2. BUSINESS OPERATIONS AND THE STATE OF COMPANY'S AFFAIRS

. During the financial year 2023-24, the Company maintained its growth momentum that led to an increase in its **Revenue from Operations**, which grew from **INR 38,251.16 Lakhs** to **INR 41,086.37 Lakhs**. However, the **Expenses** of the Company were increased to **INR 37,769.90 Lakhs** from **INR 35,203.73 Lakhs**, in the previous year, owing to increase in cost of Raw material and components, Employee Benefit expenses, Finance Costs (including interest on borrowings) etc. Your Company still managed to have **Profit Before Tax of INR 3,918.92 Lakhs**, which was slightly lower than that of the **previous year, i.e. INR 3,939.95 Lakhs**. However, post consideration of Net Current Tax expenses, Prior year tax expenses & Deferred Taxes, which **decreased** from **INR 1,251.06 Lakhs** to **INR 1,008.40 Lakhs**, your Company had a **profit after tax of INR 2,910.52 Lakhs**, compared to a **Profit After Tax**

of INR 2,688.89 Lakhs, in the previous financial year. After considering the other comprehensive income/(loss) of **INR 15.01 Lakhs Total comprehensive income/(loss) stands at INR 2,925.53 Lakhs.** The Basic and diluted Earning per share (for equity share having face value of Rs. 10 each) stands at **INR 82.47**, as on 31st March, 2024, compared to **INR 84.79**, as on 31st March, 2023.

Your Company further continues to retain its customers, and at the same time is continuing to build new associations, which reflects the ongoing trust of our customers to whom we dedicate our daily work.

Your company holds the belief that the auto component industry's expansion will likely outpace the underlying growth of the automotive sector in the medium to long term.

3. CHANGE IN NATURE OF BUSINESS

There has been no change in the nature of business, during the year under review.

4. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY THAT HAVE OCCURRED AFTER MARCH 31, 2024 TILL THE DATE OF THIS REPORT

There are no material changes and commitments affecting the financial position of the Company from the close of the financial year 2023-24 and till the date of this report. However, Members' attention is drawn to the statement on contingent liabilities and commitments in the notes forming part of the Financial Statements.

5. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

During the financial year, on October 18, 2023, the Audit Committee and Board of Directors of the Company approved the "Composite Scheme of Arrangement" between the Company and its group company, Hella India Autoparts and Services Private Limited (HIASPL), along with the related reports. Subsequently, a joint application was filed by the applicant companies—Hella India Lighting Limited (HIL/Demerged Company/Applicant Company-1) and Hella India Autoparts and Services Private Limited (HIASPL/Resulting Company/Applicant Company-2)—with the Hon'ble National Company Law Tribunal (NCLT), New Delhi Bench. This application, made under Sections 230-232 of the Companies Act, 2013, and other relevant provisions, sought approval for the Scheme of Arrangement in the nature of Demerger ("Scheme").

The Scheme, in accordance with the provisions of Sections 230 to 232 and other applicable sections of the Act, involves the reduction of 14.83% of the equity share capital of the Company by canceling and extinguishing 5,52,313 equity shares held by the Identified Shareholders, i.e. Public/Non-Promoter shareholders (Capital Reduction). Additionally, it includes the demerger of the Independent After Market (IAM) business division of the Company, which will be vested in the Resulting Company, Hella India Auto Parts and Services Private Limited, a group company ('Demerger').

The rationale behind the capital reduction is rooted in the fact that the company's equity shares were delisted in 2015 after offering a fair exit price to the shareholders. Since then, there has been no market for public shareholders to trade their shares, effectively locking the value of their holdings. Without any avenue to monetize their shareholdings or an opportunity to exit the company, the Company is now considering an investor-friendly approach to provide liquidity and an exit route for public shareholders. This will be achieved through a selective capital reduction, conducted in a fair and transparent manner, as allowed under applicable laws. The rationale behind the Demerger is to unlock the growth potential of both the IAM & SOE Business Divisions of the Company and to bring the structure in sync with the global structure within the Group, wherein both IAM & SOE are held by independent legal entities.

