The highlight of the Policy is as follows:

**Procedure for selection and appointment of the Board Members****Board membership criteria:**

The Committee, along with the Board, shall review on an annual basis, appropriate skills, characteristics and experience required of a Board Member, KMP and SMP for the better management of the Company. The objective is to have a Board with diverse background and experience in business, government, academics, technology and in areas that are relevant for the Company's global operations.

In evaluating the suitability of individual Board members, the Committee shall take into account many factors, including general understanding of the Company's business dynamics, global business and social perspective, educational and professional background and personal achievements. Directors must possess experience at policy-making and operational levels in large organizations that will indicate their ability to make meaningful contributions to the Board's discussion and decision-making in the area of complex issues facing the Company.

Director should possess the highest personal and professional ethics, integrity and values. They should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular constituency.

In addition, Directors must be willing to devote sufficient time and energy in carrying out their duties and responsibilities effectively. They must have the aptitude to critically evaluate management's working as part of a team in an environment of collegiality and trust.

The Committee shall evaluate each individual with the objective of having a group that best enables the success of the Company's business.

**Annual Evaluation of Board and Directors**

As required under the Companies Act, 2013, an evaluation of the performance of the Independent Directors was carried out by the Board of Directors during the year, based on the criteria laid down by the Nomination and Remuneration Committee. On and overall assessment, it was found that all the Independent Directors have given a good account of themselves. The Board concluded that the Independent Directors individually and collectively were well qualified and their contributions were in the interest of the Company.

The Independent Directors in a separate meeting held on 20<sup>th</sup> February, 2024 reviewed and evaluated the performance of Non- Independent Directors, Board as a whole and the performance of the Chairman of the Company.

Keeping the requirements under the Act, the Independent Directors laid down broad areas for evaluation. After detail discussion, it was concluded that the performance of the Board collectively and the Directors individually on all counts of evaluation were appreciable.

The performance of the Executive Chairman and Executive Director was evaluated by Independent Directors for leadership and direction to the Company judging as per the parameters of the evaluation criteria and it was noted that their performance was satisfactory. It was further noted that the Executive Chairman took proper initiative in policy decision making with the senior executives and Board.

The Board carried out the performance evaluations of its committees.

**Selection of Board Members/ extending invitation to a potential director to join the Board:**

One of the roles of the Committee is to periodically identify competency gaps in the Board, evaluate potential candidates as per the criteria laid above, ascertain their availability and make suitable recommendations to the Board. The objective is to ensure that the Company's Board is appropriate at all points of time to be able to take decisions commensurate with the size and scale of operations of the Company. The Committee also identifies suitable candidates in the event of a vacancy being created on the Board on account of retirement, resignation or demise of an existing Board member. Based on the recommendations of the Committee, the Board evaluates the candidate(s) and decides on the selection of the appropriate member.

The Board then shall make an invitation (verbal / written) to the new member to join the Board as a Director. On acceptance of the same, the new Director may be appointed by the Board.

**Procedure for selection and nomination of KMPs and SMPs**

The Committee shall actively liaise with the relevant departments of the Company to study the requirement for management personnel and produce a written document thereon;

The Committee may conduct a wide-ranging search for candidates for the positions of KMP and SMP within the Company, within enterprises controlled by the Company or within enterprises in which the Company holds equity and on the human resources market;

The professional, academic qualifications, professional titles, detailed work experience and all concurrently held positions of the initial candidates shall be compiled as a written document;

A meeting of the Committee shall be convened and the qualifications, experience, skills and other capability of the initial candidates shall be examined. After such examination recommendation for appointment of KMP and SMP together with the relevant information about the appropriate candidate(s) shall be submitted to the Board of Directors;

The Committee shall carry out other follow-up tasks based on the decisions of and feedback from the Board of Directors.

**Remuneration to Non-Executive Directors:**

The Non-Executive Directors of the company are paid remuneration by way of sitting fees for attending the meetings of the Board of Directors and its Committees and the commission. The sitting fees of the Non-Executive Directors for attending meetings of Board of Directors and the Committees thereof may be modified from time to time only with the approval of the Board in due compliance of the provisions of Companies Act, 2013 and amended from time to time.

**Remuneration to Executive Directors, Key Managerial Personnel(s) (KMPs) & Senior Management Personnel (s) (SMPs):**

The Company has a credible and transparent framework in determining and accounting for the remuneration of the Managing Director/Whole Time Directors (MD/WTDs), Key Managerial Personnel(s) (KMPs) and Senior Management Personnel(s) (SMPs). Their remuneration shall be governed by the external competitive environment, track record, potential, individual performance and performance of the Company as well as industry standards. As a policy, the Executive Directors are neither paid sitting fee nor any commission.

