is to express an opinion on these secretarial records based on our audit.
3. We have conducted the Audit as per the applicable Auditing Standards issued by the Institute of Company Secretaries of India.
4. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

Place: Kolkata
Date: 24.05.2024

5. Wherever required, we have obtained reasonable assurance as to whether the statements prepared, documents or records, in relation to Secretarial Audit, maintained by the Company, are free from misstatement.
6. Wherever required, we have obtained the Management's representation about the compliance of laws, rules and regulations and happening of events, etc.
7. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on the random test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
8. Where ever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events etc.
9. The Compliance of the provisions of Corporate and other applicable laws, rules, standards is the responsibility of management. Our examination was limited to the verification of procedures on the random test basis.

Disclaimer

10. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.
11. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

ANNEXURE-III

ANNUAL REPORT ON CSR ACTIVITIES

1. Brief outline on CSR Policy of the Company

Arohan Financial Services Limited (hereinafter referred to as "Arohan") believes that a business entity's performance must be measured by its economic, social and environmental impact and efforts to embed sustainability. Social enterprises are more than any other business enterprise, capable of addressing these concerns and Arohan aspires to transcend business interests and work towards the all-round human development of the communities we operate in through initiating and supporting programmes that enhance social sustainability. Arohan already serves people from economically and socially marginalized communities where illiteracy, unemployment and under-employment are rampant. It is in this social context that our CSR initiatives are developed to best cater to our customers and their communities. Arohan would build on this connect with the marginalized sections of the society for furthering their welfare. These programmes are independent of the normal conduct of business and are not viewed as business propositions by Arohan. In alignment to Arohan's mission to empower the underserved, we see Corporate Social Responsibility (hereinafter referred to as "CSR") as an opportunity to further extend help to the underserved in the larger community through the provision of non-profit based assistance.

2. Composition of CSR Committee:

ANNEXURE- V

CORPORATE GOVERNANCE REPORT

COMPANY'S CORPORATE GOVERNANCE PHILOSOPHY

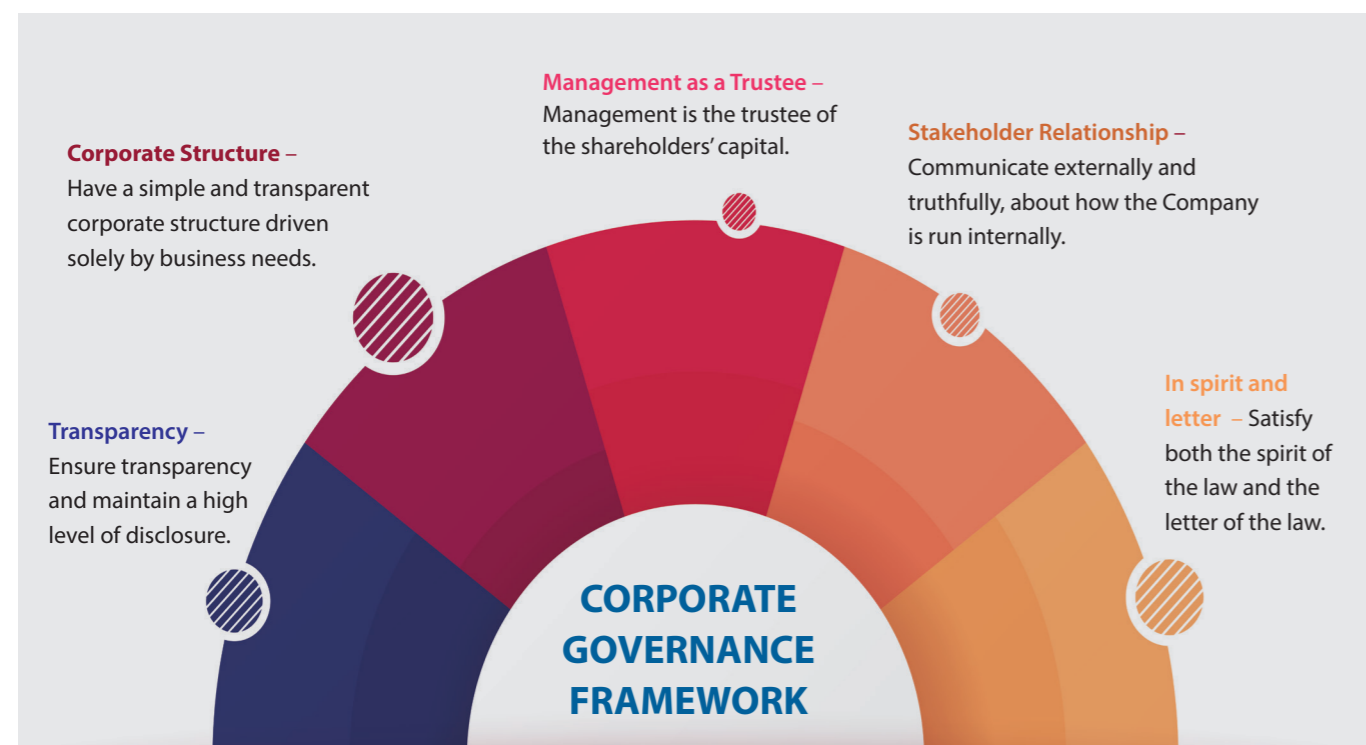

Corporate Governance refers to the way by which corporation is governed, a unique technique by which companies are directed and managed. Corporate Governance can be stated as carrying the business as per the stakeholders' desires in order to create a long-term sustainable value for our stakeholders' comprising of employees, regulators, customers, investors, vendors and society at large, through the best drawn ethical and legal practices. Arohan Financial Services Limited ("**Arohan**") recognizes its role as a corporate citizen and endeavor to adopt the best practices and the highest standards of Corporate Governance through transparency in business ethics, accountability to its customers, government and others. Integrity and transparency have always been a key to the Company's corporate governance practices to ensure that the Company gain and retain the trust of its stakeholders at all times.

The Company's activities are carried out in accordance with good corporate practices and the Company is constantly striving to better them and to ensure that the Company evolves and follow not just the stated corporate governance guidelines, but also global best practices. In pursuing its Mission of "empowering the underserved households and small businesses by offering a range of financial services, in a manner sustainable for all stakeholders", Arohan has been balancing its dual objectives of "social" and "financial" goals since its inception.

In India, Corporate Governance standards for listed companies are also mandated under the Companies Act, 2013 ("**CA 2013**") and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI LODR Regulations**"). In addition to the above, corporate governance standards for Non-Banking Financial Companies are also prescribed by Reserve Bank of India. The Company endeavors to ensure that highest standards of ethical and responsible conduct are met throughout the organization.

Corporate Governance Framework:

The driving principles of our corporate governance framework are encapsulated in the following diagram :

Governance Structure

Arohan's corporate governance structure, systems and processes are based on two core principles, viz., (a) management must have the executive freedom to drive the enterprise forward without undue restraints and (b) this freedom of management should be exercised within a framework of effective accountability.

Apart from the shareholders of the Company, the following governance level is followed in Arohan:

At the apex level, the general body of shareholders of the Company shall elect the Board of Directors at the General Meeting and the Board appoints the Managing Director of the Company, who in turn appoints the various other management executives of the Company.

BOARD OF DIRECTORS

Composition and Category of the Board

The Company has a broad-based Board of Directors, constituted in compliance with the RBI Act, 1934, the Companies Act, 2013, the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in accordance with good corporate governance practices. The Company recognizes and embraces the importance of a diverse Board and strongly believes that an active, well-informed, independent and diverse Board will leverage differences in thought, perspective, knowledge, skill, industry experience and age, which will help us retain and maximize our competitive advantage. The Board of Directors (**the Board**) is at the very root of Company's corporate governance practice and oversees and ensures that the Management serves and protects the long-term interest of all our stakeholders. The Board functions either as a full Board or through various committees constituted to oversee specific operational areas. As on March 31, 2024, the Company's Board is comprised of fifteen (15) Directors including, five (5) Non-Executive Independent Directors, One (1) Executive Director and Nine (9) Non-Executive Nominee Directors (which includes Two (2) Women Non-Executive Nominee Directors).

During the year under review, the Board met 9 (Nine) times on April 03, 2023, May 12, 2023, May 31, 2023, August 08, 2023, November 10, 2023, December 05, 2023, January 03, 2024, February 14, 2024 and March 13, 2024. The interval between the two meetings was well within the maximum period mentioned under Section 173 of the Companies Act, 2013.

Board Member's Evaluation

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board works with the Nomination and Remuneration Committee to lay down the evaluation criteria for the performance of the Board, including the Executives, Non-Executives, Independent Directors and Nominee Directors through a peer evaluation, excluding the director being evaluated. Some of the performance indicators based on which the directors were evaluated includes :

- Participation in the meeting
- Value addition
- Time devoted to analyse and examine governance and compliance issues
- Compliance with Law and relevant standards
- Effectiveness of Governance
- Risk Evaluation
- Independence of management from Board

Board of Arohan confirms that the Independent Directors fulfill the conditions specified in the regulations and are independent of the management.