On December 1, 2023, the Hon'ble NCLT granted the application and instructed HIL to convene meetings of its shareholders and creditors in compliance with the Act. Accordingly, on February 17, 2024, a meeting of Equity Shareholders was held at 11:00 AM, followed by a meeting of Creditors at 1:00 PM, both conducted through audio-visual means.

On March 1, 2024, the Company filed a second motion petition with the Hon'ble NCLT, New Delhi Bench, seeking approval of the Composite Scheme of Arrangement. The Company also submitted the Report of the Chairpersons concerning the voting results from both the Shareholders' and Creditors' meetings. On April 10, 2024, the Hon'ble NCLT directed the Company/Petitioners to serve notice to relevant authorities, including the Central Government (through the Regional Director, Northern Region, Ministry of Corporate Affairs), the Registrar of Companies (Delhi and Haryana), and the Income Tax Department. Additionally, the notice was to be published in two newspapers: Business Standard (Delhi Edition, English) and Navbharat Times (Delhi Edition, Hindi), with proof of service to be filed with the Hon'ble NCLT.

During the first 2 weeks of May, 2024, in compliance with the orders of the Hon'ble NCLT, the Company has dispatched notices to the Central Government through the Regional Director (Northern Region), Ministry of Corporate Affairs; The Registrar of Companies, Delhi and Haryana & Income Tax Department.

Vide its Order dated June 12, 2024, the Hon'ble NCLT directed the company to re-serve a copy of the petition to the Regional Director for the issuance of its report. The counsel from the Income Tax Department was absent from the meeting. Your Company had duly complied with the order of the Hon'ble NCLT.

Vide its Order dated August 14, 2024, the Hon'ble NCLT directed the Counsel for the Regional Director to approach the Registry and rectify the defects, as its Report was not reflected on the Tribunal's e-portal. Additionally, the Hon'ble NCLT once again instructed the Income Tax Department to file their report.

6. CHANGES IN SHARE CAPITAL

During the financial year, the Company issued equity shares through preferential allotment to Hella Holding International GmbH, a member of the promoter group and the Company's immediate holding company. This issuance aimed to raise capital for buying out minority, public, and non-promoter shareholders, after the Company obtains an Order of approval of the Composite Scheme by the Hon'ble National Company Law Tribunal (NCLT), consequently leading to a reduction in the Company's equity share capital. The Company raised a total of ₹54,45,80,618 (INR Fifty-Four Crore Forty-Five Lakhs Eighty Thousand Six Hundred Eighteen only) by issuing 5,52,313 (Five Lakhs Fifty-Two Thousand Three Hundred and Thirteen) fully paid-up equity shares having a face/par value of ₹10 (INR Ten only) per share, at a premium of ₹976 (INR Nine Hundred Seventy-Six only) per equity share, totaling ₹986 (INR Nine Hundred Eighty-Six only) per equity share. These equity shares were allotted to Hella Holding International GmbH at the Board of Directors' meeting on August 8, 2023.

As of March 31, 2024, the paid-up equity share capital of the Company stood at ₹37,23,71,30 (INR Thirty-Seven Crores Twenty-Three Lakhs Seventy-One Thousand Thirty only), consisting of 37,23,713 equity shares of ₹10 each, fully paid-up. The preference share capital as on March 31, 2024, stands at ₹11,43,63,000 (INR Eleven Crore Forty-Three Lakhs Sixty-Three Thousand only), consisting of 11,43,630 preference shares of the face / par value of ₹100 (INR Hundred) each, fully paid-up. As of March 31, 2024, none of the Directors of the Company hold equity shares in the Company.

7. DISCLOSURE REGARDING ISSUE OF EMPLOYEES STOCK OPTION, SWEAT EQUITY SHARES AND EQUITY SHARES WITH DIFFERENTIAL RIGHTS

The Company has not issued any Employees Stock Option, Sweat Equity Shares and Equity Shares with Differential Rights.

In accordance with section 67(3) of the Companies Act 2013, there is no disclosure in respect of voting rights not exercised directly by the employees.

8. DIVIDEND

Your Company had a total comprehensive income, post-tax of INR **2,925.53 Lakhs** during the current financial year. Your Board of Directors have however considered it prudent to retain its profits into the business, in view of proposed capex and working capital requirements for future growth prospects. Accordingly, your directors have decided not to recommend any dividend for the year under review.