The Nomination & Remuneration Policy can be accessed at the [www.heilindia.com/pdf/HEIL\\_NR\\_Policy](http://www.heilindia.com/pdf/HEIL_NR_Policy)

**Annual Evaluation of Board and it's Committees Performance:**

During the financial year, the Board evaluated its own performance as well as that of its Committees and individual Directors. The exercise was carried out covering various aspects of the Boards functioning such as composition of the Board & committees, qualification, experience & competencies, performance of specific duties & obligations, governance issues etc. Separate exercise was carried out to evaluate the performance of Non-Independent Directors. The performance of Independent Directors has been evaluated based on the guidelines as provided under Schedule IV of the Act. The evaluation of the Independent Directors was carried out by the entire Board except by the Director being evaluated. The directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

**INDEPENDENT AUDITORS' REPORT**  
TO  
THE MEMBERS OF  
**HINDUSTHAN ENGINEERING & INDUSTRIES LIMITED**

**Report on the Audit of Standalone Financial Statements**

**Qualified Opinion**

We have audited the accompanying Standalone Financial Statements of **Hindusthan Engineering & Industries Limited** ("the company"), which comprise the Balance Sheet as at **31<sup>st</sup> March, 2024**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph the aforesaid Standalone Financial Statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at **31<sup>st</sup> March, 2024** and its Statement of Profit and Loss (including other comprehensive income), its cash flows and the statement of changes in equity for the year ended on that date.

**Basis for Qualified Opinion**

- a. **Note No. 34** in respect of accounting of effect of certain reliefs/concessions which are yet to be approved by respective authorities. In view of pendency in disposal of such claims, we are unable to comment the impact, if any, thereof on the profit for the year & reserve & surplus at the year end.
- b. **Note No. 36** in respect of Loan to the subsidiary company, **Note No. 37** in respect of Loans given, **Note No. 39** in respect of Trade Receivables & Advances, whereby the extent of amounts recoverable there against is presently not ascertainable & therefore provision thereagainst & consequential impact thereof, if any, on the profit for the year & reserves & surplus could not be ascertained & commented upon by us.

These matters were also qualified in the report of previous auditors on the Standalone Financial Statements for the year ended 31<sup>st</sup> March, 2023.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

**Responsibility of Management for Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and Statement of changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) rules, 2015 as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

Contd...

**Independent Auditors Report on the Standalone Financial Statements – Hindusthan Engineering & Industries Limited -31.03.2024 Contd...**

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of the identified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable, as under:

- (i) (a) (A) The company is maintaining proper records showing full particulars including quantitative details & situation of Property, Plant & Equipment.  
(B) The company is maintaining proper records showing full particulars of intangible assets.
- (b) On the basis of available records checked by us as well as according to information available, Property, Plant & Equipment have been physically verified by the management according to a phased program designed to cover all the items over a period of three years which, based on the audit procedures applied by us is, in our opinion, reasonable having regard to the size of the company and the nature of its assets. Pursuant to the program, a portion of the fixed assets has been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
- (c) Based on the audit procedure applied by us & as per information available and explanations given to us, we report that the title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.

**Independent Auditors Report on the Standalone Financial Statements – Hindusthan Engineering & Industries Limited**  
**-31.03.2024 Contd...**

- (d) In accordance with the information available and explanations given to us, the company has not revalued its Property, Plant & Equipment (including Right of Use of assets) and/or intangible assets during the year.
- (e) Based on the audit procedure applied by us & as per information available and explanations given to us, we report that no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and Rules made thereunder.
- (ii) (a) Based on the audit procedures applied by us & as per the information available & explanations given by the management, we report that physical verification of inventory has been conducted by the management at reasonable intervals and, the coverage and procedure of such verification by the management is in our opinion, reasonable. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification of inventory as compared to book records.
- (b) In respect of sanction of working capital limits in excess of Rs. 5 crores, in aggregate, from banks and/or financial institutions on the basis of security of current assets, as per the information available & explanations given by the management & on the basis of such checks as were considered appropriate, we report that the quarterly returns or statements filed by the company with such banks and/or financial institutions are in agreement with the books of accounts.
- (iii) (a) Based on the audit procedures applied by us & as per the information available & explanations given by the management, we report that during the year, the Company has given loan of **Rs 1 lakh** to subsidiary company and **Rs 7,966 lakhs** to parties other than Subsidiary, Joint Venture & Associates. The Balance amount outstanding as on date to subsidiary company is **Rs 804 lakhs** & **Rs 21,493 lakhs** to parties other than Subsidiary, Joint Venture & Associates. The company has not provided any guarantee or security to any companies, firms, LLP or other parties. No Investments have been made during the year.
- (b) Based on the audit procedures applied by us & as per information available & explanations given to us, we are of the opinion that the terms & conditions of Loans granted during the year are not prejudicial to the interest of the company.
- (c) According to the information available & explanation given to us, there is no stipulated schedule of repayment of principal & interest. Further, no repayment of principal & Interest has been demanded by the company.
- (d) According to the information available & explanation given to us & on the basis of available record checked by us, there is no overdue amount remaining outstanding as the balance sheet date.
- (e) No loans or advances in the nature of loans, which have fallen due during the year, have been renewed or extended and no fresh loans have been granted to settle the overdue of existing loans given to same parties.
- (f) According to the information available & explanations given to us, the Company has granted loans/advances in the nature of loans repayable on demand. The aggregate amount of loans repayable on demand to Related Parties was **Rs 12,903 lakhs (57.87% of total loans)** out of total loan of **Rs 22,297 lakhs**.
- (iv) According to information available & explanations given to us, the company has complied with the provisions of Section 185 and 186. of the Companies Act, 2013 in respect of loans given & investments made. No guarantee or security has been issued by the company.
- (v) According to the information available and explanations given to us, the company has not accepted any deposit within the meaning of the section 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under.