Committees of the Board - Composition as on March 31, 2024

1. Audit Committee

The primary objective of the Audit Committee is to monitor and provide an effective supervision of the Management's financial reporting process, to ensure accurate and timely disclosures, with the highest levels of transparency, integrity and quality of financial reporting and the Committee assists the Board in dissemination of financial information. The terms of the reference of the Audit Committee covers all matters specified in Section 177 of the Companies Act, 2013. The terms of the reference broadly include review of internal audit reports and action taken reports, assessment of the efficacy of the internal control systems/financial reporting systems and reviewing of the adequacy of the financial policies and practices followed by the Company. The Audit Committee also looks after the compliance with the legal and statutory requirements, the quarterly and annual financial statements and related party transactions and report its finding to the Board. The Committee also recommends the appointment of statutory auditors to the Board. The Committee also looks into those matters specifically referred to it by the Board.

CERTIFICATE OF MD & CFO

To
The Board of Directors
Arohan Financial Services Limited

Dear Members of the Board,

Sub: Certification by Managing Director and Chief Financial Officer in terms of Regulation 17(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

1. We, the undersigned, in our respective capacities as the Managing Director and Chief Financial Officer of Arohan Financial Services Limited ("the Company"), in terms of Regulation 17(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, hereby certify that:

We have reviewed the Financial Statements, including the Cash Flow Statement, of the Company for the Financial Year ended March 31, 2024 and to the best of our knowledge and belief, we state that:

- (i) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
2. To the best of our knowledge and belief, there are no transactions entered into by the Company during the year, which are fraudulent, illegal, or in violation of the Company's Code of Conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
4. We have indicated to the Auditors and the Audit Committee:
- (i) significant changes in internal control over financial reporting during the year;
 - (ii) significant changes in accounting policies during the year and that the same have been disclosed in the notes to the Financial Statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Yours Sincerely

Independent Auditor's Report

To the Members of Arohan Financial Services Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Arohan Financial Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the financial statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements

in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act and other applicable authoritative pronouncement issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Arohan Financial Services Limited

Independent Auditors' Report of even date on the financial statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
1	<p>Impairment of Loans including Expected Credit Loss ("ECL")</p> <p>Refer Note 3(k) for material accounting policies and Note 41A for credit risk disclosures.</p> <p>The Company has reported gross loan assets of INR 678,619.46 lacs against which an impairment loss of INR 17,045.67 lacs has been recorded. The Company recognised impairment provision for loan assets based on the Expected Credit Loss approach laid down under 'Ind AS 109 – Financial Instruments'.</p> <p>The calculation of impairment losses on loans is complex and is based on the application of significant management judgement and the use of different modelling techniques and assumptions which are uncertain and could have a material impact on reported profits. The Company has applied a three-stage approach based on changes in credit quality to measure expected credit loss on loans which is as follows:</p> <ul style="list-style-type: none"> If the loan is not credit-impaired on initial recognition, then it is classified in 'Stage 1' and its credit risk is continuously monitored by the Company i.e. the default in repayment is within the range of 0 to 30 days. If a significant increase in credit risk since initial recognition is identified, it is moved to 'Stage 2' but is not yet deemed to be credit-impaired i.e. the default in repayment is within the range of 31 to 90 days. If the loan is credit-impaired, it is then moved to 'Stage 3' i.e. the default in repayment is more than 90 days. 	<p>Assessed the appropriateness of management's judgment and estimates used in the impairment analysis through procedures that included, but were not limited, to the following:</p> <ul style="list-style-type: none"> Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and assumptions. Since modelling assumptions and parameters are based on historical data, we assessed whether historical experience was representative of current circumstances and was relevant in view of the recent impairment losses incurred within the portfolios. Considered the Company's accounting policies for estimation of expected credit loss on loans and assessed the compliance with the policies in terms of Ind AS 109. Tested the design and operating effectiveness of key financial controls over the completeness and accuracy of the key inputs and assumptions considered for calculation, recording and monitoring of the impairment loss recognized. Also evaluated the controls over the modelling process, validation of data and related approvals. Understood and challenged the aforesaid assumptions through our understanding of the risk profile of the customers of the Company.

Arohan Financial Services Limited

Independent Auditors' Report of even date on the financial statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	<p>The Expected Credit Loss is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. Significant management judgement and assumptions involved in measuring ECL is required with respect to:</p> <ul style="list-style-type: none"> Determining the criteria for a significant increase in credit risk Factoring in future economic assumptions Techniques used to determine probability of default, loss given default and exposure at default. <p>These parameters are derived from the Company's internally developed statistical models and other historical data.</p> <p>In view of the above, the measurement of impairment loss on loans was determined to be a Key Audit Matter in our audit of the financial statements.</p>	<ul style="list-style-type: none"> Reconciled the total financial assets considered for ECL estimation with the books of account to ensure the completeness. Verified, on test check basis, whether appropriate staging of assets have been performed basis their days past due. Further, performed an overall assessment of the ECL provision levels at each stage. Verified assets in stage 1, 2 and 3 on sample basis and tested that they were allocated to the appropriate stage. For samples of exposure, verified the appropriateness of determining Exposure at Default (EAD), Probability of Default (PD) and Loss Given Default (LGD). Assessed the adequacy and appropriateness of disclosures in compliance with the Ind AS 107 in relation to ECL especially in relation to judgements used in estimation of ECL provision.
2	<p>Information Technology ("IT") Systems and Controls</p> <p>The Company has a complex IT system to support its recording of customer's operational data, business processes, ensuring complete and accurate processing of financial transactions and supporting the overall internal control framework.</p> <p>In particular, the IT system is used for recording all disbursements and collections, identification and tagging of pledged loans to customers and calculating interest income and overdue days.</p>	<p>Our audit procedures with respect to this matter include, but were not limited to the following:</p> <ul style="list-style-type: none"> Involved IT specialists as part of the audit for the purpose of testing the IT general controls and application controls (automated and semi-automated controls) to determine the accuracy of the information produced by the Company's IT systems. Obtained a comprehensive understanding of IT applications landscape implemented at the Company. It was followed by process understanding, mapping of applications to the same and understanding financial risks posed by people-process and technology.

Arohan Financial Services Limited

Independent Auditors' Report of even date on the financial statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	<p>The Company's accounting and financial reporting processes are dependent on automated controls enabled by IT systems which impacts key financial accounting and reporting items such as loans, interest income, impairment on loans amongst others. The reliability and security of IT systems play a key role in the business operation. The controls implemented by the Company in its IT environment determine the integrity, accuracy, completeness and validity of data that is processed by the applications and is ultimately used for financial reporting.</p> <p>Accordingly, we have identified 'IT systems and controls' as key audit matter because of the high level automation, significant number of systems being used by the management and the complexity of the IT architecture and its impact on the financial reporting system.</p>	<ul style="list-style-type: none"> Key IT audit procedures includes testing design and operating effectiveness of key controls operating over user access management (which includes user access provisioning, de-provisioning, access review, password configuration review, segregation of duties and privilege access), change management (which include change release in production environment are compliant to the defined procedures and segregation of environment is ensured), program development, computer operations (which includes testing of key controls pertaining to, backup, Batch processing (including interface testing), incident management and data centre security), System interface controls. This included testing that requests for access to systems were appropriately logged, reviewed, and authorized. Also, entity level controls pertaining to policy and procedure and business continuity plan assessment was also part of our audit procedure. In addition to the above, the design and operating effectiveness of certain automated controls, that were considered as key internal system controls over financial reporting were tested. Using various techniques such as inquiry, review of documentation / record / reports, observation, and re-performance. Tested compensating controls and performed alternate procedures, where necessary. In addition, understood where relevant, changes made to the IT landscape during the audit period.

Arohan Financial Services Limited

Independent Auditors' Report of even date on the financial statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Annual Report but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing

Arohan Financial Services Limited

Independent Auditors' Report of even date on the financial statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of material accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended March 31, 2024 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in

our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Arohan Financial Services Limited

Independent Auditors' Report of even date on the financial statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 60 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, as disclosed in the Note 61 to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the Note 61 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - v. The Company has declared dividend on compulsorily convertible preference shares during the year which is in compliance with section 123 of the Act.
 - vi. Based on our examination, the Company has used accounting softwares for maintaining its books of account which have a feature of recording audit trail (edit log) facility. The audit trail feature has been operated throughout the year for all transactions recorded in the accounting softwares. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.
3. As required by The Companies (Amendment) Act, 2017, in our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

Arohan Financial Services Limited

Annexure "A" to Independent Auditor's Report of even date on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024

- [Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]
- i.
 - (a) A. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment, and relevant details of right-of-use assets.
 - B. The Company has maintained proper records showing full particulars of intangible assets.
 - (b) All the Property, Plant and Equipment, and right of use assets were physically verified by the management in the previous year in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us, there are no immovable properties, and accordingly, the provisions stated under clause 3(i)(c) of the Order are not applicable to the Company.
 - (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
 - (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii.
 - (a) The Company is involved in the business of rendering services and does not hold any inventory. Accordingly, the provisions stated under clause 3(ii)(a) of the Order are not applicable to the Company.
 - (b) During the year the Company has been sanctioned working capital limits in excess of Rs. 5 crores in aggregate from Banks and/ financial institutions on the basis of security of loan (assets). Based on the records examined by us in the normal course of audit of the financial statements, quarterly returns / statements filed with such Banks/ financial institutions are in agreement with the books of accounts of the Company.
 - iii.
 - (a) As explained in Note 1 to the Financial Statements, the Company is a non-deposit taking non-banking financial company ("NBFC") registered with the RBI and as part of its business activities, is engaged in the business of lending across various types of loans. The Company's principal business is to give loans and is a registered NBFC. Accordingly, provisions stated under clause 3(iii)(a) of the Order is not applicable to the Company.
 - (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the investments made, guarantees provided, securities given and terms and conditions in relation to grant of all loans and advances in the nature of loans, investments made, guarantees provided and securities given are not prejudicial to the interest of the Company.
 - (c) The Company, being a NBFC, is registered under provisions of the Reserve Bank of India Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act, particularly, the Income Recognition, Asset Classification and Provisioning