9. TRANSFER TO GENERAL RESERVES

Out of the total comprehensive income, post tax of INR **2,925.53 Lakhs** during the current financial year, your Company has not transferred any amount(s) to the General Reserves of the Company, during the current financial year.

10. MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT & CORPORATE GOVERNANCE

INDEPENDENT AUDITORS' REPORT

**To,
The Members of
Hella India Lighting Limited**

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the Ind AS financial statements of **Hella India Lighting Limited (“the Company”)**, which comprise the Balance sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Ind AS financial statements, including a summary of material accounting policy information and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit (including Other Comprehensive Income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Other Information

The Company’s Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board/Director’s report including annexures to Board/Director’s report, but does not include the Ind AS financial statements and our auditor’s report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are

required to report that fact. We have nothing to report in this regard as the said report is expected to be made available to us after the date of our report.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the daily backup of the books of account and other records maintained in electronic mode has not been maintained on servers which is also required to be physically located in India as per the requirement of section 128 of the Act.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
 - e. On the basis of written representations received from the directors as on 31 March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".

- g. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 4.32 to the Ind AS financial statements.
 - ii. The Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 4.41 to the Ind AS financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company - Refer Note 4.31 to the Ind AS financial statements.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief that, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
 - v. The Company has neither declared nor paid any dividend during the year.
 - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended 31 March 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Company only w.e.f. April 01, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended, on preservation of audit trail as per the statutory requirements for record retention is not applicable for financial year ended March 31, 2024.

Annexure A to the Independent Auditor's Report of even date of Ind AS Financial Statements of Hella India Lighting Limited

(Referred to in paragraph 1 under the heading of "Report on other legal and regulatory requirements" of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment (including Right-of-use assets).
- (a) (B) The Company has maintained proper records showing full particulars of Intangible assets recognised in the Ind AS financial statements.
- (b) The Company has regular programme of physical verification of its Property, Plant and Equipment and Right-of-use assets by which all assets are verified in a phased manner during each year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the Ind AS financial statements are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right-of-use assets) or intangible assets or both during the year.
- (e) There are no proceedings initiated or pending against the Company as at 31 March 2024 for holding any benami property under the Benami Property Transactions Act, 1988 (45 of 1988) (as amended in 2016) and rules made thereunder. Accordingly, the provisions of clause 3(i)(e) of the Order are not applicable. (Refer note 4.47 of the Ind AS financial statements)
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year (except for goods-in-transit and stocks lying with third parties. For stocks lying with third parties at the year-end, written confirmations have been obtained by the management and in respect of goods-in-transit, the goods have been received subsequent to year-end). According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the coverage and procedure of such verification by the management is appropriate and no material discrepancies of 10% or more in the aggregate for each class of inventory were noticed on physical verification as compared to the book records.
- (b) During the year, the Company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, the provisions of clause 3(ii) (b) of the Order are not applicable.
- (iii) The Company has not made investments in, provided any guarantee or security granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year except that the Company has granted unsecured loans to other parties.

(a) The Company has granted loans, to any other entity, the details of which are as given below. The Company has not granted advances in the nature of loans, provided guarantee or provided security to any other entity(ies) during the year.

(A) The company does not have any subsidiary, joint venture or associate. Accordingly, the requirement to report on clause 3(iii)(a)(A) of the Order is not applicable.

(B) The Company has provided unsecured loans to parties other than subsidiaries, joint ventures and associates as mentioned below:

(b) In our opinion, the terms and conditions of grant of all loans during the year are, prima facie, not prejudicial to the interest of the Company. The Company has not made investments and not provided any guarantee or provided security or granted any advances in the nature of loans during the year.

(c) In the case of loans granted by the Company, in our opinion the schedule of repayment of principal and payment of interest has been stipulated and in our opinion the repayments/receipts of the principal amount and the interest are regular.

(d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties. Accordingly, the provisions of clause 3(iii)(e) of the Order are not applicable.

(f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment. Accordingly, the provisions of clause 3(iii)(f) of the Order are not applicable.

(iv) The Company has not entered into any transaction covered under Sections 185 and 186 of the Act. Accordingly, the provisions of clause 3(iv) of the Order are not applicable.