**Report on the Internal Financial Controls under Clause (i) sub –section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls with reference to standalone Financial statement of **Hindusthan Engineering & Industries Limited** ('the Company') as of **31<sup>st</sup> March, 2024** in conjunction with our audit of the standalone financial statements of the Company for the year ended on the date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone Financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal- Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls with reference to standalone Financial statement**

A company's internal financial controls with reference to standalone Financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Company asset; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements,

**Inherent Limitations of Internal Financial Controls with reference to standalone Financial statement**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31<sup>st</sup> March, 2024**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Corporate Information**

Hindusthan Engineering Industries Limited is a public Company domiciled in India & incorporated under the provision of the erstwhile Companies Act, 1956. It is mainly engaged in production of Jute goods, Chemicals, Railway Wagons & Railway Rolling Stock.

The Registered Office of the Company is situated at 27, Sir R N Mukherjee Road, Kolkata - 700 001

### **Statement of Compliance**

These financial statements comply in all material aspects with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accountings Standard) Rules, 2015 (as amended) read with section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

### **Basis of Preparation**

The Financial Statements have been prepared under the historical cost convention on accrual basis except for certain financial instruments that are measured in terms of relevant Ind AS at fair values/ amortized costs at the end of each reporting period.

The standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest lakh except otherwise stated.

### **Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The company categorizes Assets and Liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- c) Level 3: inputs for the assets or liability which are not based on observable market data.

### **Property, Plant and Equipment**

Property, Plant and Equipment (PPE) are stated at cost of acquisition or deemed cost on date of transition less accumulated depreciation and impairment losses, if any. Cost of an asset comprises of purchase price, borrowing cost and any other cost directly attributable to bringing the asset to its working condition for its intended use.

Capital work in progress includes machinery to be installed, construction and erection materials, borrowing costs, unallocated pre-operative and other expenditures directly attributable towards construction and erection of the assets.

Depreciation on PPE commences when the assets are ready for their intended use. Depreciation has been provided on straight line method as per the useful life determined which is similar to that specified under Schedule II to the Companies Act, 2013. Depreciation on incremental cost arising on account of exchange difference is computed prospectively with respect to the residual life of respective asset.

Leasehold Land is amortised over the period of lease.

### **Intangible Assets**

Intangible assets are amortized over the useful life using straight line method and assessed for impairment whenever there is an indication of the same. Accordingly, Intangible assets have been amortized over a period of 3 to 5 years on straight line basis.

### **Impairment of Tangible and Intangible Assets**

Impairment of assets are assessed at each Balance Sheet date and loss is recognised whenever the recoverable amount of an asset is less than its carrying amount. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

**Financial Assets and Liabilities**

Financial assets and financial liabilities (financial instruments) are recognized when company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company which is generally taken as 12 month otherwise these are classified as non- current.

**Financial Assets and Liabilities**

The classification of financial instruments whether to be measured at amortized cost, at Fair Value Through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate.

Classification of financial instruments are determined on initial recognition.

**(i) Financial assets and financial liabilities measured at Amortized Cost**

Financial assets held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows are measured at amortized cost.

The financial assets and financial liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

**(ii) Financial Asset at Fair Value Through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognized directly in other comprehensive income.

**(iii) Financial Assets or Liabilities at Fair Value Through Profit or Loss (FVTPL)**

Financial instruments which do not meet the criteria of amortized cost or fair value through other comprehensive income are measured at Fair Value through Profit or Loss.

**Impairment of financial assets**

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flow of that asset.

The company measures the loss allowance for a financial assets at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivable or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

**De-recognition of financial instruments**

The company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities are derecognized if the company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability/assets derecognized and the consideration there against is recognized in Statement of Profit and Loss.

**Inventories**

Inventories are stated at lower of cost & net realisable value. Inventory of finished goods, where the products are made under specific orders, are recognized only on approval of the product by the prospective buyer. The cost for the purpose of valuation of raw materials is being computed on FIFO basis except in case of Jute & Chemical Units where weighted average method is being followed. Cost for the purpose of valuation of stores and spares is computed on weighted average method. Cost of work-in-progress and finished goods represents estimated cost of raw materials, direct labour and appropriate portion of factory overhead in most of the cases.

The liability for GST on the bonded materials as at the end of the year are duly provided for.

**Foreign Currency Transactions**

Transactions in foreign currencies are accounted for at the exchange rate prevailing at the time of the transaction. Foreign currency monetary assets and liabilities at the year end are translated using closing exchange rates. The loss or gain thereon and also on the exchange differences on settlement of foreign currency transactions during the year (except those relating to the fixed assets which are adjusted to the cost of the assets) are recognised as income or expense and are adjusted to the Statement of Profit and Loss

**Revenue**

**Sales**

Sales exclude GST and are accounted for on passing of property of goods irrespective of actual despatches. Rebates, discounts, claims and other non-recoverables are excluded therefrom.