Arohan Financial Services Limited

Annexure "A" to Independent Auditor's Report of even date on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

Norms and generally accepted business practices by the lending institutions, repayments schedules are stipulated basis the nature of the loan products. Having regard to the voluminous nature of loan transactions, it is not practicable to furnish borrower-wise details of the amount, due date for repayment or receipt and extent of delay in this report (as suggested in the Guidance Note on CARO 2020, issued by the ICAI for reporting under this clause), in respect of loans and

advances which were not repaid/ paid when they were due or were repaid/ paid with a delay, in the normal course of lending business.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the details of amount overdue for more than ninety days, on the loans and advances in the nature of loans, are as follows:

(in Lakhs)

No. of Cases	Principal amount overdue	Interest overdue	Total overdue	Remarks
75,865	4,581.82	1,335.64	5,917.46	According to the information and explanation given to us, reasonable steps have been taken by the Company for recovery of principal amount and interest.

- (e) The company's principal business is to give loans and is a registered NBFC, accordingly, provisions stated under clause 3(iii)(e) of the Order is not applicable.
- (f) According to the information explanation provided to us, the Company has not any granted loans and / or advances in the nature of loans, including to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013 either repayable on demand or without specifying any terms or period of repayment during the year. Accordingly, the provisions stated under clause 3(iii)(f) of the Order are not applicable to the Company.
- iv. According to the information and explanations given to us, there are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013, are applicable and accordingly, the provisions stated under clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company being Non-Banking

Finance Company registered with RBI, the provisions of Sections 73, 74, 75 and 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended, are not applicable to the Company. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in this respect.

- vi. The provisions of sub-Section (1) of Section 148 of the Act are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products of the Company. Accordingly, the provisions stated under clause 3(vi) of the Order are not applicable to the Company.
- vii.
- (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including

Arohan Financial Services Limited

Annexure "A" to Independent Auditor's Report of even date on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues have been regularly deposited by the Company with appropriate authorities though there has been a slight delay in a few cases.

There are no undisputed amounts payable in respect of Goods and Services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty

of customs, duty of excise, cess, and other statutory dues in arrears as at March 31, 2024, outstanding for a period of more than six months from the date they became payable.

- (b) According to the information and explanation given to us and examination of records of the Company, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024, on account of any dispute, are as follows:

(in Lakhs)

Name of the statute	Nature of dues	Amount Demanded	Amount Paid	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	6.18	-	AY 2012-13	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	22.89	22.88	AY 2014-15	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	9.13	1.85	AY 2017-18	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	3.10	-	AY 2022-23	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	0.54	-	AY 2023-24	Commissioner of Income Tax (Appeals)

- viii. According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment of the Company. Also, there are no previously unrecorded income which has been now recorded in the books of account. Accordingly, the provision stated under clause 3(viii) of the Order is not applicable to the Company.
- ix.
- (a) In our opinion and according to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.

- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised other than temporary deployment pending application of proceeds in the normal course of business.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-

Arohan Financial Services Limited

Annexure "A" to Independent Auditor's Report of even date on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

term basis have been used for long-term purposes by the Company.

(e) The Company does not have any subsidiary, associate, or joint venture. Accordingly, reporting under clause 3(ix)(e) of the order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate, or joint venture. Accordingly, reporting under clause 3(ix)(f) of the order is not applicable to the Company.

x.

(a) In our opinion and according to the information explanation given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions stated under clause 3(x)(a) of the Order are not applicable to the Company.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has made preferential allotment of compulsorily convertible preference shares during the year and the requirements of Section 42 and Section 62 of the Companies Act, 2013, have been complied with. The amount raised has been used for the purposes for which they were raised.

xi.

(a) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we report that no material fraud by the Company or on the Company has been noticed or reported during the year in the course of our audit.

(b) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to

be filed with the Central Government. Accordingly, the provisions stated under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing, and extent of audit procedures.

xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable and details of such transactions have been disclosed in Note 45 the financial statements as required by the applicable accounting standards.

xiv.

(a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till the date of our audit report, for the period under audit.

xv. According to the information and explanations given to us, in our opinion, during the year, the Company has not entered into any non-cash transactions with directors or persons connected with its directors and accordingly, the reporting on compliance with the provisions of Section 192 of the Companies Act, 2013 in clause 3(xv) of the Order is not applicable to the Company.

xvi.

(a) The Company is required to and has been registered under Section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) as Non-Banking Financial Institution.

Arohan Financial Services Limited

Annexure "A" to Independent Auditor's Report of even date on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

(b) The Company has conducted non-banking financial activities during the year and the Company holds a valid Certificate of Registration from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

(c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the provisions stated under clause 3(xvi)(c) of the Order are not applicable to the Company.

(d) According to the information and explanations provided to us, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any Core Investment Company (as part of its group). Accordingly, the provisions stated under clause 3(xvi)(d) of the order are not applicable to the Company.

xvii. Based on the overall review of financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, the provisions stated under clause 3(xvii) of the Order are not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the provisions stated under clause 3(xviii) of the Order are not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our

knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. According to the information and explanations given to us, the Company has met the criteria as specified under sub-section (1) of Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, however, in the absence of average net profits in the immediately three preceding years, there is no requirement for the Company to spend any amount under sub-section (5) of Section 135 of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. According to the information and explanations given to us, the Company does not have any Subsidiary, Associate or Joint Venture. Accordingly, reporting under clause 3(xxi) of the Order is not applicable.

Arohan Financial Services Limited

Annexure "B" to the Independent Auditor's report on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Arohan Financial Services Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company, has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct

of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Arohan Financial Services Limited

Annexure "B" to the Independent Auditor's report on the Financial Statements of Arohan Financial Services Limited for the year ended March 31, 2024 (cont'd)

Meaning of Internal Financial Controls With reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable

assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024

1 Corporate informatories

Arohan Financial Services Limited ('the Company') is incorporated under the provisions of the Companies Act 1956. The Company has been registered as a Non-Banking Financial Company ('NBFC') with the Reserve Bank of India ('the RBI') from 8 July 2009 and pursuant to the notification issued by the RBI for classification of NBFCs as Non-Banking Finance Company – Micro Finance Institutions ('NBFC-MFI'), the Company's application for registration as an NBFC-MFI was approved by the RBI on 10 January 2014. The Company has converted itself into a public limited company and changed its name to Arohan Financial Services Limited and has received a fresh certificate of incorporation dated May 25, 2018.

The Company is primarily engaged in providing the livelihood promotion services such as micro-credit to socio-economically disadvantaged customers un-reached by the formal banking systems. In addition to the core business of providing micro-credit, the company uses its distribution channel to provide certain other financial products and services.

2 Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These financial statements have been prepared by the Company in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016 (as amended), the provisions of the Act (to the extent notified and applicable) and other applicable guidelines issued by the RBI.

The financial statements for the year ended March 31, 2024 has been authorised and approved by the Board of Directors in their meeting held on May 24, 2024.

The Guidance Note on Division III - Schedule III to the Companies Act, 2013 issued by the Institute of Chartered Accountants of India ("ICAI") has been followed in so far as they are not inconsistent with any of these Directions.

(ii) Historical cost convention

These financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

3 Material accounting policies and key account estimates and judgements

a) Basis of preparation

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in note 43. The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

b) Use of estimates, judgments and assumptions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are:

Business model assessment

The Company determines the business model at a level that reflects how the financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset were held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be

appropriate and if it is not appropriate whether there has been a change in business model and accordingly prospective change to the classification of those assets are made.

Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair value measurements

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Impairment of loan portfolio

Judgment is required by management in the estimation of the amount and timing of future cash flows when determining an impairment allowance for loans and advances. In estimating these cash flows, the Company makes judgments about the borrower's financial situation. These estimates are based on assumptions about a number of factors such as credit quality, level of arrears etc. and actual results may differ, resulting in future changes to the impairment allowance.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

Provisions

Provisions created in respect of a range of future obligations such as litigation. Some of the provisions involve significant judgment about the likely outcome of various events and estimated future cash flows. The measurement of these provisions involves the exercise of management judgments about the ultimate outcomes of the transactions. Payments that are expected to be incurred after more than one year are discounted at a rate, which reflects both current interest rates and the risks specific to that provision.

Useful lives of depreciable/ amortisable assets

Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

c) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in the statement of profit and loss.

Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on the straight line method over the useful life of the assets as prescribed under Part 'C' of Schedule II, which is also the management's estimates of useful lives of such assets.