(v) The Company has neither accepted any deposits nor the amounts which are deemed to be deposits during the year and further the Company had no unclaimed deposits at the beginning of the year within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.

(vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 in respect of Company's products and services. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained by the Company. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii) (a) The Company is generally regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable except as follows:

Name of Statute	Nature of dues	Period to which amount relates	Amount involved and not paid (in Rs. lakhs)	Remarks, if any
Haryana VAT Act	Sales tax	2015-16	43.61	-

- (b) There are no statutory dues referred to in sub-clause (a) that have not been deposited with the appropriate authorities on account of any dispute except as mentioned below:

Name of Statute	Nature of dues	Forum where dispute is pending	Period to which amount relates	Amount involved and not paid (in Rs. lakhs)

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, the provisions of clause 3(viii) of the Order are not applicable. (Refer note 4.48 of the Ind AS financial statements)

- (ix) (a) The Company has not defaulted or delayed in repayment of loans or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year or has unutilized balances of previous term loans outstanding during the year. Accordingly, the provisions of clause 3(ix)(c) of the Order are not applicable.

(d) No funds raised on short-term basis have been used for long-term purposes by the Company.

- (e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the provisions of clause 3(ix)(e) of the Order are not applicable.
- (f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the provisions of clause 3(ix)(f) of the Order are not applicable.
- (x) (a) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has made preferential allotment of equity shares. In respect of the same, the Company has complied with the requirement of Section 62 of the Act and the Rules framed there under. Further, the funds so raised have not been utilized by the Company during the year and idle/surplus funds which were not required for immediate utilization were temporarily invested in liquid funds. The Company has not made any preferential allotment of convertible debentures during the year.
- The Company has not made any private placement of shares or convertible debentures during the year and accordingly, provisions of section 42 of the Act and the rules made thereunder are not applicable to the Company.
- (xi) (a) Considering the principles of materiality outlined in the Standards on Auditing, we report that no material fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 (as amended) with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.
- (xii) The Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) All transactions with the related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the requisite details have been disclosed in the Ind AS financial statements etc., as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) During the year, the Company has not entered into any non-cash transactions with its directors or persons connected with them covered under Section 192 of the Act.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company has not conducted non-banking financial or housing finance activities during the year. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

- (d) The Group has no CIC which are part of the Group.
- (xvii) The Company has not incurred any cash losses in the current financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities along with details provided in Note 4.52 to the Ind AS Financial statements which describe the maturity analysis of assets & liabilities, other information accompanying the Ind AS financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There is no unspent amount towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with the second proviso to sub-section (5) of Section 135 of the said Act.

Annexure B to the Independent Auditor’s Report of even date of Ind AS Financial Statements of Hella India Lighting Limited

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to Ind AS Financial Statements under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to Ind AS financial statements of Hella India Lighting Limited (“the Company”) as of 31 March 2024 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (“the ICAI”) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS financial statements included obtaining an understanding of internal financial controls with reference to Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Ind AS financial statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A Company's internal financial controls with reference to Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS financial statements to future periods are subject to the risk that the internal financial controls with reference to Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us the Company has, in all material respects, adequate internal financial controls system with reference to Ind AS financial statements and such internal financial controls with reference to Ind AS financial statements were operating effectively as at 31 March 2024, based on the internal financial control with reference to Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Ind AS financial statements for the year ended 31 March 2024

1. Corporate Information

Hella India Lighting Limited, ('the Company') was incorporated on 4 September 1959. Its ultimate parent company is Forvia Germany GmbH (Formerly Faurecia Participation GmbH). The registered office of the Company is located at K-61 B, LGF, Kalkaji, New Delhi – 110019. Its shares were listed on Bombay Stock Exchange and Delhi Stock Exchange. Delhi Stock Exchange allowed delisting of shares in earlier years. On 30 April 2015, the Company got delisted from Bombay Stock Exchange. The Company is primarily engaged in manufacturing automotive lights, switches, blinkers and provide related services.

2 Material accounting policy information

Statement of compliance

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The Ind AS financial statements for the year ended 31 March 2024 were authorized and approved by the audit committee on 22 August 2024.