**Interest, Dividend and Claims**

Dividend income is recognized when the right to receive payment is established. Interest income is accounted on time proportion basis taking into account amount outstanding & rate applicable unless otherwise stated. Insurance claims/ other claims are accounted as and when admitted/determined.

**GST Credit**

GST Credit admissible against GST paid on goods / PPE are accounted for by reducing the purchase cost of the related goods / PPE

**Employee Benefits**

Contributions to defined Schemes such as Provident Fund / Pension Fund, Employees State Insurance Scheme are charged to Statement of Profit & Loss on accrual basis. The Company also provides for gratuity and leave encashment in accordance with projected Unit Credit Method based on actuarial valuation carried out as at the balance sheet date.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

### **Borrowing Cost**

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

### **Research and Development**

Expenditure on research and development except capital expenses which are shown as additions to PPE, are charged to Statement of Profit and Loss in the year in which these are incurred.

### **Leases**

#### **Determining whether an arrangement contains a lease**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

#### **Company as lessor**

##### Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

##### Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

#### **Company as Lessee**

The Company's lease asset classes primarily comprise of lease for land and building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below:

#### **Right of Use Assets**

The Company recognises right of use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation and impairment loss, if any, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right of use assets are also subject to impairment.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

**Government Grants**

Government grants are recognized on systematic basis when there is reasonable certainty of realization of the same. Revenue grants including subsidy/rebates are credited to Statement of Profit and Loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise for acquisition of non current assets are credited to respective assets.

**Taxes on Income**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws enacted or substantively enacted on the balance sheet date. Deferred tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future. Deferred Tax Assets & Deferred Tax Liabilities have been offset as they relate to the same governing tax laws.

**Provisions, Contingent liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statement.

**Earning Per Share**

Basic earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

**Cash Flow**

Cash flows are reported using indirect method, whereby profit for the year is adjusted for the effects of transactions of non-cash nature and/or for items of income & expenses associated with investing and financing activities. The cash flows from operating, investing & financing activities of the company are segregated.

<b>46.0</b>	<b>FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES</b>			
	The Company's financial liabilities comprise borrowings, capital creditors and trade and other payables, The main purpose of these financial liabilities is to finance the company's operations. The company's financial assets include trade and other receivables, cash and cash equivalents, investments at cost/fair value and loans/deposits.			
	The Company is exposed to market risk. The company's senior management oversees the management of the risks. The Board of Directors reviews and agrees to policies for managing each of these risks, which are summarised below:			
	<b>Market Risk</b>			
	Market risk is the risk that the fair value of future cash flow of a financial instrument will fluctuate because of changes in market prices. Market risk mainly comprises of risk, such as raw material price risk. Financial instruments affected by market risk include FVTPL investments, trade payables, trade receivables, etc.			
	<b>Credit Risks</b>			
	Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).			
	<b>Liquidity Risk</b>			
	The Company's objective is to maintain optimum level of liquidity to meet its cash and collateral requirement at all times. The need of the funds of the company are being met by internal accrual and borrowings. The short and medium terms requirements are met through the committed lines of credit.			
	The table provides undiscounted cash flow towards non- derivative financial liability into relevant maturities based on the remaining period at balance sheet date to contractual maturity date.

47.0	<p><b>SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS</b></p> <p>The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosure of contingent liabilities. Uncertainty about these assumption and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.</p> <p><b>JUDGEMENTS</b></p> <p><b>Fair value as Deemed Cost for Property Plant &amp; Equipment.</b></p> <p>Property, plant and equipment has been carried in accordance with previous GAAP carrying value as deemed cost at the date of transition , which has been considered as deemed cost.</p> <p><b>Lease as Finance Lease</b></p> <p>Lease as Finance Lease has been included in the Property, Plant and Equipment while considering the overall context of transfer of risk and rewards incidental to ownership.</p> <p><b>Depreciation/Amortisation of and Impairment Loss on Property Plant and Equipment/Intangible Assets</b></p> <p>Property, Plant and Equipment are depreciated and intangible assets are amortised on Straight Line basis over the estimated useful lives (or Lease Term if shorter) in accordance with Schedule II of the Companies Act 2013, taking into account the estimated residual value, wherever applicable. The company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/ amortisation expense to be recorded during any reporting period. This reassessment may result in change in depreciation expense in future periods.</p> <p>The Company reviews its carrying value of its Tangible and Intangible assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be made is estimated by reference to the estimated value in use or recoverable amount.</p> <p><b>Impairment loss on Trade Receivables</b></p> <p>The Company evaluated whether there is any objective evidence that trade receivable are impaired and determines the amount of impairment loss as a result of the inability of the debtors to make required payments. The Company bases the estimates on the ageing of the trade receivable balances, creditworthiness of the trade receivables and historical written off experience. If the financial conditions of the trade receivables were to deteriorate, actual writeoffs would be higher than estimated.</p> <p><b>Estimates and assumptions</b></p> <p>The key assumptions concerning the future and other key sources of estimations uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year, are described above. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumption about the future developments, however , may change due to market changes or circumstances arising that are beyond the control of the company . Such changes are reflected in the assumption when they occur.</p> <p><b>Defined benefit plans (Gratuity &amp; Leave benefits)</b></p> <p>The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumption that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and it's long term nature , a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.</p> <p>The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India , the mangement considers the interest rate of government bonds in currencies consistent with the currencies of the post employment benefit obligation.</p> <p>The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes.</p> <p>Future salary increases are based on expected future inflation rates.</p>