Asset class	Useful life
Office equipment	5 years
Computer equipment	3 years
Computer Servers	6 Years
Motor Vehicle	8 years
Furniture and fixtures	10 years

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use till useful life or the date the asset is sold/ disposed, whichever is earlier. The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the statement of profit and loss, when the asset is de-recognised.

Capital work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses incurred to acquire property, plant and equipment. Assets which are not ready to its intended use are also shown under capital work-in-progress.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

d) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (depreciation method, useful lives and residual value)

Intangible assets are amortised over a period of five years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Intangible assets under development

Intangible assets under development represents expenditure incurred in respect of intangible assets under development and are carried at cost.

Cost includes development cost, borrowing costs and other direct expenditure necessary to create, produce and repair the asset to be capable of operating in the manner intended by management. These are recognised as assets when the company demonstrate following recognition requirements:

- The development costs can be measured reliably
- The project is technically and commercially feasible
- The company intends to and has sufficient resources to complete the project
- The company has the ability to use or sell such intangible asset
- The asset will generate probable future economic benefits.

e) Revenue recognition

Interest and processing fee income on loans

Interest and processing fee income is recorded on accrual basis using the effective interest rate (EIR) method. Additional overdue interest/ penal charges, if any, are recognised only when it is reasonable certain that the ultimate collection will be made.

Income from assignment transactions

Income from assignment transactions i.e. present value of excess interest spread is recognised when the related loan assets are de-recognised. Interest income is also recognised on carrying value of assets over the remaining period of such assets.

Commission income

Income from insurance corporate agency and cross sale services is recognised as and when the services are rendered as per agreed terms and conditions of the contract.

Interest on fixed deposits

Interest income on deposits with banks is recognized in time proportion basis taking into account the amount outstanding and the rate applicable using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date.

Miscellaneous income

All other income is recognised on an accrual basis, when there is no uncertainty in the ultimate realisation/ collection.

f) Borrowing costs

Borrowing cost consists of interest and other cost that the Company incurred in connection with the borrowing of funds. All other borrowing costs are

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

g) Taxation

- a) Current tax:** Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.
- b) Deferred Tax:** Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent

that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity.

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax, current tax and tax expense for earlier years, except to the extent it recognized in other comprehensive income or directly in equity.

h) Employee benefits

Short term employee benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

Defined contribution plans

The company has a defined contribution plans like provident fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of profit and loss.

Defined benefit plans

The Company has an obligation towards gratuity and pension fund, defined benefit plan covering eligible employees. Under the defined benefit plans,

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

the amount that an employee will receive is defined by reference to the employee's length of service and last drawn salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/ losses resulting from re-measurements of the liability/ asset are included in other comprehensive income.

Other long-term employee benefits

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The liability in respect of accumulating compensated absences is estimated on the basis of an actuarial valuation performed by an independent actuary. Actuarial gains and losses arising from changes in actuarial assumptions are charged to Statement of profit and loss in the year in which such gain or losses are determined.

i) Share based payments

The Company has formulated an Employees Stock Option Schemes to be administered through a Trust. The fair value of options granted under Employee Stock Option Plan is recognised as an employee benefits expense with a corresponding increase in other equity.

The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number

of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in Statement of Profit and Loss, with a corresponding adjustment to equity.

Treasury shares are presented as a deduction from equity. The original cost of treasury shares and the proceeds of any subsequent sale are presented as movements in equity.

j) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use.

If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

k) Impairment of financial assets

The expected credit loss (ECL) allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss or LTECL), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss (12mECL). The Company's policies for determining if there has been a significant increase in credit risk.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- **Stage 1** (0-30 days) includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- **Stage 2** (31-90 days) includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- **Stage 3** (more than 90 days) includes loan assets that have objective evidence of impairment at the reporting date.

The ECL is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD)

The PD represents the likelihood of a borrower defaulting on its financial obligation, either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD)

LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD)

EAD is based on the amounts the Company expects to be owed at the time of default.

Management overlay is included in determining the 12-month and lifetime ECL. The assumptions

underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write off

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

of recovery. However financial assets that are written off could still be enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any subsequent recoveries made are recognised in the statement of profit and loss.

l) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand (including imprest), demand deposits and short-term highly liquid investments (certificate of deposits and commercial paper) that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

m) Provisions, contingent assets and contingent liabilities

Provisions are recognised only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

n) Leases

The Company as a lessee

The Company's lease asset classes primarily consist of leases for office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

o) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities are described below.

Non-derivative financial assets:

Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met :

- The asset is held within a business model whose objective is to hold assets for collecting contractual cashflows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

Non-performing financial assets are carried at amortised cost in the financial statement.

Financial assets carried at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows and selling financial assets
- The contractual terms of the financial asset meet the SPPI test.

FVOCI instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income are recognised in profit or loss in the same manner as for financial assets measured at amortised cost.

Investments

Investment in mutual funds and security receipts are measured at fair value through profit and loss (FVTPL).

Investment in equity are measured at fair value to other comprehensive income (FVOCI).

De-recognition of financial assets

Financial assets or a part of financial asset are derecognised when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

has not retained control, it shall also de-recognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities:

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there are a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

p) Earnings per equity share

Basic earnings per equity share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus

issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q) Segment reporting

The Company identifies segment basis of the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly reviewed by the CODM ('chief operating decision maker') and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

r) Government grants

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

Grant or subsidy relates to revenue, it is recognised as income on a systematic basis in profit or loss over the periods necessary to match them with the related costs, which they are intended to compensate.

s) Foreign currency

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees (₹), which is the Company's functional and presentation currency.

Transactions and balances

"Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially

recorded, are recognised in the Statement of Profit and Loss in the year in which they arise.

t) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

u) Dividend payment

Interim dividend declared to equity/ preference shareholders, if any, is recognized as liability in the period in which the said dividend is declared by the Board of Directors. Final dividend declared, if any, is recognized in the year in which the said dividend is approved by the Shareholders. Dividend payable is recognized directly in equity.

(***) In pursuant to the provisions of the Companies Act, 2013, the Company as per the circular resolution passed by the Board of Directors on March 22, 2024, converted all the Compulsorily Convertible Preference Shares ("CCPS") having face value of ₹ 6,053.02 lakhs were allotted to the CCPS holder for an aggregate amount of ₹ 51,450.70 lakhs, into equity shares (face value of ₹ 10 each) as per the Share Subscription Agreements (SSA) and as per the approval of the shareholders ranking pari-passu with the existing equity shares of the Company. During the year ended March 31, 2024, the Company has allotted 3,55,35,017 equity shares (face value of ₹ 10 each) pursuant to the compulsory conversion of these CCPS.

The Company also declared a dividend at 0.001% per annum on such conversion of CCPS into equity shares.

Terms and rights attached to compulsorily convertible preference shares:

The Company has only one class of compulsorily convertible preference shares (CCPS) which shall rank pari-passu with other preference shares. The CCPS shall carry a dividend of 0.001% per annum. The Company declares and pays dividend in Indian rupees (₹). The holder of CCPS shall not be entitled to any voting rights in the Company. The conversion of the CCPS into equity shares of the Company shall be triggered and the CCPS shall be converted into equity shares, in case of (i) Scenario 1, in no event later than 7 (seven) days from the date on which the applicable conditions set out in Scenario 1 below are satisfied ("Scenario 1 trigger date"); (ii) Scenario 2, within 30 (thirty) days from the date on which the applicable conditions set out in Scenario 2 below are satisfied; and (iii) Scenario 3, within 7 (seven) days from March 31, 2024, at such conversion price and on such terms as set out below:

- Scenario 1:** Occurrence of the full equity infusion that includes a qualified investment raise (as defined below) at a priced round/ pre-determined valuation for the Company, by March 31, 2024;
- Scenario 2:** Occurrence of the full equity infusion without the qualified investment raise (as defined below) by March 31, 2024; and
- Scenario 3:** Full equity infusion not having occurred by March 31, 2024.

"Qualified investment raise" shall mean a single external investment (that could include a secondary purchase of securities of the Company from its existing shareholders) from not more than 1 (one) external institutional investor (along with its affiliates) of an aggregate amount that is the ₹ equivalent of USD 25 million (calculated at the exchange rate) or more into the Company at a priced round/ pre-determined valuation for the Company, by March 31, 2024.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 24: Share capital (cont'd)

Conversion Terms:

- Upon occurrence of Scenario 1, the CCPS shall be compulsorily converted into such number of equity shares of the Company so as to provide an extended internal rate of return (XIRR) of 25% per annum (twenty five percent per annum) calculated in ₹ from the date of the infusion of the investment amount and until the Scenario 1 trigger date ("Scenario 1 Conversion Price"). Provided that, the conversion of the CCPS shall be subject to a minimum pre-money valuation floor of ₹ 1,500 crores and a maximum pre-money valuation cap of ₹ 2,000 crores.
- Upon occurrence of Scenario 2, the CCPS shall be compulsorily converted into equity shares at the higher of: (i) pre-money valuation of ₹ 1,500 crores; or (ii) 1.8 times of the book value of the Company as of March 31, 2023 (which shall be calculated by excluding any equity raise undertaken by the Company during financial year 2022-23, but including the impact from proceeds received pursuant to 'Assam write-back until September 30, 2023, tax affected' minus adjustments required pursuant to 'Deloitte's analysis' as of March 31, 2023), subject to a maximum pre-money valuation cap of ₹ 2,000 crores ("Scenario 2 conversion price").
- Upon occurrence of Scenario 3, subject to applicable law, the CCPS shall be compulsorily converted into equity shares of the Company at the floor price of 1 time of the book value of the Company as of September 30, 2022, as certified by the statutory auditor of the Company (including a confirmation on the ECL amount by the statutory auditor) ("Scenario 3 conversion price").