3 Basis of accounting and preparation of Ind AS financial statements

The Ind AS financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purpose, fair value measurement are categorised into level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in the entirety, which are described as follows:

- Level 1 inputs are quoted price (unadjusted) in active markets for identical assets or liabilities that the entity can access at measurement date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Considering the size of the Company, the Ind AS financial statements have been prepared in Lakh Indian rupees upto two decimals.

The principal accounting policies are set out below:

(i) Use of estimates

The preparation of Ind AS financial statements is in conformity with Indian Accounting Standards (Ind AS), requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the Ind AS financial statements and the reported income and expenses during the year. The management believes that the estimates used in the preparation of the Ind AS financial statements are prudent and reasonable. Future results could differ due to these estimates and the

Hella India Lighting Limited

(All amounts are in Lakh Indian Rupees, unless otherwise stated)

Notes to the Ind AS financial statements for the year ended 31 March 2024

differences between the actual results and the estimates are recognized in the periods in which the results are known/materialise.

(ii) Revenue recognition

Revenue from the sale of products or services is recognized upon transfer of control to customers. Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example, taxes and duties collected on behalf of the government). A receivable is recognized upon satisfaction of performance obligations as per the Contracts.

Designing and service income is recognized on an accrual basis as and when the services are rendered in accordance with the terms of the underlying contract.

Interest income is recognised using the time proportion method, based on underlying interest rates.

Other revenues are recognised on accrual basis.

(iii) Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an income item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

(iv) Property, plant and equipment

Property, plant and equipment held for use in production or supply of goods and services or for administration purpose are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost is inclusive of freight, duties, taxes and any other directly attributable costs to bring the assets to their working condition for intended use. Freehold land is measured at cost and is not depreciated.

Depreciation methods: estimated useful lives and residual value

Depreciation is calculated using the straight-line method on a pro-rata basis from the month in which each asset is put to use to allocate their cost, net of their residual values, over their estimated useful lives.

Schedule II to the Companies Act 2013, prescribes useful lives for property, plant and equipment. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported.

The technical team members have evaluated the lives after considering the property, plant and equipment lives against the lives prescribed under schedule II basis:

- Expected usage of the asset.
- Expected physical wear and tear
- Technical and commercial obsolescence
- Understand past practices and general industry experience
- Usage of assets including double and triple shift usage
- Considering nil scrap value

Considering the applicability of Schedule II, management has re-estimated useful lives and residual values of all its property, plant and equipment. Accordingly, the depreciation has been provided on the following rates:

Hella India Lighting Limited

(All amounts are in Lakh Indian Rupees, unless otherwise stated)

Notes to the Ind AS financial statements for the year ended 31 March 2024

Assets	Useful lives
Factory building	30 Years
Plant and machinery (Injection moulding machine, Metallizer, Drying and Conveying system and other peripheral machines etc.)	8 Years
Plant and equipment (Tools)	5 Years
Plant and equipment (Electric installation)	8 Years
Computers	3 Years
Furniture and fixtures	10 Years
Office equipment	5 Years
Vehicles	5 Years

Any gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited / debited to the statement of profit and loss.

The estimated useful life, residual value and depreciation methods are reviewed by the management at the end of each reporting period, with the effect of change in estimate accounted for a prospective basis year.

Management believes that depreciation rates mentioned above fairly reflect its estimate of the useful lives and residual values of property, plant and equipment, though these rates in certain cases are different from lives prescribed under schedule II.

Leasehold improvements are amortised over the estimated useful life of the asset as estimated by management of the remaining period of the lease, whichever is shorter.

Assets costing up to Rs.0.05 lakhs are fully depreciated in the year of purchase.

(v) **Intangible assets**

Intangible assets are recognized only if acquired and it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of assets can be measured reliably. The intangible assets are recorded at cost of acquisition including incidental costs related to acquisition and installation and are carried at cost less accumulated amortization and impairment losses, if any.

Amortization methods and useful lives

Intangible assets comprise software. Intangible assets are amortized in the Statement of Profit and Loss over their estimated useful lives, from the date they are available for use based on the expected pattern of consumption of economic benefits of assets. Accordingly, at present software's is being amortized on straight line basis over the useful life of 3 years.

(vi) **Capital work-in-progress**

Cost of assets not ready for use as at the balance sheet date and property, plant and equipment under construction are disclosed as capital work-in-progress. Capital work-in-progress is disclosed at cost less impairment reserve (if any).