**INDEPENDENT AUDITORS' REPORT**  
TO  
THE MEMBERS OF  
**HINDUSTHAN ENGINEERING & INDUSTRIES LIMITED**

**Report on the Consolidated Financial Statements**

**Qualified Opinion**

We have audited the accompanying Consolidated Financial Statements of **Hindusthan Engineering & Industries Limited** ("the Holding Company"), its subsidiary (the Holding Company & its subsidiary together referred to as "the Group") which comprise the Balance Sheet as at **31<sup>st</sup> March, 2024**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph the aforesaid Consolidated Financial Statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the group as at **31<sup>st</sup> March, 2024**, and its Statement of Profit and Loss (including other comprehensive income), its cash flows and the statement of changes in equity for the year ended on that date.

**Basis for Qualified Opinion**

a. Note No. 34 in respect of accounting of effect of certain reliefs/concessions which are yet to be approved by respective authorities. In view of pendency in disposal of such claims, we are unable to comment the impact, if any, thereof on the profit for the year & reserve & surplus at the year end.

b. Note No. 38 in respect of Trade Receivables & Advances, whereby the extent of amounts recoverable there against is presently not ascertainable & therefore provision there against & consequential impact thereof, if any, on the profit for the year & reserves & surplus could not be ascertained & commented upon by us

c. Note No. 48 regarding the present status of Integrated Lignite Mining-cum-Power Generation Project being implemented by the subsidiary Company. The Implementation Agreement was made ineffective by the Government of Rajasthan & the matter is subjudice as described in the Note. The matter being under litigation, we are unable to comment on the realization of the project expenditure pending allocation amounting to Rs. 11,40.33

These matters were also qualified in the report of previous auditors on the Consolidated Financial Statements for the year ended 31<sup>st</sup> March, 2023.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

**Information other than the Financial Statements & Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion & Analysis, Board's Report including Annexures to Board's Report etc. but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statement or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibility of Management for Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and Statement of changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) rules, 2015 as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Independent Auditors Report on the Consolidated Financial Statements- Hindusthan Engineering & Industries Limited - 31.03.2024 Contd...**

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

**Other Matters**

We did not audit the financial statements/financial information of the subsidiary company whose financial statements/financial information reflect total assets of Rs. 1,213.18 lakh and net assets of Rs. 140.15 lakh as at 31<sup>st</sup> March 2024, total revenue of Rs. Nil and net cash flows of Rs. 0.70 lakh for the year ended on that date as considered in the consolidated financial statements. This financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of aforesaid subsidiary and our report in terms of sub-section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

**Report on Other Legal and Regulatory Requirements**

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we refer to Para 1 clause (xi)(a) of our report on accounts of Hindusthan Engineering & Industries Limited which has been included in this Consolidated Financial Statements, under "Report on other Legal and Regulatory Requirements" containing qualification/ adverse remarks.
2. As required by section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. Except for the effects of the matters described in the basis for qualified opinion paragraph above, in our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Cash Flow Statement and Statement of changes in equity dealt by this report are in agreement with the books of account.
  - d. Except for the effects of the matter described in the basis for qualified opinion paragraph above, in our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015 as amended.
  - e. On the basis of written representations received from the directors as on **31st March, 2024**, taken on record by the Board of Directors, none of the directors is disqualified as on **31st March, 2024**, from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in Annexure 'A'.
  - g. In our opinion and to the best of our knowledge and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with provisions of section 197 of the Act.
  - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - (i) The Company does not have any pending litigations which would impact its financial position other than those, if any, already disclosed in the financial statements.

**Contd...**

**Independent Auditors Report on the Consolidated Financial Statements- Hindusthan Engineering & Industries Limited - 31.03.2024 Contd...**

- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There have been no delays in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- (v) No dividend was declared or paid during the year by the Company requiring compliance with section 123 of the Act.
- (vi) Based on our examination, which included test checks, the Holding Company has used accounting softwares for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same have operated throughout the financial year for all relevant transactions recorded in the said softwares. During the course of performing our audit procedures, we did not notice any instance of audit trail feature being tampered with. The Subsidiary Company has maintained its books of accounts manually and hence proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is not applicable for the year
- Further, as proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit & Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended March 31, 2024.