Note 25: Other equity	As at 31 March 2024	As at 31 March 2023
Securities premium	1,20,226.78	93,917.23
Statutory reserves	15,715.55	9,439.12
Retained earnings	45,670.93	20,935.40
General reserves	80.27	80.27
Share option outstanding account	1,940.55	1,433.07
Treasury shares	(7,899.62)	(7,041.43)
Total	1,75,734.46	1,18,763.66

Nature and purpose of reserves:

Securities premium

The securities premium represents premium received on issue of shares. This amount can be utilised in accordance with the provision of the Companies Act, 2013.

Statutory reserves

This reserve is created as per the provision of section 45(IC) of the Reserve Bank of India (RBI) Act, 1934. An amount equal to 20% of profits after tax is transferred to this reserve every year. This is a restricted reserve and any appropriation from this reserve can only be made after prior approval from Reserve Bank of India (RBI).

Retained earnings

The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the financial statements of the Company and also considering the requirements of the Companies Act, 2013. Thus, the amounts reported above are not distributable in entirety. Retained earnings is a free reserve, retained from company's profits to meet future obligations.

General reserves

The Company has transferred a portion of the net profit to general reserve before declaring dividend pursuant to the provision of erstwhile Companies Act.

Share option outstanding account

The reserve is used to recognised the fair value of the options issued to the employees of the Company under its stock option plan.

Treasury shares

The Company has created ESOP trust for providing ESOP to its employees. The Company treats ESOP trust as its extension and share held by ESOP trust are treated as treasury shares. Own equity instrument that are re-acquired (treasury shares) are recognised at cost and deducted from equity.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 26: Employee stock option scheme ('ESOP Scheme')

Arohan ESOP Trust ('ESOP Trust') was formed on March 19, 2010 to promote participation of the eligible employees of the Company in the ownership and growth of the Company and to confer on them certain welfare benefits through the implementation of the welfare schemes. Pursuant to the shareholders' approval in the meeting held on March 15, 2010 and April 27, 2018 (empowering the Board and Nomination and Remuneration Committee (NRC) to take any further decisions with regard to the ESOP schemes), the Board and Nomination and Remuneration Committee (NRC) has been authorized to issue employee stock options, that are exercisable into not more than 60,00,000 equity shares of the Company to eligible employees and has extended interest free loan to ESOP Trust under the Scheme to provide financial assistance to its employees to purchase equity shares of the Company under such the Scheme.

Presently, stock options have been granted or shares have been issued under the following scheme:

- A. ESOP 2017
- B. ESOP 2018 (grant 2018)
- C. ESOP 2018 (grant 2019)
- D. ESOP 2018 (grant 2020)
- E. ESOP 2021 (grant 2021)
- F. ESOP 2021 (grant 2022)
- G. ESOP 2021 (grant 2023)

(v) The Company has recognized share based payment expense of ₹ 515.76 Lakhs (March 31, 2023: ₹ 282.76 lakhs) during the year as proportionate cost.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 26: Employee stock option scheme ('ESOP Scheme') (Cont'd)

(vi) Following employees have received a grant in the reporting period of option amounting to 5% or more of total option granted against ESOP 2021 (grant 2023):

Name of Employee	Designation	Number of Options granted
Manoj Kumar N Nambiar	Managing Director	2,00,000
Milind R Nare	Chief Financial Officer	93,500
Arvind Murarka	Chief Information Officer	77,500
Ranjan Das	Chief Risk Officer	76,500

Note: There are no identified employees who were granted options, during any particular year, equal to or exceeding 1% of the issued capital (excluding outstanding warrants and conversions) of the company at the time of grant.

(vii) The fair value of the options granted is determined on the date of the grant using the "Black-Scholes option pricing model" with the following assumptions, as certified by an independent valuer.

Particulars	ESOP 2017	ESOP 2018 (grant 2018)	ESOP 2018 (grant 2019)	ESOP 2018 (grant 2020)	ESOP 2021 (grant 2021)	ESOP 2021 (grant 2022)	ESOP 2021 (grant 2023)
(A) Date of grant of options	August 29, 2017	May 16, 2018	May 16, 2019	August 04, 2020	June 05, 2021	August 19, 2022	August 30, 2023
(B) Fair market value of option on the date of grant	14.71	37.61	49.53	56.83	75.94	47.26	76.30
(C) Exercise price	84.70	130.00	162.80	170.00	210.00	153.94	124.00
(D) Expected volatility (%)	35.95	34.25	39.02	47.60	46.31	51.08	50.43
(E) Expected forfeiture percentage on each vesting date	-	-	-	-	-	-	-
(F) Expected option life (weighted average)	1.04	2.50	2.50	2.57	3.00	2.50	7.01
(G) Expected dividends yield	-	-	-	-	-	-	-
(H) Risk free interest rate (%)	6.07%	7.51%	6.75%	4.39%	4.95%	6.57%	7.07%

Note: The expected volatility was determined based on historical volatility data of the other comparable Company's shares listed on the Stock Exchange.

Note 27: Interest Income	Year ended 31 March 2024

Note 37: Employee benefits

The Company has adopted Indian Accounting Standard (Ind AS) - 19 on Employee Benefit as under :

A) Defined contribution plans

Provident and other funds

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and other funds which are defined contribution plans. The Company has no obligations other than this to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue.

Particulars	Year ended 31 March 2024	Year ended 31 March 2023
Employers contribution to provident and other fund	2,862.67	2,170.43

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 37: Employee benefits (Cont'd)

B) Defined benefit plans

(a) Gratuity

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The scheme is funded and the scheme is managed by Life Insurance Corporation of India ('LIC'). The liability of gratuity is recognized on the basis of actuarial valuation.

Risks associated with plan provisions

Salary increases	Actual salary increases will result in increase in the Plan's liability. Increase in salary rate assumption in future valuations will also increase the liability.
Investment risk	As plan is funded, assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality & disability	Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

(i) Amount recognised in the balance sheet is as under:

Particulars	As at 31 March 2024	As at 31 March 2023

Interest cost	155.26	118.01
Benefits paid	(356.65)	(234.69)
Actuarial (gain)/ loss on obligation		
Actuarial (gain)/ loss on arising from change in financial assumption	85.82	(71.00)
Actuarial (gain)/ loss on demographic assumptions	19.27	-
Actuarial (gain)/ loss on arising from experience adjustment	346.15	421.99
Present value of defined benefit obligation as at the end of the year	2,935.46	2,334.71

(iv) Major categories of plan assets (as percentage of total plan assets):

Particulars	As at 31 March 2024	As at 31 March 2023
Funds managed by LIC of India	100%	100%

(v) Movement in the plan assets recognised in the balance sheet is as under:

Particulars	As at 31 March 2024	As at 31 March 2023
Fair value of plan assets at beginning of the year	966.01	843.94
Interest income on plan assets	87.84	61.21
Employer's contribution	864.69	295.55
Benefits paid	(356.65)	(234.69)
Expected return on plan assets	(43.39)	-
Fair value of plan assets at the end of the year	1,518.50	966.01

(vi) Actuarial assumptions

Particulars	As at 31 March 2024	As at 31 March 2023
Discounting rate	7.00%	7.20%
Future salary increase	8.00%	8.00%
Retirement age (in years)	60	60
Withdrawal rate		
upto 5 years of service	50%	52%
More than 5 years of service	1%	1%
Weighted average duration (in years)	12	11

Mortality rates as per Indian Assured Life Mortality (2006-08) ultimate

Gratuity is payable to the employees on death or resignation or on retirement at the attainment of superannuation age. To provide for these eventualities, the Actuary has used Indian Assured Lives Mortality (2006-08) Ultimate table.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 37: Employee benefits (Cont'd)

B) Defined benefit plans (Cont'd)

(vii) Sensitivity analysis for gratuity liability

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	As at 31 March 2024	As at 31 March 2023
Impact of the change in discount rate		
Present value of obligation at the end of the year		
- Impact due to increase of 1%	(394.08)	(311.08)
- Impact due to decrease of 1%	491.18	389.71
Impact of the change in salary increase		
Present value of obligation at the end of the year		
- Impact due to increase of 1%	481.24	382.68
- Impact due to decrease of 1%	(394.15)	(311.72)

Sensitivities due to mortality and withdrawals are not material and hence impact of change due to these is not calculated.

Sensitivities as to rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable

(viii) Maturity profile of defined benefit obligation (discounted)

Particulars	As at 31 March 2024	As at 31 March 2023
Year		
0 to 1 year	227.95	286.70
1 to 2 year	219.42	131.69
2 to 3 year	68.62	209.50
3 to 4 year	80.82	85.50
4 to 5 year	67.23	116.51
5 year onwards	649.68	846.18
Total	1,313.72	1,676.08

(b) Pension Fund

The Company has a defined benefit pension plan. Family members of eligible deceased employee is entitled to pension as per the provisions of the Pension scheme. The liability of pension is recognized on the basis of actuarial valuation.