(vii) **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Classifications of financial instrument are in

Hella India Lighting Limited

(All amounts are in Lakh Indian Rupees, unless otherwise stated)

Notes to the Ind AS financial statements for the year ended 31 March 2024

accordance with the substance of the contractual arrangement and as per the definitions of financial assets, financial liability and an equity instrument.

Initial recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Statement of Profit and Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Subsequent measurement:

(a) Financial assets

- a. **Carried at amortised cost:** A financial asset is subsequently measured at amortised cost if the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- b. **Carried at fair value through other comprehensive income (FVTOCI):** A financial asset is subsequently measured at fair value through other comprehensive income if the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- c. **Carried at fair value through profit or loss (FVTPL):** All other financial assets are subsequently measured at fair value.

(b) Financial liabilities and equity instruments

- a. **Financial liabilities at amortised cost:** Financial liabilities includes interest bearing loans and borrowings which are subsequently measured at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
- b. **Classification as debt or equity:** Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and definitions of a financial liability and an equity instrument.
- c. **Equity instruments:** An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Derecognition of financial assets: The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party or the transfer qualified for derecognition under Ind AS 109.

Derecognition of financial liabilities: The Company derecognises financial liability when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Hella India Lighting Limited

(All amounts are in Lakh Indian Rupees, unless otherwise stated)

Notes to the Ind AS financial statements for the year ended 31 March 2024

Impairment of financial assets: The Company recognises loss allowances using the Expected Credit Loss (ECL) for the financial assets which are not measured at fair value through profit or loss. In relation to loss allowance for financial assets (excluding trade receivables), ECL's are measured at an amount equal to 12- month ECL, unless there has been significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime ECL.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle liabilities simultaneously.

Effective interest method: The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premium or discounts) through the expected life of financial instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for financial instruments other than those financial assets classified as FVTPL. Interest income is recognized in profit and loss and is included in the "Other Income" line item.

(viii) Inventories

Inventories are valued as follows:

Raw materials and store and spares

Stores and spares and raw materials held for use in production of finished goods are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished goods will exceed their net realizable value.

Work-in-progress and finished goods

Lower of cost and net realisable value. In determining cost of work in progress and finished goods, fixed production overheads are allocated on the basis of normal capacity of production facilities and variable production overheads are assigned to each unit of production on the basis of actual use of the production facilities.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion necessary to make the sale.

The cost formula applied for inventories is moving weighted average.

Obsolete, defective and unserviceable stocks are duly provided for, wherever required.

(ix) Preference shares

The Company had issued Non-Cumulative Non-Convertible Redeemable Preference Shares (RPS) in multiple tranches. Each Non-Cumulative Non-Convertible Redeemable Preference Share carry non-cumulative preferential dividend @ 0.0000001% p.a. RPS are redeemable at par at any time after five years but prior to the expiry of twenty years from the date of allotment.

Hella India Lighting Limited

(All amounts are in Lakh Indian Rupees, unless otherwise stated)

Notes to the Ind AS financial statements for the year ended 31 March 2024

RPS that are treated as financial liability in accordance with the requirements of Ind AS 32, are initially recognised at fair value and subsequently measured at amortised cost using Effective Interest Rate method (EIR).

(x) **Borrowing cost**

Borrowing costs attributable to the acquisition or construction of a qualifying assets are capitalized as a part of the cost the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(xi) **Foreign currency transactions and translations**

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the respective transactions. Monetary foreign currency assets and liabilities remaining unsettled at the balance sheet date are translated at the rates of exchange prevailing on that date. Gains/ (losses) arising on account of realization/ settlement of foreign exchange transactions and on translation of foreign currency assets and liabilities are recognized in the Statement of Profit and Loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

(xii) **Employee benefits**

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus, etc., are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

Post-employment benefits

Defined benefit plans: The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, are recognised in other comprehensive income (OCI). The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit are recognised in profit and loss.

Defined contribution plans: The provident fund and Employee State Insurance Scheme are defined contribution plans; the Company pays fixed contributions to the appropriate government authorities and has no obligation to pay further amounts. Such fixed contributions are recognized in the Statement of Profit and Loss on accrual basis in the financial year to which they relate.