**Report on the Internal Financial Controls under Clause (i) sub –section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls with reference to Consolidated Financial Statements of **Hindusthan Engineering & Industries Limited** ("the Holding Company"), its subsidiary (the Holding Company & its subsidiary together referred to as "the Group") as of **31<sup>st</sup> March, 2024** in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on the date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statement were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls with reference to consolidated financial statement**

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Company asset; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements,

**Inherent Limitations of Internal Financial Controls with reference to consolidated Financial statement**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31<sup>st</sup> March, 2024**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH 2024**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Corporate Information**

Hindusthan Engineering Industries Limited (Holding Company) is a public Company domiciled in India & incorporated under the provision of the erstwhile Companies Act, 1956. It is mainly engaged in production of Jute goods, Chemicals, Railway Wagons & Railway Rolling Stock.

The Registered Office of the Company is situated at 27, Sir R N Mukherjee Road, Kolkata - 700 001

II. The consolidated financial statements presents the Consolidated Accounts of Hindusthan Engineering & Industries Limited with its Subsidiary incorporated in India:

Particulars	Proportion of ownership As at 31, March 2024
<u>Subsidiary</u> Hindusthan Vidyut Corporation Ltd.	100%

III. Additional information, as required under Schedule III to the Companies Act, 2013, of enterprises consolidated as subsidiary:

Particulars	Net Assets i.e total assets minus total Liabilities		Share in Profit/(Loss)	
	As % of Consolidated net Assets	Amount	As % of Consolidated Profit	Amount
<b><u>Parents</u></b> Hindusthan Engineering & Industries Ltd.	100.00%	1,39,880	100.00%	20,577
<b><u>Subsidiary ( Indian )</u></b> Hindusthan Vidyut Corporation Ltd.	0.00%	-	-	-

<b><u>Consolidated</u></b>	<b>100.00%</b>	<b>1,39,880</b>	<b>100.00%</b>	<b>20,577</b>

**Principles of Consolidation**

The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Holding Company and its subsidiary company are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Ind As 110 - "Consolidated Financial Statements".
- b) The difference between the cost of investment in the subsidiary over the net assets at the time of acquisition of shares in the subsidiary is recognised in the financial statements as Goodwill or Capital Reserve, as the case may be. However in case of consolidated financial statement of Associates companies such Goodwill/ Capital Reserve has been disclosed by way of notes only.

**Statement of Profit & Loss**

The subsidiary of the Company is yet to commence commercial production and hence does not prepare Statement of Profit & Loss.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

### **Statement of Compliance**

These financial statements comply in all material aspects with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accountings Standard) Rules, 2015 (as amended) read with section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

### **Basis of Preparation**

The Financial Statements have been prepared under the historical cost convention on accrual basis except for certain financial instruments that are measured in terms of relevant Ind AS at fair values/ amortized costs at the end of each reporting period.

The consolidated Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest lakh except otherwise stated.

### **Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The company categorizes Assets and Liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- c) Level 3: inputs for the assets or liability which are not based on observable market data.

### **Property, Plant and Equipment**

Property, Plant and Equipment (PPE) are stated at cost of acquisition or deemed cost on date of transition less accumulated depreciation and impairment losses, if any. Cost of an asset comprises of purchase price, borrowing cost and any other cost directly attributable to bringing the asset to its working condition for its intended use.

Capital work in progress includes machinery to be installed, construction and erection materials, borrowing costs, unallocated pre-operative and other expenditures directly attributable towards construction and erection of the assets.

Depreciation on PPE commences when the assets are ready for their intended use. Depreciation has been provided on straight line method as per the useful life determined which is similar to that specified under Schedule II to the Companies Act, 2013. Depreciation on incremental cost arising on account of exchange difference is computed prospectively with respect to the residual life of respective asset.

Leasehold Land is amortised over the period of lease.

### **Intangible Assets**

Intangible assets are amortized over the useful life using straight line method and assessed for impairment whenever there is an indication of the same. Accordingly, Intangible assets have been amortized over a period of 3 to 5 years on straight line basis.

### **Impairment of Tangible and Intangible Assets**

Impairment of assets are assessed at each Balance Sheet date and loss is recognised whenever the recoverable amount of an asset is less than its carrying amount. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

**Financial Assets and Liabilities**

Financial assets and financial liabilities (financial instruments) are recognized when company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company which is generally taken as 12 month otherwise these are classified as non- current.

**Financial Assets and Liabilities**

The classification of financial instruments whether to be measured at amortized cost, at Fair Value Through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate.

Classification of financial instruments are determined on initial recognition.

**(i) Financial assets and financial liabilities measured at Amortized Cost**

Financial assets held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows are measured at amortized cost.

The financial assets and financial liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

**(ii) Financial Asset at Fair Value Through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognized directly in other comprehensive income.

**(iii) Financial Assets or Liabilities at Fair Value Through Profit or Loss (FVTPL)**

Financial instruments which do not meet the criteria of amortized cost or fair value through other comprehensive income are measured at Fair Value through Profit or Loss.

**Impairment of financial assets**

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flow of that asset.

The company measures the loss allowance for a financial assets at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivable or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

**De-recognition of financial instruments**

The company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities are derecognized if the company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability/assets derecognized and the consideration there against is recognized in Statement of Profit and Loss.