Risks associated with plan provisions

Salary increases	Actual salary increases will result in increase in the Plan's liability. Increase in salary rate assumption in future valuations will also increase the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality & disability	Actual deaths cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

(B) Fair value hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) for identical instruments in an active market.

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 input; and

Level 3: inputs that are not based on observable market data (unobservable inputs).

(C) Financial assets and liabilities measured at fair value - recurring fair value measurements

As at March 31, 2024	Level 1	Level 2	Level 3
Financial assets:			
Investments	-	9,016.08	-
Total	-	9,016.08	-

As at March 31, 2023	Level 1	Level 2	Level 3
Financial assets:			
Investments	-	7,877.00	-
Total	-	7,877.00	-

There are no such financial liabilities measured at fair value.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 40: Financial Instruments - fair value measurements (Cont'd)

(C) Financial assets and liabilities measured at fair value - recurring fair value measurements (Cont'd)

Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- Eligible portfolio loans valued by discounting the aggregate future cash flows (both principal and interest cash flows) with risk-adjusted discounting rate for the remaining portfolio tenor. The Company considers the average valuation impact arrived using average lending rate of last quarter.
- For unquoted equity instruments, the Company has used earning capitalisation method (fair value approach) discounted at a rate to reflect the risk involved in the business.
- For mutual funds and security receipts, the Company has used the net asset value (NAV) on the basis of the statement received from the investee party.

D) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are calculated using Level 2 inputs.

Particulars	As at March 31, 2024		As at March 31, 2023	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Cash and cash equivalents	93,896.05	93,896.05	55,656.06	55,656.06
Other bank balance	32,865.07	32,865.07	37,800.09	37,800.09
Trade receivables	225.91	225.91	1,537.64	1,537.64
Loans	6,61,573.79	6,62,101.05	4,78,221.95	4,75,004.70
Other financial assets	4,616.35	4,616.35	2,757.32	2,757.32
Total	7,93,177.17	7,93,704.43	5,75,973.06	5,72,755.81
Financial liabilities				
Debt securities	40,903.81	42,261.53	30,084.77	30,788.48
Borrowings (other than debt securities)	5,20,796.16	5,18,902.83	3,80,936.33	3,79,860.23
Subordinated liabilities	39,884.29	42,250.92	42,327.83	43,041.20
Other financial liabilities	11,443.11	11,443.11	9,946.14	9,946.14
Total	6,13,027.37	6,14,858.39	4,63,295.07	4,63,636.05

The respective carrying values of certain on-balance sheet financial instruments approximate their fair value. These financial instruments include cash on hand, balances with banks, receivables and certain other financial assets and liabilities. Carrying values were assumed to approximate fair values for these financial instruments as they are short-term in nature and their recorded amounts approximate fair values or are receivable or payable on demand.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 41: Financial risk management

Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company manages the risk basis policies approved by the board of directors. The board of directors provides written principles for overall risk management. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements

Risk	Exposure arising from	Measurement	Risk management
Credit risk	Cash and cash equivalents (excluding cash on hand), other bank balances, investments, loans, trade receivables and other financial assets.	Credit limit and ageing analysis	Highly rated bank deposits and diversification of asset base.
Liquidity risk	Borrowings, debt securities, subordinated liabilities, trade payables and other financial liabilities.	Cash flow forecasts	Committed borrowing and other credit facilities and sale of loan assets (whenever required).
Market risk - interest rate	Change in interest rate of variable rates borrowings, debt securities and subordinated liabilities.	Sensitivity analysis	Review of cost of funds and pricing disbursement.
Market risk - security price	Investments in equity securities, mutual funds, security receipts and certificate of deposits and commercial papers.	Sensitivity analysis	Diversification of portfolio, with focus on strategic investments.

In order to avoid excessive concentration of risk, the Company's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

(A) Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents excluding cash in hand, other bank balances, investments, loan assets, trade receivables and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. The Company assesses and manages credit risk based on risk monitoring and measurement metrics and well defined loan appraisal process. Internal credit rating and monitoring is performed for each class of financial instruments with different characteristics. The Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- Low credit risk
- Moderate credit risk
- High credit risk

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 41: Financial risk management (Cont'd)

a) Credit risk management (cont'd)

The Company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents (excluding cash on hand), other bank balances, investments, loans, trade receivables and other financial assets	Life time expected credit loss or 12 month expected credit loss
Moderate credit risk	Loans	Life time expected credit loss or 12 month expected credit loss
High credit risk	Loans	Life time expected credit loss or fully provided for

Financial assets that expose the entity to credit risk

Particulars	As at 31 March 2024	As at 31 March 2023
(i) Low credit risk		
Cash and cash equivalents (*) (#)	93,871.21	55,620.01
Other bank balances (*)	32,865.07	37,800.09
Trade receivables (*)	225.91	1,685.08

(*) Represent gross carrying values of financial assets, without netting off impairment loss allowance.

(#) Exclude cash in hand balance since there is no credit risk.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents (excluding cash on hand) and bank deposits is managed by only accepting highly rated deposits from banks and financial institutions across the country.

Trade receivables

Trade receivables measured at amortised cost and credit risk related to these are managed by monitoring the recoverability of such amounts continuously.

Other financial assets

Other financial assets measured at amortized cost includes security deposits, receivable on assignment, insurance claim receivables and other receivables. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 41: Financial risk management (Cont'd)

a) Credit risk management (cont'd)

Loans

The Company closely monitors the credit-worthiness of the borrower's through internal systems and appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become 90 days past due.

The major guidelines for selection of the client includes:

1. The client's income and fixed obligation to income ratio levels must be within the prescribed guidelines of Reserve Bank of India;
2. The client must possess the required KYC documents;
3. The client's household must be engaged in some form of economic activity which ensures regular and assured income;
4. Client must agree to follow the rules and regulations of the organisation and
5. Credit bureau check – In order to deal with the problem of over extension of credit and indebtedness of the client, the organisation undertakes credit bureau checks compulsorily for every client. The credit bureau check helps the organisation in identifying clients with poor repayment histories and multiple loans.

b) Credit risk exposure

i) Expected credit losses for financial assets other than loans

The Company has made expected credit losses for financial assets other than loans.

Particulars	Cash and cash equivalents (*)	Other bank balances	Trade receivables	Investments	Other financial assets
Year ended March 31, 2024					
Estimated gross carrying amount	93,871.21	32,865.07	225.91	11,016.08	4,706.71
Less: Expected credit losses	-	-	-	2,000.00	90.36

Carrying amount net of impairment allowance	55,620.01	37,800.09	1,537.64	7,877.00	2,757.32

(*) Exclude cash in hand balance since there is no credit risk.

ii) Movement of carrying amount and expected credit loss for loans

Definition of default: The Company considers default in all cases when the borrower becomes 90 days past due on its contractual payments. The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default.

(#) If the probability of default increases or decreases by 10 basis point the expected credit loss will increase or decrease by ₹ 436.98 lakhs respectively. Similarly, if the loss given default increases or decreases by 100 basis point the expected credit loss will increase or decrease by ₹ 73.27 lakhs respectively.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 41: Financial risk management (Cont'd)

(c) Concentration of loans

Particulars	As at 31 March 2024	As at 31 March 2023
Micro finance loans	6,58,912.70	5,05,831.33
Secured term loans to corporates (#)	19,706.76	854.79
Total	6,78,619.46	5,06,686.12

(#) The secured term loans disbursed to corporates are all secured by book debts.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities (other than derivatives) that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. The Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors the Company's liquidity positions (also comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. The Company also takes into account liquidity of the market in which the entity operates.

(i) Financing arrangements

The Company has access to the following funding facilities:

As at 31 March 2024	Total facility	Drawn	Undrawn
- Expiring within one year	2,03,000.00	99,200.00	1,03,800.00
- Expiring beyond one year	-	-	-
Total	2,03,000.00	99,200.00	1,03,800.00

As at 31 March 2023	Total facility	Drawn	Undrawn
- Expiring within one year	70,000.00	33,500.00	36,500.00
- Expiring beyond one year	-	-	-
Total	70,000.00	33,500.00	36,500.00

(#) Investment includes Security Receipts, the cash flow of which is difficult to estimate hence classified as per the residual maturity allowed by RBI.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 41: Financial risk management (Cont'd)

(C) Market risk

a) Interest rate risk

(i) Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. As at March 31, 2024, the Company is exposed to changes in market interest rates through debt securities, other borrowings and subordinated liabilities at variable interest rates.

Interest rate risk exposure

Below is the overall exposure (*) of the Company to interest rate risk:

Particulars	As at 31 March 2024	As at 31 March 2023
Variable rate liabilities		
Debt securities	-	-
Borrowings (other than debt securities)	4,37,343.51	2,49,645.59
Subordinated liabilities	-	2,500.00
Fixed rate liabilities		
Debt securities	40,050.00	29,120.00
Borrowings (other than debt securities)	43,653.65	59,295.40
Subordinated liabilities	40,000.00	40,000.00
Liability against securitisation	41,003.55	72,139.97
Total	6,02,050.71	4,52,700.96

(*) Figures are presented at principal carrying value.