Other long-term employee benefits: Benefits under the Company's leave encashment policy constitutes other long-term employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the year-end. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

(xiii) **Goods and Service tax input credit**

Goods and Service tax input credit is accounted for in the books in the period in which the underlying goods/service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

Notes to the Ind AS financial statements for the year ended 31 March 2024

(xiv) Impairment

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the asset's recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount and is recognized in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

(xv) Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets (assets of less than Rs.3.50 lakhs in value). The Company recognizes the lease payments associated with these leases as an expense over the lease term.

(xvi) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(xvii) Earnings per share

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity shares to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period.

Diluted earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by aggregate of weighted average number of equity shares and weighted average number of equity shares which would be issued on the conversion of all the dilutive potential equity shares into equity shares outstanding during the year adjusted for all effects of dilutive potential equity shares. Potential equity shares are treated as dilutive when their conversion to equity shares would decrease net profit per share of the Company.

Notes to the Ind AS financial statements for the year ended 31 March 2024

(xviii) Provisions, contingent liability and contingent assets

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Warranty: The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise – being typically upto one year.

As per the terms of the contracts, the Company provides post-contract services / warranty support to some of its customers. The Company accounts for the post-contract support/provision for warranty based on the information available with the Management duly taking into account the current and past technical estimates.

Contingent liability: A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the Ind AS financial statements. However, contingent asset are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

(xix) Taxes on income

Current tax: The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

Deferred tax: Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Ind AS financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Minimum alternate tax: Minimum alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is considered as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

(xx) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting of the Company. The respective Chief Operating Decision Maker (CODM) of segments SOE (Head of SOE Business) and segment IAM (Head of IAM business) are responsible for allocating resources and assessing performance of their operating segment. The Company has a monthly review and forecasting procedure in place and Managing Director reviews the operations of the Company as a whole (refer note no. 4.35).

(xxi) Operating cycle/ Current and Non-current classification

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- It is held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or Cash Equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(xxii) Recent pronouncements:

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments

(xxiii) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company’s Ind AS financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

Significant management judgements and estimates

The following are significant management judgements and estimates in applying the accounting policies of the Company that have the most significant effect on the Ind AS financial statements.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Hella India Lighting Limited

(All amounts are in Lakh Indian Rupees, unless otherwise stated)

Notes to the Ind AS financial statements for the year ended 31 March 2024

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Defined benefit obligation ("DBO") – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Useful lives of depreciable/amortizable assets – Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence.

Evaluation of Revenue recognition under Ind AS 115 - Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The management is of the view that its revenue arrangements are in line with the standard requirements.

Preference shares issued by the Company are non-convertible, non-cumulative, redeemable and non participating and are not entitled to vote. Preference shareholders have preference over equity shareholders for the payment of dividend and repayment of capital, in the event of liquidation of the Company. The preference shares are redeemable at par at any time after five years but prior to the expiry of twenty years from the date of allotment. Out of these, 500,000 preference shares have been allotted on 31 August 2006, 40,000 preference shares have been allotted on 18 March 2009 and 603,630 preference shares (by conversion of loan from the holding company) have been allotted on 16 March 2010. Preference share capital is recognised at amortized cost as on the date of transition i.e. 1 April 2017. The Company has considered the impact of transition as equity component of preference share capital of Rs.1,017.80 lakhs under other equity (Refer Statement of Changes in Equity). Further, the Company charges the interest on liability component on preference share capital on yearly basis.

Term loan from related party was an Indian currency loan taken from Hella GMBH & Co. KgaA, Germany (Intermediate holding company). It carries interest at 8.75% per annum. This has been fully repaid in current year.

*The Company has received the show cause notices under Haryana VAT Act, 2003 and Central Sales Tax Act, 1956 for Rs.168.04 lakhs for financial years 2014-15, 2016-17 and 2017-18 on account of pending verification of manual "C" forms by the department. The Company has replied to the said notices objecting the grounds of the notices as the verification of manual "C" forms has to be done by department itself. There is no further communication received from the department in this regard. The Company is of view that said show cause notice will not be tenable and therefore no provision is considered necessary.