**Inventories**

Inventories are stated at lower of cost & net realisable value. Inventory of finished goods, where the products are made under specific orders, are recognized only on approval of the product by the prospective buyer. The cost for the purpose of valuation of raw materials is being computed on FIFO basis except in case of Jute & Chemical Units where weighted average method is being followed. Cost for the purpose of valuation of stores and spares is computed on weighted average method. Cost of work-in-progress and finished goods represents estimated cost of raw materials, direct labour and appropriate portion of factory overhead in most of the cases.

The liability for GST on the bonded materials as at the end of the year are duly provided for.

**Foreign Currency Transactions**

Transactions in foreign currencies are accounted for at the exchange rate prevailing at the time of the transaction. Foreign currency monetary assets and liabilities at the year end are translated using closing exchange rates. The loss or gain thereon and also on the exchange differences on settlement of foreign currency transactions during the year (except those relating to the fixed assets which are adjusted to the cost of the assets) are recognised as income or expense and are adjusted to the Statement of Profit and Loss

**Revenue**

**Sales**

Sales exclude GST and are accounted for on passing of property of goods irrespective of actual despatches. Rebates, discounts, claims and other non-recoverables are excluded therefrom.

**Interest, Dividend and Claims**

Dividend income is recognized when the right to receive payment is established. Interest income is accounted on time proportion basis taking into account amount outstanding & rate applicable unless otherwise stated. Insurance claims/ other claims are accounted as and when admitted/determined.

**GST Credit**

GST Credit admissible against GST paid on goods / PPE are accounted for by reducing the purchase cost of the related goods / PPE

**Employee Benefits**

Contributions to defined Schemes such as Provident Fund / Pension Fund, Employees State Insurance Scheme are charged to Statement of Profit & Loss on accrual basis. The Company also provides for gratuity and leave encashment in accordance with projected Unit Credit Method based on actuarial valuation carried out as at the balance sheet date.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...****Borrowing Cost**

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

**Research and Development**

Expenditure on research and development except capital expenses which are shown as additions to PPE, are charged to Statement of Profit and Loss in the year in which these are incurred.

**Leases****Determining whether an arrangement contains a lease**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

**Company as lessor**Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

**Company as Lessee**

The Company's lease asset classes primarily comprise of lease for land and building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below:

**Right of Use Assets**

The Company recognises right of use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation and impairment loss, if any, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right of use assets are also subject to impairment.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTD...**

**Government Grants**

Government grants are recognized on systematic basis when there is reasonable certainty of realization of the same. Revenue grants including subsidy/rebates are credited to Statement of Profit and Loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise for acquisition of non current assets are credited to respective assets.

**Taxes on Income**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws enacted or substantively enacted on the balance sheet date. Deferred tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future. Deferred Tax Assets & Deferred Tax Liabilities have been offset as they relate to the same governing tax laws.

**Provisions, Contingent liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statement.

**Earning Per Share**

Basic earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

**Cash Flow**

Cash flows are reported using indirect method, whereby profit for the year is adjusted for the effects of transactions of non-cash nature and/or for items of income & expenses associated with investing and financing activities. The cash flows from operating, investing & financing activities of the company are segregated.

47.0	<p><b>SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS</b></p> <p>The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosure of contingent liabilities. Uncertainty about these assumption and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.</p> <p><b>JUDGEMENTS</b></p> <p><b>Fair value as Deemed Cost for Property Plant &amp; Equipment.</b></p> <p>Property, plant and equipment has been carried in accordance with previous GAAP carrying value as deemed cost at the date of transition , which has been considered as deemed cost.</p> <p><b>Lease as Finance Lease</b></p> <p>Lease as Finance Lease has been included in the Property, Plant and Equipment while considering the overall context of transfer of risk and rewards incidental to ownership.</p> <p><b>Depreciation/Amortisation of and Impairment Loss on Property Plant and Equipment/Intangible Assets</b></p> <p>Property, Plant and Equipment are depreciated and intangible assets are amortised on Straight Line basis over the estimated useful lives (or Lease Term if shorter) in accordance with Schedule II of the Companies Act 2013, taking into account the estimated residual value, wherever applicable. The company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/ amortisation expense to be recorded during any reporting period. This reassessment may result in change in depreciation expense in future periods.</p> <p>The Company reviews its carrying value of its Tangible and Intangible assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be made is estimated by reference to the estimated value in use or recoverable amount.</p> <p><b>Impairment loss on Trade Receivables</b></p> <p>The Company evaluated whether there is any objective evidence that trade receivable are impaired and determines the amount of impairment loss as a result of the inability of the debtors to make required payments. The Company bases the estimates on the ageing of the trade receivable balances, creditworthiness of the trade receivables and historical written off experience. If the financial conditions of the trade receivables were to deteriorate, actual writeoffs would be higher than estimated.</p> <p><b>Estimates and assumptions</b></p> <p>The key assumptions concerning the future and other key sources of estimations uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year, are described above. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumption about the future developments, however , may change due to market changes or circumstances arising that are beyond the control of the company . Such changes are reflected in the assumption when they occur.</p> <p><b>Defined benefit plans (Gratuity &amp; Leave benefits)</b></p> <p>The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumption that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and it's long term nature , a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.</p> <p>The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India , the mangement considers the interest rate of government bonds in currencies consistent with the currencies of the post employment benefit obligation.</p> <p>The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes.</p> <p>Future salary increases are based on expected future inflation rates.</p>