Sensitivity

The sensitivity of the statement of profit and loss is the effect of the changes in market interest rates on debt securities, other borrowings and subordinated liabilities. Below is the sensitivity of profit and loss in interest rates.

Particulars	Year ended 31 March 2024	Year ended 31 March 2023
Interest sensitivity*		
Interest rates – increase by 0.50%	2,530.71	2,016.23
Interest rates – decrease by 0.50%	(2,530.71)	(2,016.23)

* Holding all other variables constant

(ii) Assets

The Company's fixed deposits are carried at amortised cost bearing fixed rate of interest, hence sensitivity analysis is not been presented.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 41: Financial risk management (Cont'd)

(C) Market risk (cont'd)

(b) Price risk

Exposure

The Company's price risk exposure arises from investments held and classified in the balance sheet either as fair value through other comprehensive income or at fair value through profit and loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets. As on balance sheet date there is no material investment in their balance sheet.

Legal and operational risk

Legal risk

Legal risk is the risk relating to losses due to legal or regulatory action that invalidates or otherwise precludes performance by the end user or its counterparty under the terms of the contract or related netting agreements.

The Company has developed preventive controls and formalised procedures to identify legal risks so that potential losses arising from non-adherence to laws and regulations, negative publicity, etc. are significantly reduced. As at 31 March 2024, there are no material legal cases pending against the Company. Based on the opinion of the Company's legal advisors, the management believes that no substantial liability is likely to arise from these cases.

Operational risk

Operational risk framework is designed to cover all functions and verticals towards identifying the key risks in the underlying processes. The framework, at its core, has the following elements:

1. Documented Operational Risk Management Policy.
2. Well defined Governance Structure.
3. Use of identification and monitoring tools such as Loss Data Capture, Key Risk Indicators, BRisk Operation Grading of branches every quarter.
4. Standardised reporting templates, reporting structure and frequency.

The Company has adopted the internationally accepted 3-lines of defence approach to operational risk management.

First line – Field Operations, Central Operation & Product function and Credit vertical exercise & also evaluate internal compliance and thereby lay down/ calibrates processes & policies for further improvement. Thus, the approach is "bottom-up", ensuring acceptance of findings and faster adoption of corrective actions, if any, to ensure mitigation of perceived risks.

Second line – Independent risk management vertical supports the first line in providing deep analytics insights, influencing risk mitigation strategies and provides oversight through regular monitoring. All key risks are presented to the Risk Management Committee on a quarterly basis.

Third line – Internal Audit conducts periodic risk-based audits of all functions and process to provide an independent assurance to the Audit Committee.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 42: Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to comply with externally imposed capital requirement and maintain strong credit ratings
- to provide an adequate return to shareholders

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

Particulars	As at 31 March 2024	As at 31 March 2023
Net debt (*)	6,01,584.26	4,53,348.93
Total equity	1,91,475.69	1,33,802.51
Net debt to equity ratio	3.14	3.39

(*) Net debt includes debt securities, borrowings other than debt securities, subordinated liabilities, interest accrued and net off loan processing cost.

Note 43: Maturity analysis of assets and liabilities

The table below shows an analysis of assets and liabilities analysed according to when they are expected to be recovered or settled.

(#) Investment includes Security Receipts, the cash flow of which is difficult to estimate hence classified as per the residual maturity allowed by RBI.

Note 44: Transferred financial assets

In the course of its micro finance activity, the Company makes transfers of financial assets, where legal rights to the cash flows from the asset are passed to the counterparty and where the Company retains the rights to the cash flows but assumes a responsibility to transfer them to the counterparty.

The Company has securitised its loan assets to an unrelated, related and other entities. As per the terms of the agreements, the Company is exposed to first loss default guarantee ranging from 17% to 20% of the amount securitised and therefore continues to be exposed to significant risk and rewards relating to the underlying mortgage receivables. Hence, these loan assets are not derecognised and proceeds received are presented as borrowings.

The following tables provide a summary of financial assets that have been transferred in such a way that part or all of the transferred financial assets do not qualify for derecognition, together with the associated liabilities:

Securitisation	As at 31 March 2024	As at 31 March 2023
Gross carrying amount of securitised assets	41,673.59	79,717.95
Gross carrying amount of associated liabilities	41,003.55	72,139.97
Carrying value and fair value of securitised assets	41,673.59	79,717.95
Carrying value and fair value of associated liabilities	41,003.55	72,139.97
Net position	670.04	7,577.98

- Investment includes Security Receipts, the cash flow of which is difficult to estimate hence classified as per the residual maturity allowed by RBI.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 53: Disclosures related to significant counterparty pursuant to the RBI Master direction circular RBI/DoR/2023-24/106 DoR.FIN.REC.No.45/03.10.119/2023-24

(i) Funding concentration based on significant counterparty on borrowings	As at 31 March 2024	As at 31 March 2023
Number of significant counterparties (*)	20	23
Amount of borrowed funds from significant counterparties (*) (#)	5,05,108.99	4,16,377.37
Percentage (%) of total deposits	Not applicable	Not applicable
Percentage of total liabilities	81.46%	88.97%

(*) During the current financial year there is one significant counterparty represents related party and the transaction are at arm's length price.

(#) Accrued interest on borrowings have been considered in above calculation.

Notes:

- A "Significant counterparty" is defined as a single counterparty or group of connected or affiliated counterparties accounting in aggregate for more than 1% of the NBFC-NDSI's, NBFC-Ds total liabilities and 10% for other non-deposit taking NBFCs.
- Total Liabilities has been computed as total assets less equity share capital less reserve & surplus and computed basis extant regulatory ALM guidelines.
- Top 20 large deposits (amount in ₹ lakhs and % of total deposits)** - The Company does not accept deposit hence not applicable.

(iii) Top ten borrowings	As at 31 March 2024	As at 31 March 2023
Amount of borrowed funds from top ten significant counterparties (*) (#1)	3,60,245.66	3,10,553.84
Percentage (%) of total borrowings (#2)	59.84%	68.60%

(*) During the current financial year there is one significant counterparty represents related party and the transaction are at arm's length price.

Note:

- Accrued interest on borrowings have not been considered in above calculation.
- Total borrowing has been computed as gross total debt basis extant regulatory ALM guidelines which includes securitisation transactions.
- Funding concentration based on significant instrument/ product

Name of the instrument/ product	As at 31 March 2024		As at 31 March 2023	
	Amount (**)	Percentage of total liabilities	Amount (**)	Percentage of total liabilities
Debt securities	40,050.00	6.46%	29,120.00	6.22%
Borrowings (other than debt securities)	5,22,000.71	84.18%	3,81,080.96	81.43%
Subordinated liabilities	40,000.00	6.45%	42,500.00	9.08%

Note:

- A "significant instrument/ product" is defined as a single instrument/ product of group of similar instruments/ products which in aggregate amount to more than 1% of the NBFC-NDSI's, NBFC-Ds total liabilities and 10% for other non-deposit taking NBFCs.
- Total liabilities has been computed as total assets less equity share capital less reserve & surplus and computed basis extant regulatory ALM guidelines.
- Figures are based on gross borrowing outstanding and does not includes accrued interest and other Ind AS adjustments.

(vi) Institutional set-up for Liquidity Risk Management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk. The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC are held at quarterly interval. Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite and guard-rails approved by the Board. The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in a month or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the RMC and the Board of Directors in its next meeting for its perusal/ approval/ ratification.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 54: Disclosures related to Liquidity coverage Ratio (LCR) pursuant to the RBI Master direction circular RBI/DoR/2023-24/106 DoR.FIN.REC.No.45/03.10.119/2023-24

Liquidity coverage Ratio (LCR) is a tool for measuring and promoting short term resilience of the company to potential liquidity disruptions by ensuring maintenance of sufficient unencumbered high quality liquid assets (HQLA's) to survive at severe stress scenario lasting for 30 calendar days. Reserve Bank of India (RBI) introduced the LCR requirement for all non-deposit taking NBFC's with an asset size of ₹ 5,000 crore and above.

The ratio comprises of HQLA's as numerator and net cash outflows in next 30 calendar days as denominator.

HQLA computation consist of two parts i.e. (i) assets to be included as HQLA without any haircut i.e. cash, government securities, etc. and (ii) assets to be considered for HQLA with haircuts (ranging 15% to 50%) which comprises of investments in highly rated non-financial corporate bonds and listed equity investments which are considered at prescribed haircuts.

In order to determine net cash outflows, the company considers total expected cash outflow minus total expected cash inflows for the subsequent 30 calendar days. As per regulations, stressed cash flows is computed by assigning a predefined stress percentage to the overall cash inflows and cash outflows. Net cash outflow over next 30 days is computed as stressed outflows less minimum of stressed inflows or 75% of stressed outflow. accordingly, LCR would be computed by dividing company's stock of HQLA by its total net cash outflow.