4.33 Employee benefits
a) Defined Contribution Plans

The Company makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised Rs. 265.11 lakhs (previous year Rs.213.94 lakhs) for Provident Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

b) Gratuity Plan (defined benefit plan)

The Company operates a gratuity plan covering qualifying employees. The benefit payable is as per the Payment of Gratuity Act, 1972. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Risk Exposure

Inherent risk: The plan is defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience. This may result in an increase in cost of providing these benefits to employees in future.

Salary inflation risk: Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk: This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

The following table sets forth the status of the Gratuity plan of the Company, and the amounts recognised in the Balance Sheet and Statement of Profit and Loss.

Particulars	31-Mar-24	31-Mar-23

Sensitivity Analysis for significant actuarial assumptions

Particulars	Year ended 31 March 2024		Year ended 31 March 2023	
	Decrease	Increase	Decrease	Increase
Defined Benefit Obligation (Base)				
Discount Rate (- / + 1%) (% change compared to base due to sensitivity)	509.69 10%	422.44 -9%	463.01 10%	384.15 -9%
Salary Growth Rate (- / + 1%) (% change compared to base due to sensitivity)	423.69 -8%	507.65 10%	385.40 -8%	461.04 10%
Attrition Rate (- / + 1%) (% change compared to base due to sensitivity)	462.32 0%	463.13 0%	419.09 0%	421.67 0%

The sensitivity analysis has been determined based on possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis present above may not be representative of the actual change in the defined obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be co-related.

c) Compensated absences
Actuarial assumptions for long terms compensated absences

Particulars	As at 31 March 2024	As at 31 March 2023

Retirement age	58 years	58 years
Mortality table	IAM (2012-14) mortality tables	IAM (2012-14) mortality tables
Withdrawal rate (per annum)	5.00%	5.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotions and other relevant factors. Discount rate is based on market yields prevailing on government securities as at 31 March 2024 for the estimated term of the obligations.

4.34 The Company has obtained relevant information from its suppliers about their coverage under the Micro, Small and Medium Enterprises Development Act, 2006 ('the Act') which came into force from 2 October 2006. 4.35 Segment reporting:
(i) Basis of preparation
Primary segment:

The primary segments have been identified in line with the Ind AS 108 'Operating segments', taking into account the risks and return, organisation structure and internal reporting system.

The Company has identified the following business segments as reportable primary segment:

- 1) Manufacturing and sale of goods manufactured
- 2) Sales of aftermarket division

(ii) Segment accounting policies

The accounting principles consistently used in the preparation of the financial statements and consistently applied to record revenue and expenditure in individual segments are as set out in significant accounting policies. The description of segment assets and liabilities and the accounting policies in relation to segment accounting are as under:

(a) Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of property, plant and equipment, intangible assets, right-of-use assets, capital work in progress, current assets and financial assets. Segment liabilities include all operating liabilities in respect of a segment and consist principally of borrowings, creditors, provisions, financial liabilities and other accrued liabilities. Segment liabilities do not include share capital, reserves, provision for tax, deferred tax liability and other liabilities that cannot be reasonably allocated to segments. Segment assets do not include advance taxes, deferred tax, cash and bank balances and other assets that cannot be reasonably allocated to segments.

(b) Segment revenue and expenses

Segment revenue and expenses that are directly attributable to the segment have been allocated to various segments on the basis of specific identification. The remainder of the costs are categorised to the segment on a reasonable basis. Indirect expenses such as administrative expenses which form a significant component of total expenses are not specifically allocable to specific segments. Accordingly, these expenses are separately disclosed as "unallocated" and directly charged against total income.

4.44 Financial risk management:

The Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks under appropriate policies and procedures.

(i) Market risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include future commercial transactions, recognised financial assets and liabilities not denominated in Indian rupee.

(a) Foreign exchange risk:

The Company is exposed to foreign exchange risk through its sales and purchases from overseas in foreign currencies mainly in USD, EURO and AUD. The exchange rate between the rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently, the results of the Company's operations may get adversely affected as the rupee appreciates/ depreciates against these currencies.

The Company's foreign currency exposure not hedged is as follows:

Particulars	As at 31 March 2024		As at 31 March 2023	
	(in original currency in lakhs)	(in Rupees)	(in original currency in lakhs)	(in Rupees)