49.0	The Subsidiary Company was awarded Integrated Lignite Mining-cum-Power Generation Project through International Competitive Bidding by Government of Rajasthan (GOR) in 1996. Necessary 'Implementation Agreement' and 'Power Purchase Agreement' were signed by the Company with the concerned Authorities. The Company obtained all the approvals required by making all out efforts and incurring huge expenses. However, even after a period of 4 years, GOR was unable to give the Mining Lease Approval, which was an essential pre-requisite for setting up the plant as mining was an integral part of the project as per tender conditions. This failure on the part of GOR halted the project and nothing could move further. GOR, thereafter, declared the 'Implementation Agreement' ineffective. The matter was referred to arbitration between the Company and GOR. The Arbitral Tribunal vide its Award dated 02.01.2007, has awarded a sum of Rs.1140.33lakhs to the company with future interest against GOR. The objections filed by GOR in the court of District Judge, Jaipur City, Jaipur have been rejected and award has been upheld by the court. GOR has filed an appeal before Hon'ble High Court of Rajasthan at Jaipur & the matter is still sub-judice. Necessary adjustment shall be carried out on final adjudication.

**Resolution at Item No. 7**

Pursuant to Section 186(2) of the companies Act, 2013 (Act) and Rule 11 and 13 of the Companies (Meetings of Board and its Powers) Rules 2014 (Rules), the Board of Directors is authorized to give loan, guarantee or provide security in connection with a loan to any person or other body corporate, or acquire by way of subscription, purchase or otherwise, the securities including shares, debentures etc. of any other body corporate, up to an amount, the aggregate of which should not exceed 60% of the paid up capital, free reserves and securities premium account or 100% of free reserves and securities premium account of the company, whichever is higher. In case the company exceeds the above mentioned limits then, prior approval of shareholder by way of a Special resolution is required to be obtained. However, Rule 11 of the Rules provides that where a loan or guarantee is given or where a security is provided by a company to its wholly owned subsidiary or a joint venture company or acquisition is made by a holding company, by way of subscription, purchase or otherwise of the securities of its wholly owned subsidiary company, approval of shareholder is not required but such amounts will be taken into consideration for calculating the above limits.

The Company is planning to undertake various business activities through its subsidiaries and joint ventures and is also making strategic investments, from time to time, in subsidiaries, joint ventures, associates companies, other bodies corporate and would, therefore, be required to provide financial assistance / support by way of giving of loans / guarantees, providing of securities, making of investment in securities in order to expand its business activities and also for optimum utilization of funds.

Accordingly, Board of Directors of the Company may be authorized to give loans, guarantees or provide securities or make investments as mentioned above, up to an amount, the aggregate outstanding of which should not exceed, at any given time, Rs. 2000 crores which shall be over and above the said limits as specified in Section 186(2) of the Act and the aggregate outstanding amount of loans/ guarantee/ securities provided/ made to wholly owned subsidiary companies and joint venture companies and investments made in wholly owned subsidiary companies, from time to time. The Board of Directors had, in its meeting considered and approved, subject to the approval of shareholders, this proposal and recommends Resolution no.7 of the accompanying Notice to the shareholders for their approval by way of special resolution.

The Directors and / or Key Managerial Personnel of the Company and their relatives may be deemed to be concerned or interested, financial or otherwise, in the resolution to the extent loan is given or guarantee/ security is provided to the Company in which he is interested.

### **Resolution at Item No. 8**

Pursuant to Section 185 of the Companies Act, 2013 ("the Act"), a Company may advance any loan including any loan represented by book debt, or give any guarantee or provide any security in connection with any loan taken by any company covered under the category of 'a person in whom any of the director of the Company is interested' as specified in the explanation to Section 185(2)(b) of the Companies Act, 2013, after passing a Special Resolution in the general meeting.

It is proposed to make loan(s) including loan represented by way of Book Debt to, and/or give guarantee(s) and/or provide security(ies) in connection with any loan taken/to be taken by any entity in whom any of the Director of the Company is deemed to be interested as specified in the explanation to Section 185(2)(b) of the Act, from time to time. Such loans shall be utilized by the borrowing company for its principal business activities and other matters connected and incidental thereto, within the limits as mentioned in the notice.

The members may note that Board of Directors would carefully evaluate the proposals and provide such loan, guarantee or security through deployment of funds out of internal resources/accruals and/or any other appropriate sources, from time to time, and the proposed loan shall be at such rate of interest as agreed by the parties in the best interest of the Company and shall be used by the borrowing company for its principal business activities only.

The Board of Directors had, in its meeting considered and approved, subject to the approval of shareholders, this proposal and recommends Resolution of the accompanying Notice to the shareholders for their approval by way of special resolution.

The Directors and / or Key Managerial Personnel of the Company and their relatives may be deemed to be concerned or interested, financial or otherwise, in the resolution to the extent loan is given or guarantee/ security is provided to the Company in which he is interested.