The LCR requirement has been inducted in a phased manner with company required to maintain minimum LCR of 30% from December, 1, 2020 eventually increasing to 100% by December 31, 2024. the company has implemented the LCR framework and has consistently maintained LCR well above the regulatory threshold for all the quarters during the current financial year. The company has maintained an average LCR of 843% for the quarter ended March 31, 2024 (for the quarter ended March 31, 2023 : 415%) as against minimum regulatory requirement of 85% (March 31, 2023 : 60%). the company has maintained average HQLA as of ₹ 96,513.16 lakhs for the quarter ended March 31, 2024 (for the quarter ended March 31, 2023 : ₹ 60,909.66 lakhs).

The company has adopted the liquidity risk framework as required under RBI regulation. The Board of Directors have delegated responsibility of balance sheet liquidity Risk management to the asset liability committee (ALCO). ALCO reviews asset liability mismatches (ALM) and ensures that there are no excessive concentration of either assets or liability side of the balance sheet. liquidity risk is managed in accordance with ALM policy. The same is reviewed periodically to incorporate regulatory changes, economic scenario and business requirements of the company.

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 57: Disclosure in respect of Corporate Social Responsibility under section 135 of the Act and Rules thereon

A CSR committee has been formed by the Company as prescribed under section 135 as per Company Act 2013. Corporate social responsibility (CSR) expense is nil during the financial year as the average net profit over the preceding three years was inadequate.

Particulars	Year ended 31 March 2024	Year ended 31 March 2023
(a) Gross amount required to be spent during the year	-	21.83
(b) Amount of expenditure incurred during the year	-	21.83
(c) Shortfall at the end of the year	-	-
(d) Total of previous years shortfall	-	-
(e) Reason for shortfall	-	-
(f) Nature of CSR activities (*)	-	-
(g) Details of related party transactions	-	7.16
(h) where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year shall be shown separately		
At the beginning of the year	5.93	9.88
Fresh provision made during the year	-	1.50
Payment made during the year	5.78	5.45
At the closing of the year	0.15	5.93

(*) CSR activities includes environmental and social initiatives. In environmental initiatives there are certain projects like disaster relief, safe drinking water & sanitation and water conservation whereas social initiatives includes activities as women empowerment & education, livelihood trainings, menstrual hygiene and health and well being.

Note 58: Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. The Company is in a single business segment (primary segment) of providing financial services to customers in India. Further, the Company is operating in India which is considered as a single geographical segment.

Note 59: Lease related disclosures

(a) Company as a lessee

In the Statement of Profit and Loss for the current and previous year, operating lease expenses which were recognised as rental expenses is now recognised as depreciation expense for the right-of-use asset and finance cost for interest accrued on lease liability. De-recognition of rental expenses and recognition of depreciation and finance cost have positively impacted EBIDTA by ₹ 261.49 lakhs (March 31, 2023 : ₹ 216.85 lakhs) and negatively impacted the PBT by ₹ 13.19 lakhs (March 31, 2023 : ₹ 11.82 lakhs).

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 59: Lease related disclosures (Cont'd)

(b) The table below describes the nature of Company's leasing activities by type of right-of-assets recognised on balance sheet:

As on March 31, 2024

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Office premises	12	2 months to 104 months	25 months	12	-	-
Furniture	4	63 months to 100 months	73 months	4	-	-

As on March 31, 2023

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Office premises	10	8 months to 35 months	24 months	10	-	-
Furniture	3	75 months	75 months	3	-	-

(c) Lease payments, not recognised as a liability

The Company has elected not to recognise a lease liability for short term leases (leases with an expected term of 12 months or less) or for leases of low value assets. Payments made under such leases are expensed on a straight-line basis. The expense relating to payments not included in the measurement of the lease liability is as follows:

Particulars	Year ended 31 March 2024	Year ended 31 March 2023
Short-term leases	1,558.83	1,286.03

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 59: Lease related disclosures (Cont'd)

(d) Total future lease payments relating to underlying leases are as follows:

Particulars	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	As at 31 March 2024
Lease payments	269.00	185.43	131.29	123.90	123.90	254.55	1,088.07
Less: Finance cost	75.27	57.07	46.24	37.44	27.93	40.72	284.67
Net present values	193.73	128.36	85.05	86.46	95.97	213.83	803.40

Particulars	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	As at 31 March 2023
Lease payments	223.27	177.98	89.61	56.25	56.25	70.31	673.67
Less: Finance cost	48.78	31.74	19.33	14.22	9.58	4.69	128.34
Net present values	174.49	146.24	70.28	42.03	46.67	65.62	545.33

(e) Total cash outflow for leases for the year ended March 31, 2024 was ₹ 261.50 lakhs (March 31, 2023: ₹ 216.86 lakhs).

(f) The Company has leases for office building and furnitures. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Company classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises, the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. Further, the Company is required to pay maintenance fees in accordance with the lease contracts.

(g) As per Ind AS 116 the weighted average incremental borrowing rate applied to lease liabilities recognised was 11%.

Note 60: Contingent liabilities and commitments

Particulars	As at 31 March 2024	As at 31 March 2023
(a) Demand for income tax received from income tax authorities in respect of which the Company has gone for appeal. Based on the management assessment, crystallization of liability on these items is not considered probable and hence not acknowledged as debt by the Company.	17.12	16.57
(b) Sanctioned loan undisbursed.	1,500.00	-
(c) Capital commitment for purchase/ development of tangible and intangible asset (net of advances).	62.68	78.08

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 61: Additional regulatory information pursuant to Ministry of Company Affairs Notification dated March 24, 2021:

A. Title deeds of Immovable Property

The Company does not own any immovable property in the form of land and building

B. Loans or advances in the nature of loans are granted to promoters, directors, KMPs and the related parties

The Company has not granted any loans to promoters, directors, KMPs and the related parties

C. Details of Benami Property held

There have been no proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

D. Borrowings from banks or financial institutions on the basis of security of current assets

The Company has availed borrowings from banks or financial institutions on the basis of security of current assets and the returns or statements of current assets filed by the Company with banks or financial institutions as at March 31, 2024, are in agreement with the books of accounts.

E. Wilful Defaulter

The Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

F. Relationship with Struck off Companies

The Company has not entered into any transactions with the companies struck off under section 248 of the Act or section 560 of the Companies Act, 1956.

G. Registration of charges or satisfaction with Registrar of Companies (ROC)

There are no charges or satisfaction yet to be registered with ROC beyond the statutory period as at March 31, 2024 except the following where no dues certificate has not been received from the lenders and pending for charge satisfaction

Lenders*	Charge ID	Sanction Date	Amount	Closure Date
Canara Bank	100340806	November 20, 2019	1,500.00	June 20, 2023
Hinduja Leyland Finance Limited	100563244	March 31, 2022	2,500.00	March 31, 2024
Bandhan Bank	100546986	March 07, 2022	30,000.00	March 31, 2024
Hong Kong and Shanghai Banking Corporation (HSBC)	100550384	March 15, 2022	5,250.00	March 24, 2024
Maanaveeya Development & Finance Private Limited	100552081	March 21, 2022	3,000.00	March 30, 2024

*All the charge satisfactions are filed subsequent to the reporting date

H. Compliance with number of layers of companies

The Company has no subsidiaries or investments in other companies, accordingly compliance with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017, are not applicable.

Arohan Financial Services Limited

Notes to financial statements for the year ended March 31, 2024 (Contd.)

(All amounts in ₹ lakhs unless otherwise stated)

Note 61: Additional regulatory information pursuant to Ministry of Company Affairs Notification dated March 24, 2021: (Contd.)

I. Ratios

Particulars	As at 31 March 2024	As at 31 March 2023	Percentage change in ratio	Explanation
(a) Debt equity ⁽²⁾ [refer note 42]	3.14	3.39	(7.00%)	Reduction in debt equity ratio is due to infusion and conversion of compulsorily convertible preference shares into equity shares.
(b) Return on equity ratio ⁽³⁾	19.30%	5.99%	222.00%	Improvement in ratios are due to increase in business volume as compared to the last year
(c) Net profit ratio ⁽⁴⁾	25.92%	8.41%	208.00%	
(d) Return on capital employed ⁽⁵⁾	19.30%	5.99%	222.00%	
(e) Current ratio ⁽¹⁾	Not applicable	-	-	
(f) Debt service coverage ratio ⁽¹⁾	Not applicable	-	-	
(g) Inventory turnover ratio ⁽¹⁾	Not applicable	-	-	
(h) Trade receivables turnover ratio ⁽¹⁾	Not applicable	-	-	
(i) Trade payables turnover ratio ⁽¹⁾	Not applicable	-	-	
(j) Net capital turnover ratio ⁽¹⁾	Not applicable	-	-	
(k) Return on investment ⁽¹⁾	Not applicable	-	-	

Notes:

- The Company is a Non-Banking Financial Company registered under Reserve Bank of India Act, 1934, hence these ratios are not applicable
- Debt equity ratio = (debt securities + borrowings-other than debt securities + subordinated liabilities) / net worth, where net worth is aggregate of equity share capital and other equity.
- Return on equity ratio = profit after tax / average net worth
- Net profit ratio = profit before tax/ total revenue from operation
- Return on capital employed = profit after tax / average networkth

J. Compliance with approved Scheme(s) of Arrangements

There are no Scheme of Arrangements approved by the Competent Authority in terms of section 230 to 237 of the Act.

K. Utilisation of borrowed funds and share premium

No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries). The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
